The Psalms as Christian Lament Bruce K. Waltke, James M. Houston, Erika Moore, 2014-06-06 The Psalms as Christian Lament a companion volume to The Psalms as Christian Worship uniquely blends verse by verse commentary with a history of Psalms interpretation in the church from the time of the apostles to the present Bruce Waltke James Houston and Erika Moore examine ten lament psalms including six of the seven traditional penitential psalms covering Psalms 5 6 7 32 38 39 44 102 130 and 143 The authors experts in the subject area skillfully establish the meaning of the Hebrew text through careful exegesis and trace the church's historical interpretation and use of these psalms highlighting their deep spiritual significance to Christians through the ages Though C S Lewis called the imprecatory psalms contemptible Waltke Houston and Moore show that they too are profitable for sound doctrine and so for spiritual health demonstrating that lament is an important aspect of the Christian life

T. Wright, 2013-09-03 Widely regarded as the modern C S Lewis N T Wright one of the world's most trusted and popular Bible scholars and the bestselling author of *Simply Christian* and *Surprised by Hope* presents a manifesto urging Christians to live and pray the Bible's Psalms in *The Case for the Psalms* Wright seeks to reclaim the power of the Psalms which were once at the core of prayer life He argues that by praying and living the Psalms we enter into a worldview a way of communing with God and knowing him more intimately and receive a map by which we understand the contours and direction of our lives For this reason all Christians need to read pray sing and live the Psalms By providing the historical literary and spiritual contexts for reading these hymns from ancient Israel's songbook *The Case for the Psalms* provides the tools for incorporating these divine poems into our sacred practices and into our spirituality itself *The Book of Psalms* Nancy L. deClaissé-Walford, Rolf A. Jacobson, Beth LaNeel Tanner, 2014-12-12 This work by Nancy deClaissé Walford Rolf Jacobson and Beth Tanner is the most complete and detailed one volume commentary available on the Psalms Significantly the volume reflects the combined insights of three superior younger biblical scholars DeClaissé Walford Jacobson and Tanner offer a succinct introduction to the Psalter a new translation of all the psalms that takes special account of the Dead Sea Scrolls and individual entries on each psalm unit Throughout the book they draw on state of the art research on the canonical shape and shaping of the Psalter and evidence a nuanced attention to the poetic nature of the psalms *Expositions of the Psalms 99-120* (vol. 5) Saint Augustine, 1990 As the psalms are a microcosm of the Old Testament so the *Expositions of the Psalms* can be seen as a microcosm of Augustinian thought In the *Book of Psalms* are to be found the history of the people of Israel the theology and spirituality of the Old Covenant and a treasury of human experience expressed in prayer and poetry So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life his theological reflections and his pastoral concerns as Bishop of Hippo Publisher's website *Life Essentials Study Bible* Holman Bible Publishers, 2011-10-01 So what That's the response many people have to the Bible Read a passage interpret it and still they ask So what difference does that make in my life In the *Life Essentials Study Bible* renowned Bible teacher Gene Getz complements the full text of the popular HCSB translation by elaborating on 1 500 principles in Scripture that are as relevant today as when the sixty six books of the Bible were written

Distilling these truths into principles Getz helps the reader more easily remember and effectively apply the Bible's wisdom to everyday life. He explains how each of these principles represents a supracultural truth, one that can and should be applied at any moment in history and in every cultural situation. In addition, the Life Essentials Study Bible was created with an integrated digital study system, more than 250 hours of free online coaching content led by Getz that fosters a greater understanding of the Bible's grand story. Along the way, Getz adds pertinent questions in print to inspire personal reflection or group discussion of each principle. There's also an introduction to each book of the Bible and its list of corresponding principles, plus a topical index and cross references for all 1,500 principles. Other features of this dynamic study Bible, available in six different editions, include a two-piece gift box, leather editions only, as well as a presentation page. Owning a copy of this astounding project, containing the prodigious work and wisdom of my friend and mentor Gene Getz, will be like having him in the next room, available to advise me on every passage. Being able to access his video teaching on each of the 1,500 Principles to Live By is a breakthrough approach, making this truly the first multi-media study Bible. What a treasure I know it will inform my own writing. Jerry Jenkins, owner, Christian Writer's Guild and author of the Left Behind series. *The Gospel in the Psalms: a Series of Expositions Based on Revised Translations* Daniel McLean, 1876
