Psychiatric Disorders in Old Age Tony Whitehead,1979 *Current Catalog* National Library of Medicine (U.S.),1983

First multi year cumulation covers six years 1965 70 *Handbook of Old Age Liaison Psychiatry* George Tadros,George Crowther,2024-04-11 This essential new handbook provides practical and essential information on old age liaison psychiatry in the general hospital setting for use in everyday practice Covering the assessment and management of older people s mental health it addresses the most common day to day clinical presentations and conditions The book provides a unique and valuable insight into the emotional and psychological challenges that older people and their families face in hospital when dealing with both physical health and social crises Featuring contributions from a range of experts from diverse medical and psychiatric specialities on topics such as service development use of technology ethical issues safeguarding procedures and evidence based practice for effective management The book shines a light on the integration of mental and physical health for older people and the importance of managing all aspects of care alongside the impact of each on mental health An essential guide for hospital clinicians across all specialties **Mental Health and the Elderly** Francis J. Turner,2010-06-15

The demographic shift to a much older population is having a large impact on social work professionals who have traditionally been the primary caretakers of the elderly As more people are living into advanced old age it is becoming increasingly important to understand and treat the wide range of psychological disorders which may affect them rather than simply attributing the disorders to senescence as was frequently done in the past *Mental Health and the Elderly A Social Work Perspective* is a comprehensive guide to diagnosis and treatment of the range of disorders affecting the elderly

Psychiatric Disorders in Old Age J. A. Whitehead,1974 *National Library of Medicine Current Catalog* National Library of Medicine (U.S.),1971 First multi year cumulation covers six years 1965 70 *Functional Psychiatric Disorders of the Elderly* Edmond Chiu,David Ames,1994-09-22 Until recently the literature has sadly neglected the commonest disorders of old age which lacking a demonstrable organic basis have tended to be called functional Professor Chiu and Dr Ames provide us with the first comprehensive text to deal with all the non dementing psychiatric disorders in a practical guide and exhaustive reference *Interfacing psychiatry and somatic medicine and confronting the issues of co morbidity* this text clearly outlines our core knowledge about clinical problems discussing appropriate treatments and highlighting areas for future research Along with case histories which bring much of the detail into lively focus chapters are neatly cross referenced and are rich in practical advice for multidisciplinary management strategies A unique group of contributors of international renown includes members of a number of allied health disciplines relevant to old age psychiatry This text is sure to be of widespread interest to all professionals concerned with the health of older people Health Education Marion C. Chafetz,1981-06-30 Summary 1197 entries to books dealing with current topics of disease prevention and health promotion
