

Bring ye all the tithes into the storehouse, that there may be meat in mine house,
and prove me now herewith, saith the LORD of hosts,
if I will not open you the windows of heaven, and pour you out a blessing,
that there shall not be room enough to receive it.

Proving God Triumphant Living Through Tithing:

Proving God Al Taylor, 1991 *Passing the Plate* Christian Smith, Michael O Emerson, Patricia Snell, 2008-09-29 *Passing the Plate* shows that few American Christians donate generously to religious and charitable causes This eye opening book explores the reasons behind such ungenerous giving the potential world changing benefits of greater financial giving and what can be done to improve matters By illuminating the social and psychological forces that shape charitable giving *Passing the Plate* is sure to spark a much needed debate on a critical issue **Church of God Evangel** , 1992 The Holiness-Pentecostal Movement Charles Edwin Jones, 2008-02-07 Developing out of the mostly Methodist National Association for the Promotion of Holiness the Holiness Pentecostal Movement provided a theological consensus strong enough to unify the movement during its first decade of existence and to sweep almost the entire independent Holiness movement of the southeastern United States Distinguished from the Holiness Movement mainly by insistence on speaking in tongues as initial evidence of baptism of the Holy Spirit the teaching of the Holiness Pentecostal Movement is foundational to a significant segment of groups descended from the Azusa Street revival especially in Chile and South Africa With this final volume devoted to the Holiness Pentecostal Movement Charles Edwin Jones s landmark 1974 work has now been expanded into a three part series which breaks up his original book into 4 volumes on The Wesleyan Holiness Movement 2 Volumes The Keswick Movement and The Holiness Pentecostal Movement The series provides materials for study of doctrine worship institutional development and personalities as well as antecedent and related movements It serves to illustrate the history both of the Holiness Movement and the rural urban transition in which it developed Theological reconsiderations realignments and changes as well as the nearly exponential growth of the Movement since the original book s publication make these new publications almost absolutely necessary *Behind the Stained Glass Windows* John Ronsvalle, Sylvia Ronsvalle, 1996 Authors John and Sylvia Ronsvalle present the results of a three year Lilly Endowment Study which shows that both church membership and giving as a percentage of income are declining The study focused on many Protestant denominations and the Roman Catholic Church Advice for Christian leaders on reversing this trend is given as well as a thorough diagnosis of the problem Triumph Over Terrorism Esther King, 2004-06 **The Triumph of Capitalism** Robert A. Mongrandi, 2020-11-05 We all want abundance and the wherewithal to buy life s necessities and luxuries But socialism and the Federal Reserve can take those things away from us You might be surprised to know that the Federal Reserve is not a government agency It was created to end banking crises also known as panics Robert A Mongrandi examines the history of the Federal Reserve socialism and communism in this book explaining how he overcame the misguided notion that a one world government would help humanity He argues that Federal Reserve policies affect us all and that its creation in 1913 was illegal Most of us do not understand how the Federal Reserve controls the economy of the nation Mongrandi also shares why tithing is the number one key to prosperity Karl Marx s ten planks to seize power and destroy freedom that

socialism has destroyed the lives of tens of millions of people Take a trip through history and gain a better understanding of the world we live in with the insights and historical lessons in **The Triumph of Capitalism The Tithing Dilemma and the Triumphs of Love** Leonard Bupanda,2013 This book provides enough food for thought for those who want to find out more or even raise some objections to Leonard s assertions and arguments On the whole it is a heart searching and thought provoking book *Presbyterian Survey* ,1928 The Book of Genesis, Chapters 18-50 Victor P. Hamilton,1995-09-26 In the Old Testament we read God s word as it was spoken to his people Israel Today thousands of years later we hear in these thirty nine books his inspired and authoritative message for us These twin convictions shared by all of the contributors to The New International Commentary on the Old Testament define the goal of this ambitious series of commentaries For those many modern readers who find the Old Testament to be strange and foreign soil the NICOT series serves as an authoritative guide bridging the cultural gap between today s world and the world of ancient Israel Each NICOT volume aims to help us hear God s word as clearly as possible Scholars pastors and serious Bible students will welcome the fresh light that this commentary series casts on ancient yet familiar biblical texts The contributors apply their proven scholarly expertise and wide experience as teachers to illumine our understanding of the Old Testament As gifted writers they present the results of the best recent research in an interesting manner Each commentary opens with an introduction to the biblical book looking especially at questions concerning its background authorship date purpose structure and theology A select bibliography also points readers to resources for their own study The author s own translation from the original Hebrew forms the basis of the commentary proper Verse by verse comments nicely balance in depth discussions of technical matters textual criticism critical problems and so on with exposition of the biblical writer s theology and its implications for the life of faith today
