Psalms An Introduction

George R. Noyes

Psalms An Introduction:

A Theological Introduction to the Book of Psalms Prof. J. Clinton McCann JR., 2011-12-01 Taking his point of departure from the newest frontier of research McCann reads the psalms in the context of their final shape and canonical form He interprets the psalms as scripture as well as in their character as songs prayers and poetry from Israel s history McCann s intent is to contribute to the church s recovery of the psalms as torah as instruction as a guide to prayer praise of God and pious living The explicit connections which McCann draws from the psalms to the New Testament and to Christian faith and life are extensive making his work suitable for serious study of the psalms in academic and in church settings An appendix examines the tradition of singing the psalms and offers suggestions for the use of the psalms in worship *The Book of Psalms* Alexander Francis Kirkpatrick, 1901 *Introduction to the Psalms* Nancy deClaiss-Walford, 2012-11 Introduction to the Psalms A Song from Ancient Israel seeks to provide the reader with a solid introduction to the Hebrew Psalter one that is informed by an interest in its shape and shaping The author Nancy deClaiss Walford provides an up to date study on the poetic style of the psalms in the Psalter their Gatt ngen or genres the broad shape of the book and the history of its shaping She introduces each of the five books of the Psalter providing a detailed examination of those individual psalms that are either key to the shaping of the Psalter or interesting studies in poetic style In the final chapter deClaiss Walford draws conclusions about the shape of the Psalter and about its story and message She proposes a way to read the Psalms as a unified whole and in relationship to one another rather than as individual pieces giving an inclusive all encompassing shape to the Psalter Included are two appendices that provide a listing of the superscriptions and Gatt ngen of the psalms in the Hebrew Psalter and an explanation of many of the technical terms found in their superscriptions *The Book of Psalms, with Introduction and Notes by A. F. Kirkpatrick...* Alexander Francis Kirkpatrick, 1902 **The Book of Psalms with Introduction and Notes** Alexander Francis Kirkpatrick, 1895 **Encountering the Book of Psalms** C. Hassell Bullock, 2004-07 A user friendly guide to the study and interpretation of the Psalms *Psalms* Tremper Longman III, 2014-10-07 The book of Psalms is the heart of the Old Testament It also anticipates Jesus Christ In this Tyndale Old Testament Commentary Tremper Longman interprets each psalm in its Old Testament setting summarizing its overall message and reflecting on its significance from a New Testament perspective *The Psalms* James L. Crenshaw, 2001 This volume offers one of the best available introductions to the psalms literature of the Bible Specially designed for general readers James L Crenshaw s new book will help beginning students read the psalms with understanding and appreciation Part 1 examines the composition and major features of the book of Psalms Comparisons to other biblical psalms and to deuterocanonical psalms are also made Part 2 surveys the various approaches to the Psalter illustrating with great clarity the various modes of interpreting the book Crenshaw looks in particular at the types of psalms their social settings and the historical reconstruction of the Israelite experience with special attention to ancient Near Eastern iconography

Artistic design and theological editing are also discussed In Part 3 Crenshaw offers in depth exegesis of four notable psalms 24 71 73 and 115 to show how one might fruitfully engage the text Given its range of discussion and highly accessible style *The Psalms An Introduction* will quickly become a favorite resource for study of the psalms *Psalms 73-150* Derek Kidner, 2009-04-17 The Lord is my shepherd I shall not want Thy word is a lamp unto my feet Search me O God and know my heart Such phrases leap to mind each time a Christian lifts his or her heart to God For many in fact the book of Psalms is the richest part of the Old Testament Renowned scholar Derek Kidner provides a fresh and penetrating guide to Psalms 73 150 As in the companion volume *Psalms 1-72* he analyzes each psalm in depth comments on interpretive questions and lays bare the universal relevance of the texts This helpful companion to the book of Psalms while not specifically devotional will inspire and deepen personal worship The original unrevised text of this volume has been completely retypeset and printed in a larger more attractive format with the new cover design for the series These commentaries are designed to help the reader of the Bible understand what the text says and what it means The Introduction to each book gives a concise but thorough treatment of its authorship date original setting and purpose Following a structural Analysis the Commentary takes the book section by section drawing out its main themes and also comments on individual verses and problems of interpretation Additional Notes provide fuller discussion of particular difficulties The goal throughout is to explain the true meaning of the Bible and make its message plain **Psalms** Tremper Longman, 2014 These commentaries are designed to help the reader of the Bible understand what the text says and what it means The Introduction to each book gives a concise but thorough treatment of its authorship date original setting and purpose Following a structural Analysis the Commentary takes the book section by section drawing out its main themes and also comments on individual verses and problems of interpretation Additional Notes provide fuller discussion of particular difficulties The goal throughout is to explain the true meaning of the Bible and make its message plain Back cover **The Psalms** J. H. Eaton, 2003-03-12 Remarkably enough there is a scarcity of modern commentaries on the Psalms for the more general reader though after the Gospels they are probably the most widely read part of the Bible No one is more qualified to write on the Psalms than John Eaton He is a distinguished Old Testament scholar and has spent a lifetime studying the Psalms This commentary is addressed to the wide readership There is a long and highly readable introduction giving a background to the Psalms then follow the 150 Psalms each in Eaton s translation He explains the background to the Psalms and their content in a way that makes them interesting and relevant to the present The discussion of each psalm ends with a related Christian prayer either from the tradition or written by Eaton himself John Eaton is recognized as one of the world s leading experts on Psalms this commentary is the culmination of his life s work John Eaton lectured in Old Testament at the University of Birmingham until his retirement He is the author of many books especially on aspects of the Psalms Psalms Derek Kidner, 1975 The Psalms William Emery Barnes, 1931 The Psalms William Theophilus Davison, 1906 The Book of Psalms A. F. (Alexander Francis) Kirkpatrick, 2013-12 Unlike some

other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The Psalms Chronologically Arranged F.G. Hibbard,2024-01-03 Reprint of the original first published in 1856

Book of Psalms George R. Noyes,2015-07-18 Excerpt from Book of Psalms An Introduction What a sensation would be produced in the literary world by such a collection of poetry as is presented in the Book of Psalms could it come recommended by the attraction of novelty But the truth is that in general the ear is accustomed to these ad mirable productions before the mind can comprehend their meaning or feel their beauty so that in maturer life it requires no inconsiderable effort to give them that attention which is necessary for the reception of the impressions they are adapted to impart Another obstacle to a proper estimate of the sacred poetry is the very imperfect translation and wretched arrangement in which it has been presented to English readers Let the lover of poetry imagine what impressions he should receive from the odes of Collins or Gray cut up into fragments like the verses in the common version of the Bible and he may comprehend What injustice has been done to the Hebrew poets About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Psalms J.H. Eaton,1967 *Psalms with Introduction by Martin Luther* Concordia Publishing House,2001-01-01

Psalms James Luther Mays,2011-01-01 The Psalms have a double identity They are scripture and liturgy They compose a book of the Bible and are found in our hymnals and books of worship and prayer When we think of them in historical perspective another identity emerges They are the liturgical poetry of ancient Israel texts with a history of composition and use before they became scripture A commentary in this Interpretation series needs to keep all three identities in view That puts some strain on the commentator s task The attempt to interpret the Psalms in awareness of the depth in their identity explains some things about the commentary and its writing Preface

Unveiling the Magic of Words: A Review of "**Psalms An Introduction**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring.
