*To provide for the common defense*, 1987\*      **Provide for the Common Defense** George H. Miller, 1988      *Provide for the Common Defense* Dave Richard Palmer, 2001 The military clauses were perhaps the most contentious in the drafting of the constitution The old Continental Congress had had an abysmal record in taking care of the army Promises made to soldiers during the war remained unfulfilled At the same time American distrust of European style professional armies ran deep This masterful account of the creation of the Constitution shows our founding fathers at work and brings them to life

the official codification of the general and permanent laws of the United States of America The Code was first published in 1926 and a new edition of the code has been published every six years since 1934 The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress Second Session the last of which was signed by the President on January 15 2013 It does not include laws of the One Hundred Thirteenth Congress First Session enacted between January 2 2013 the date it convened and January 15 2013 By statutory authority this edition may be cited U S C 2012 ed As adopted in 1926 the Code established prima facie the general and permanent laws of the United States The underlying statutes

reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy In 1947 Congress began enacting individual titles of the Code into positive law When a title is enacted into positive law the underlying statutes are repealed and the title then becomes legal evidence of the law Currently 26 of the 51 titles in the Code have been so enacted These are identified in the table of titles near the beginning of each volume The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U S C 285b to enact the remainder of the Code on a title by title basis into positive law The 2012 edition of the Code was prepared and published under the supervision of Ralph V Seep
