The French Kitchen Michel Roux Jr, 2016-01-05 Food in France has always been about much more than mere sustenance. In a French home the kitchen is the heart and soul of the house. More often than not it's part of family history with favorite recipes being handed down through many generations and remembered fondly at the table. In *The French Kitchen* Chef Michel Roux Jr presents this comprehensive guide to French cooking and that will delight everyone who's gathered around the table. Regionality in cooking is paramount and fiercely defended. The classics are loved and equally sacrosanct. The classics are iconic for a number of reasons. In *The French Kitchen* you'll find 200 classic recipes with a few of Michel's tweaks here and there to master French cooking. No topic is breezed over and with chapters for soup, terrines and pies, eggs and cheese, fish and shellfish, chicken, duck and game birds, meat, vegetables and salads, desserts, bread and croissants and stocks and sauces. Find your favorite or try something new in every chapter: crême vichyssoise or soupe de moules, jambon persill or terrine de poisson, croque monsieur or tartiflette, bouillabaisse Marseillaise or calamars farcis au riz sauvage, poulet dauphinois or faisan archiduc, boeuf bourguignon or carpaccio de chevreuil, Ratatouille or artichauts, vinaigrette, marquise au chocolate or soufflé aux fraises. With these recipes and more this stunning cookbook embraces the culinary alchemy of French food ingredients and our hearts sing with them. by his reading and dreaming and in this book he reveals how you too can feast on simple fresh dishes at home Organized by season at the end of each chapter Alex includes a grand bouffe a set menu for a feast The certain satisfaction in cooking a set menu in a restaurant translates wonderfully to the home cook who seeks to escape with our chef and to create their own *bonne f te* It opens up many options large format dishes whole fish and joints of meat more complicated processes economies of scale and above all a feeling somehow that this is the way that eating is supposed to be It s also an exercise in composition a challenge to ensure that the menu reads beautifully flows right and eats even better as well as an opportunity to shoehorn all the best ingredients of the moment into one evening s cooking Alex has included a selection of recipes for each season from Bouillabaisse and Autumnal Grand A oli to Aligot G ant and an Easter feast most of these menus revolve around a central celebratory dish and so the joy for the home cook is in the knowledge that their evening will be a success and certainly much less work if they cut a course here or there Ultimately the soul of the home cooked meal lies not only in a sense of achievement for the cook but moreover in the satisfaction of bringing a basketful of ingredients and a group of good friends to the table Recipes will run in seasonal order Proven al promises to reignite a love affair with French provincial cooking its multitude of influences and its focus on seasonal eating and ultimately an attitude to food which centers around sharing and enjoying food
