treatment of the reception of Bly's work during the past thirty years and analyses the various critical methodologies that critics have applied to Bly's work during the course of his long and varied career      *What Have I Ever Lost by Dying?* Robert Bly, 1992 From the author of the 1 New York Times bestseller *Iron John* comes the first complete collection of his moving and evocative prose poems In each of these brief pieces Bly brings natural life and human life together with his inimitable gift of language gently reflecting on the human condition and modern life      **This Body is Made of Camphor and Gopherwood** Robert Bly, 1977      **Critical Essays on Robert Bly** William Virgil Davis, 1992 Three dozen reviews and essays examine particular works and overall themes of contemporary American poet Bly documenting the reception of his work at the various stages of his career Some are reprinted others commissioned for the volume Annotation copyright by Book News Inc Portland OR      **Understanding Robert Bly** William Virgil Davis, 1988      *Talking All Morning* Robert Bly, 1980 A collection of eighteen interviews nine poems and three essays that profile the life and career of poet Robert Bly      **The Incorporative Consciousness of Robert Bly** Victoria Frenkel Harris, 1992 Victoria Frenkel Harris traces the aesthetic journey of poet Robert Bly from his early structured works of mystical imagery and lyrical landscapes to his recent explorations of intimate relationships and male socialization Examining the various ways Bly's prose poems articulate his opposition to the Vietnam War and his recent writings manipulate more formal patterns in detailing the intricacies of human relationships Harris labels this evolution in form subject and imagery the incorporative consciousness incorporative because it assimilates Jungian psychological categories international poetic traditions and a compelling breadth of topics Harris relies in part on contemporary feminist theory to throw revealing new light on Bly's recent works Though sympathetic to Bly Harris finds that in spite of his affirmation of the interaction of psychic creative and intellectual energies in both sexes the poet's later erotic poems tend to objectify women in counterproductive ways Bly's idealization of woman as a Jungian universal Harris contends can blind him toward actual women Harris is at her best as she delimits with balance and precision the full complexity of the poet's work      **My Sentence Was a Thousand Years of Joy** Robert Bly, 2009-10-06 Readers have found Robert Bly's ghazals startling and new they merge wildness with a beautiful formality The ghazal form is well known in Islamic culture but only now finding its way into the literary culture of the West Each stanza of three lines amounts to a finished poem God crouches at night over a single pistachio The vastness of the Wind River Range in Wyoming Has no more grandeur than the waist of a child The ghazal's compacted energy is astounding In a period when much American poetry is retreating into prosaic recordings of daily events these poems do the opposite *My Sentence Was a Thousand Years of Joy* is Robert Bly's second book of ghazals The poems have become more intricate and personal than they were in *The Night Abraham Called to the Stars* and the leaps even more bold This book includes the already famous poem against the Iraq War *Call and Answer* Tell me why it is we don't lift our voices these days And cry over what is happening The poems are intimate and yet reach out toward the world the paintings of Robert Motherwell the intensity of Flamenco singers the sadness of the gnostics the

delight of high spirits and wit This book reestablishes Bly's position as one of the greatest poets of our era After many years of free verse in American poetry years which have been very fertile the inventive ghazal helps the imagination to luxuriate in a form once more We are seeing a poetry emerge that is recovering many of the great intensities that modern art and poetry has aimed at and achieved in earlier generations     *Robert Bly* William H.
