Strawn, 2009-04-10 Psalms for Preaching and Worship a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section I know of no work that combines practice and substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of Preaching Christ from the Old Testament and Preaching Christ from Genesis Here is something even better than a simple completion of The Lectionary Commentary which would be cause enough for gratitude Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship Marguerite Shuster Fuller Theological Seminary Contributors Nancy R Bowen William P Brown Walter Brueggemann Richard J Clifford Nancy L deClaiss Walford Jennifer S Green Karl N Jacobson Rolf A Jacobson Melody D Knowles Eunny P Lee Joel M LeMon James Limburg J Clinton

Spinks, 2020-09-30 This seminal work by one of the world's most distinguished liturgical scholars fills an important gap in the history of the Church of Scotland and of Scottish worship It offers an in depth narrative of a neglected liturgical legacy and a perceptive analysis of the Church's evolving patterns of worship from the middle of the 19th century to the present day

Stay, Watch, Pray Frank Bahr, 2022-05-24 The disciples asked Jesus to teach them how to pray Our prayers must be genuine but what God wants from us in prayer may not readily spring to mind for example to honor the holiness of God's name or to pray for people who abuse us Does merely adding God turn a wish into a prayer How is prayer related to our understanding of who God is his omniscience love and power In prayer we expect God to act but how does that relate to our own love and work We pray in the name of Jesus So what difference does it make that God's Son became flesh suffered died and lives again How does the Holy Spirit lead in prayer Why does the Bible provide us with actual prayers Do language literary form location time and body language matter And what does it mean that the apostle cautions Rom 8 26 For we do not know how to pray as we ought Stay Watch Pray tackles these questions and more
