Creative Fusion Charity Bowman Webb, 2021-10-19 From the beginning of time God endowed people with His creative power intending for them to rule and steward over all the earth But Satan once heaven's most beautiful and creative angel convinced Adam and Eve that the fruit from the Tree of the Knowledge of Good and Evil would give them a power that they already had The moment that they ate the fruit they handed their authority over to Satan Oppression ruled the world instead of the luminosity of heaven's pattern advancing through the planet creeping darkness took hold The enemy knows the highly effective powers of creativity all too well Despite being cut off from its divine origin he uses it with vigor to effectively communicate his counterfeit and repetitive message across the world Creative Fusion follows the interlinking tabernacle pattern of God laid out from Genesis through Revelation to provide Christians with the answers to reclaim the Lord's creative energy and His DNA that He placed within us Author Charity Bowman Webb wants readers to discover the magnificent wisdom in Scripture that will help them influence every area of society and harvest souls for God's kingdom

God as Author Gene C. Fant, Jr., 2010-05-01 God as Author takes a thoughtful literary approach to understanding the Gospel Gene Fant writes in the preface Most of us have heard that Christ is the Author and Finisher of our faith Hebrews 12:2 so it makes sense that the Gospel would be God's story As many a church message board has noted so succinctly History is His Story In our easy discussions of special revelation I cannot help but wonder if we have missed something awe inspiring that may be revealed by a reversal of the lens that we turn toward narrative Perhaps the Gospel is not just like a story perhaps story narrative in general is like the Gospel My clear conviction is that something stands behind the power of narrative In fact I believe that Someone stands behind it There is an Author whose skill and grace imbues the broad range of the stories that we tell There is a Father who gave us a story to help us understand our place in this world a story that points back to Him His story is in many ways the only story that we know When we use that realization as a foundation for interpreting and generating narrative it changes everything including ourselves
