and tending the chickens at Duncan's homestead she wonders Could this man her rescuer so godlike in her eyes so much older than she expect her to become his helpmeet Tentatively Dossie begins to put down roots until a shocking act of violence propels her away from Russell's Knob and eventually into the mayhem of New York City's mean streets With the same storytelling brio that distinguished the acclaimed novels *River Cross My Heart* and *Stand the Storm* Breena Clarke weaves a richly dramatic story of interracial harmony in the Civil War era and of one woman's triumph in the crucible of history

to the kinds of white self examination that make empathy possible The result is a groundbreaking text that challenges the trend of focusing on society s failures in achieving cross racial empathy and instead explores possible avenues for change
