Camilla Chafer,2014-11-30 When Lexi gets the gig to find the blackmailer extorting thousands of dollars from the country's hottest girl band it's a dream come true. However, rubbing shoulders with the rich and famous isn't as much fun as she hoped. Instead of four cool young women with a squeaky clean image eager to aid her investigation, Lexi is faced with squabbling and fighting and a band who will do just about anything to hinder her search for the truth. Before she even gets started, disaster strikes and one of the band is found dead, a knife in her back. Has the blackmailer graduated to murder? With one of the band dead and another the chief suspect, Lexi must unveil the secrets the band are hiding from their adoring public. As their secrets slowly come out and the press descend on Montgomery, Lexi must find the culprit and fast before disaster strikes again. While the band has serious problems to contend with, Lexi's personal life takes a puzzling turn as her boyfriend, slash boss and best friend, start behaving very strangely. Lexi must find out what's going on with the two most important people in her life and hold down the trickiest investigation of her career.

Never Mind Nirvana Mark Lindquist,2001-08-21 Hip deep in music, *Never Mind Nirvana* is a telling inside view that perfectly captures the rhythms and sights of late nineties Seattle. Peter Buck, guitarist of R.E.M., Pete Tyler is at a crossroads. Eight years ago he dropped out of a seminal Seattle grunge band to try his hand at a more grown-up calling. Now he's thirty-six, almost forty, a deputy prosecutor, a suit still hanging out at the same clubs he played ten years ago, the ones that haven't shut down and still dating the same kind of girls except now they tell him how much their older sisters loved his band. Pete decides it's time to get married; he just doesn't know to whom. Possibilities include Beth, his first love who has disappeared; Winter, his on and off stripper girl friend who has been living the grunge life too long; and Esme, a Sub Pop A/R executive who has some life decisions of her own to make. When a date rape case lands on his desk, the accused is a local rocker, Pete's age, the accuser an eighteen-year-old from the scene. Pete finds his past and present facing him from both sides of the aisle and he finally has to decide where he stands. Pete Tyler is a cooler version of Everyguy and *Never Mind Nirvana* is a hilarious and unexpectedly moving story of a man with one foot stuck in adolescence and the other planted in adulthood. Richly textured with references to classic rock and the music of Seattle's legendary alternative rock scene, it is also a fascinating bittersweet riff on a particularly American zeitgeist.

Valiente A.G. Castillo,2024-07-29 Sometimes heroes must sacrifice the present for the future. After transitioning into his ancestral spiritual life, Chente Jimenez is at a crossroad yet again. His newfound supernatural gifts have distanced him from his boyfriend Aaron Doss, and worse yet, unleashed the diabolical revenge of a demonic spirit from hell on the Jimenez family, leaving one close to death. To further complicate matters, Chente's best friend Jimmy Davis is found barely alive at a gay conversion camp in Kentucky, one run by the Ku Klux Klan. His condition is the direct result of the harsh brutality he endured at the hands of cult leader the Reverend. Jimmy's return to Avalon disrupts the small town's social order as his unhinged and erratic behavior drives a deeper wedge between Chente and Aaron. As Chente searches his heart for answers, he faces lingering doubts about his destiny, angry ghosts seeking retribution, and a hooded figure that threatens the happiness of his

family and friends His poignant journey will force him to surrender to the past embrace the present and safeguard the future

When Fear Is Not an Option David Doctor,2013-12 Fear is the driving component to either move you forward or to stop you in your tracks The choice is always yours you can turn around and run away or you can move toward that which you fear Failure is an option fear is not When you turn from the wall of fear and go back to your comfort zone life still goes on but you miss out on everything that is on the other side of the wall all the opportunities that may come from going through the wall and struggling past your fear Fear is not an indicator that you are doing the wrong things that you don t have talent education or that you are in the wrong place Many times in life you can be on the right path pursuing your dreams but you are scared to death

Kaps Christina Bauer,2020-06-30 Sometimes you just have to punch a shape shifting vampire Nazi Like tonight for instance Meet Princess Kaps renegade dragon shifter and general pain in her royal parent s backsides Although Kaps pretends to love rock and roll she s actually obsessed with fighting the Audax a group of shape shifting vampire Nazis And to slay herself some vampires Kaps collects magical dragon relics Enter the L Griffe AKA the shifter mafia who also hunt down supernatural artifacts Kaps gets in their way and ends up with a price on her head And things get tricky A bounty hunter named Mack comes to collect Although he s human Mack knows all about shifter ways And what he lacks in shifting power Mack more than makes up for with a lethal

combination of looks strength and smarts After luring the princess away with an epic kiss Mack slaps some supernatural handcuffs on Kaps tosses her in a van and heads off to L Griffe headquarters with his quarry The fact that Kaps is really dragon royalty doesn't bother Mack in the slightest And the Audax don't frighten him either But that kiss with Kaps It might be a problem I am super intrigued by Kaps She is independent snarky and adventurous and just a hint jaded I can't wait to see what terrible mischief she finds herself in during her own book Smada's Book Smack Angelbound Offspring 1 Maxon 2 Portia 3 Zinnia 4 Rhodes 5 Kaps 6 Mack 7 Huntress 8 Gage *New York Magazine*, 1986-07-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Last Virgin Alive* Stephanie Crosby, 2016-12-20 Hi My name is Symphony and I'm still a virgin sadly I mean I've had crushes I've had ex boyfriends and others but they didn't do anything Hell I even befriended a slut in high school but the guys that she brought were disgusting I don't know how she even dealt with them but then again she didn't have any morals herself I mean why would she be a slut if she had sense Sluts don't have sense I mean that's unheard of Then again I was looking for love because all I ever wanted was love almost the type of love my dad gives me but without the whole he's related to me thing Yeah my dad is related to me so he has to be nice to me My dad is paying my bills while I'm in school For that I am grateful for him I love him to death even though he watches soap operas General Hospital to be exact Does he know that I watch soap opera clips on YouTube No he doesn't need to know **Girl at the End of the World** Elizabeth Esther, 2014-03-18 I was raised in a homegrown fundamentalist Christian group which is just a shorthand way of saying I'm classically trained in apocalyptic stockpiling street preaching and the King James Version of the Bible I know hundreds of obscure nineteenth century hymns by heart and have such razor sharp modesty vision that I can spot a miniskirt a mile away Verily verily I say unto thee none of these highly specialized skills ever got me a job but at least I'm all set for the end of the world Selah A story of mind control the Apocalypse and modest attire Elizabeth Esther grew up in love with Jesus but in fear of daily spankings to break her will Trained in her family run church to confess sins real and imagined she knew her parents loved her and God probably hated her Not until she was grown and married did she find the courage to attempt the unthinkable To leave In her memoir readers will recognize questions every believer faces When is spiritual zeal a gift and when is it a trap What happens when a pastor holds unchecked sway over his followers And how can we leave behind the harm inflicted in the name of God without losing God in the process By turns hilarious and heartbreaking Girl at the End of the World is a story of the lingering effects of spiritual abuse and the growing hope that God can still be good when His people fail Includes reading group discussion guide and interview with the author *Memoirs of the Harvard Dead in the War Against Germany* Mark Antony De Wolfe
