

# Proust

PARA PRINCIPIANTES

**Marcel Proust** (Paris, 1871-1922) ha logrado pasar a la posteridad gracias a **En busca del tiempo perdido**, una novela de siete tomos y tres mil páginas. Autor magistral que describe el eje entre el siglo XIX y XX, revolucionó la historia de la literatura al superar las nociones de tiempo y de espacio y dejó sus huellas hasta en el nouveau roman francés.

Unánimemente celebrado, **En busca del tiempo perdido** sigue estigmatizado por los prejuicios de los que no lo han leído. Se cree que Proust hace la apología de una sociedad elitista cuando se burla de ella; se imagina su obra aburrida cuando rebosa humor; se piensa que entretiene en pamplinas cuando su visión es apocalíptica. Por eso sigue siendo moderno.

En **PROUST PARA PRINCIPIANTES**, Gwénola Aujard Johnson recrea la vida, la psicología y la época del novelista y sus personajes. Ilustrado por el eximio Stéphane Heuet.

*El problema es que para poder leer  
En busca del tiempo perdido hay que  
enfermarse mucho o romperse una pierna.*
