Patrick D. Miller

Psalms Songs Of Tragedy Hope And Justice:

The Psalms J. David Pleins, 1993 *Touching the Altar* Carol M. Bechtel, 2008-01-14 What does it mean to be in the presence of God's holiness How can it affect us whether we seek it out or stumble upon it Can it truly change our very reality to encounter it The essayists in this volume explore these questions at the heart of Christian worship considering the oft neglected Old Testament as essential to understand our purpose in worship Following the structure of the Hebrew canon beginning with the Pentateuch moving through to the Psalms then wisdom literature each chapter considers a separate aspect of worship from theater to the Sabbath to sacred space offering new inspiration In the final essay Carol Bechtel rereads the book of Job through the lens of our human limitations as opposed to the usual theme of theodicy with compelling applications for both life and worship Each of these essays concludes with two appropriately themed hymns and a For Further Reading list Five of the seven contain sidebars that illustrate and enrich key points Evocative woodcut artwork by Margaret Adams Parker provides a striking backdrop to the text Taken together these essays testify powerfully to the belief that the Old Testament is not only valuable but also essential to whole and fully foundational preaching and worship Written primarily by Old Testament professors *Touching the Altar* will make an engaging supplemental text for introductory or elective Old Testament courses and will also go far toward providing deeper worship for any Christian Contributors Carol M Bechtel Thomas A Boogaart Corrine L Carvalho Ellen F Davis J Clinton McCann Jr Dennis T Olson Margaret Adams Parker John D Witvliet Introduction to the Old Testament Anthony R. Ceresko, 2001-01-01 Applying Norman Gottwald's thesis on Israel's origins Cereski argues that Israel was formed through a process of social revolution inspired by the memory of runaway slaves and their worship of a God whose cult mandated radical social equality and justice **Setting Our Hearts upon the Deep** Henry L. Novello, 2022-12-22 In Christian churches the Why Lord and How long Lord prayers of the Jewish lament tradition have fallen silent This is astonishing given that Jesus' fidelity to the cause of God culminates in his lament cry on Calvary which was heard by God Heb 5:7 who did not hide his face Ps 22:24 but responded by raising him up in glory In Christ's paschal mystery grief lament and joy praise are inextricably intertwined So why is lament not incorporated into praise in church usage How can we not lament as we strive to embody Christ in an unredeemed world The book examines reasons for the neglect of lament in the New Testament and theological tradition The pivotal section of the work situates Jesus in the tradition of the suffering righteous in which Psalm 22 stands and it proposes a theological not juridical interpretation of Jesus' cry which refutes the God abandonment thesis Jesus' cry reveals his abandonment to God not his abandonment by God Because God was for and with Jesus we know that God is for and with us in our own cries which are joined to Jesus' cry and we are redeemed Redemption then consists in human and divine suffering coming together to transform grief and evil into joy and newness of life *The Lost Kingdom of Moyon (Bujuur)* Rev Dr Koningthung Ngoru Moyon, 2023-11-16 The book *The Lost Kingdom of Moyon Bujuur* Iruwng King Kuurkam Ngoruw Moyon The People of

Manipur is not to produce a new history of Moyon Who were earlier known as Bujuur but rather to tell the true and authentic historical account of the Moyon people through the ages and centuries how their creator led them during their past lives It also deals concerning kingship and introduce the kingdom of God *Singing the Ethos of God* Brian Brock,2007-04-02 Noting that academic biblical scholars and Christian ethicists have been methodologically estranged for some decades now Brian Brock seeks to reframe the whole Bible and ethics discussion in terms of this question What role does the Bible play in God s generation of a holy people and how do we participate in that regeneration Brock first examines various major contemporary thinkers on the Bible and Christian ethics including John Howard Yoder Brevard Childs John Webster and Dietrich Bonhoeffer He then undertakes major discussions of Augustine and Martin Luther unpacking their interpretation of the Psalms Finally Brock articulates the processes of renewal in God s people His close study of a few individual psalms shows how we enter the world of praise in which all human life is comprehended within God s work and is thus renewed Immersion in the exegetical tradition of the Christian faith Brock argues must be the heart and soul of theology and ethics **Jesus, Jubilee, and the Politics of God's Reign** Christian T. Collins Winn,2023-02-07 What if the kingdom of God is not a place but a person In this timely monograph Christian T Collins Winn argues that the kingdom of God is Jesus himself Drawing on a wide breadth of liberation theology Jesus Jubilee and the Politics of God s Reign amplifies the echoes of salvation history in contemporary struggles for social justice Collins Winn demonstrates how the institution of the Jubilee year exemplifies the kingdom of God A semicentennial celebration prescribed in the book of Leviticus Jubilee prescribed the redistribution of wealth and freeing of prisoners Hope for Jubilee persists in apocalyptic rhetoric from the exhortations of Old Testament prophets to those of modern progressives Likewise Jesus s ministry passion and resurrection convey the justice of Jubilee and urgency of apocalypse His conquest over death represents the ultimate vindication of the oppressed in the kingdom of God an outpouring of Spirit seen today in continuing restorative efforts by oppressed communities in the face of death dealing institutions Historically informed and passionately written Jesus Jubilee and the Politics of God s Reign challenges readers to find Jesus in the marginalized persons of our own time **Beautiful upon the Mountains** Mary H. Schertz,Ivan Friesen,2008-04-01 These essays by biblical scholars show that friction in the church between evangelism and peace activism is neither helpful nor biblical mission and peace are inseparable throughout the biblical canon Those who seek God s reign are called to proclaim the gospel of peace **Honest Sadness** John Holdsworth,2021-03-15 Honest Sadness examines lament as a means of articulating faithful incomprehension and as a resource for what have been called communities of honest sadness **A Hermeneutic of Curiosity and Readings of Psalm 61** W. H. Bellinger,1995 **The Covenanted Self** Walter Brueggemann,1999-08-23 These exciting studies on the first five books of the Bible cover a wide range of topics challenging the reader to confront the issues of faithfulness responsibility and justice in an ever changing world Brueggemann sets the issues of praise and lament grace and duty truth and power in new frames of reference that call

for a response He demonstrates that the Christian reader of the Bible cannot blithely pass over the Pentateuch as simply pre-Christian and without relevance His creative use of metaphor and imagination invite the reader to encounter freshly in these biblical texts God's call and the work of justice

Lament-Driven Preaching Eliana Ah-Rum Ku, 2024-03-04 This book challenges Christian communities to engage in lament a mode of existence characterized by impassioned expression witnessing and personal or social protest in the face of evil and injustice reflecting a profound yearning for God's saving presence Divine lament responds to and expresses solidarity with human suffering unveiling multiple facets of God's image and demonstrating a profound sense of divine compassion Drawing on the Book of Lamentations Korean concepts related to suffering han and hanpuri the Paschal Triduum narratives and recent homiletic discourses on suffering the author investigates how complex issues related to grief and hope can be addressed in preaching without diminishing the harsh reality of affliction Designed to assist preachers this book encourages a more intentional approach to addressing suffering specifically by advocating for lament as a transitional space between affliction and hope Furthermore readers are invited to contemplate the significance of the church which within a world in decline embodies the body of Christ manifesting both the demise and resurrection of God

Why O Lord? David J Cohen, 2013-03-08 The book begins by exploring a number of signposts in psalms scholarship which alert us to the value of psalms as a form of prayer The particular focus is lament psalms and their potential as a form of prayer for people engaging with distressing experiences in life What follows is a discussion of lament as a process and the areas of potential change for someone who uses these psalms for prayer The final section of the book includes stories of several people who prayed some of these psalms over a period of time It explores their responses and reflections in an attempt to evaluate the effectiveness of praying psalms such as these The book culminates with a chapter which invites the reader to pray some psalms of distress themselves with notes suggesting an appropriate ritual to follow and some ideas for further exploration David J Cohen's book *Why O Lord* provides a wonderful comprehensive view of the psalms of lament It is an encouragement to all Christian traditions to look with fresh eyes on the psalms as prayer and particularly the psalms of lament as our suffering and the suffering of many in our world needs the language to cry out to God in times of darkness The psalms express every human emotion and use a strong confidence that we can cry out to God and that God will hear our suffering and that transformation is possible Bringing the psalms of lament into ritual so aptly described by Cohen brings a new dimension to worship both personal and communal This book is an excellent academic and pastoral addition to our knowledge of the psalms

Angela McCarthy lecturer in Theology at the University of Notre Dame Fremantle Australia National President of the Australian Academy of Liturgy

Biblical Wisdom, Then and Now Frances Flannery, Nicolae Roddy, 2021-07-29 This volume examines biblical wisdom literature both in its historical context and as it relates to a host of contemporary themes including overcoming social divisions reading from a place of inclusion healing from trauma and challenging religious attitudes toward climate change and animals This volume delivers fresh insights on biblical

wisdom texts exploring ways in which wisdom literature speaks perennially to the human condition despite the differences in societies then and now Employing both biblical studies and theological approaches the diverse group of authors in this collection examine biblical wisdom literature from a variety of perspectives and methodologies to illuminate the relevance of wisdom for ancient audiences such as exiles scribes and leaders as well as for contemporary audiences concerned with challenges such as climate change social division and healing from trauma Its eleven chapters utilize an accessible style that brings erudite scholarship on biblical wisdom to a broader audience Biblical Wisdom Then and Now will be an invaluable resource for undergraduates graduates and specialists in biblical studies as well as the more general reader with an interest in biblical literature and its reception

Israelite Religion and Biblical Theology Patrick D. Miller, 2000-11-01 This is a formidable collection of previously published essays by this distinguished Old Testament scholar Three significant areas of biblical studies have been a focus of the author's attention throughout his career the Bible in its ancient Near Eastern world the Psalms and Old Testament theology In Part I epigraphic discoveries are examined for the light they shed on biblical texts In Part II special attention is given to the theological significance of reading the Psalms as a collection In Part III a wide range of theological issues creation covenant prayer cosmology canon and especially the nature and character of God are taken up in various essays that suggest how biblical theology can contribute to the larger theological enterprise

Nomos and Violence Viktor Ber, 2019 The present volume is concerned with the problem of violence as reflected in the biblical texts in their reception and interpretation The expression nomos in the title of the book is understood in a broader sense with reference to the concept of nomos as a world of right and wrong Robert Cover Therefore the authors of the book are concerned not only with the legal texts of the Pentateuch but also with other parts of the Old Testament Tanak Most of the contributors explore the theme of violence by interpreting specific narrative legal prophetic and sapiential passages Others attempt to offer a more general theological evaluation of violence in the Bible also with constant reference to the biblical texts

The Social Visions of the Hebrew Bible J. David Pleins, 2001-01-01 J David Pleins presents a sociological study of the Hebrew Bible seeking to uncover its social vision by examining biblical statements about social ethics He does this within the framework provided by Israel's social institutions the social locations of its actors and the historical struggles for power and survival that are reflected in the transmission of the texts
