*Expositions on the Book of Psalms: Psalms 53-75* Saint Augustine (of Hippo), 1849

**The Expositions On The Psalms** St. Augustine of Hippo, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God's people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose And though we must look to his Confessions for the full view of all his cravings after real good and their ultimate satisfaction yet throughout his works we have the benefit of the earnestness with which he sought to feed on the sincere milk of the word

Littledale, 2022-05-06 Reprint of the original first published in 1868      **The Prince's Psalm** Eric Shaw Quinn, 2016-06-07 1 Samuel 18 1 3 And it came to pass that the soul of Jonathan was knit with the soul of David and Jonathan loved him as his own soul Then Jonathan and David made a covenant because he loved him as his own soul David not only slew Goliath he won the heart of Prince Jonathan heir to the throne of Israel They were star crossed warrior lovers whose passionate affair changed history and gave rise to the nation of Israel a legacy that has endured for 3 000 years Their epic love story stands at the center of a religious tradition that shaped the world But Jonathan and David were also two men torn between duty and tradition driven by their undeniably passionate and physical love for one another Who were they beyond the historical facts given in the Bible What were they like as men This modern day novel tells the story of Israel's first king and the man who captured his heart      *A Paraphrase and Exposition of the Book of Psalms*, 1768      *A Paraphrase Upon the Psalms of David, and the Canticles, with Select Hymns of the Old and New Testament. To which is Added Other Occasional Compositions in Verse. By Samuel Woodford. The Second Edition, Corrected by the Author*, 1713      *Great Spoil* Stephen Yuille, 2019-07-31 Much of evangelicalism has forsaken a Word based approach to Christian spirituality so to help us recover a model of biblical piety J Stephen Yuille examines Thomas Manton's sermons on Psalm 119 Following a brief account of Manton as a leading Puritan committed to the ministry of the Word Yuille leads us on a careful investigation of Manton's understanding of blessedness the instrumentality of God's Word and the practice of spiritual duties At the foundation stands the conviction that as we love and obey God's Word the blessed God communes with us by His Spirit conveying sweet influences on our soul through His Word Manton's spirituality of the Word is a timely remedy for the subjective mysticism that expects God to speak through inner urgings apart from His Word Let us learn from Manton how to listen to the Bible as if we heard God speaking to us from heaven rejoicing like those who find great spoil Ps 119 162
