Struggle for Control of the Hinterland of the Bight of Biafra Dr. Frank Nwabueze Ihekwaba, 2016-02-23 This book tells the story of the people of Igbo land at the middle of the nineteenth century when Europe and Europeans held the dominant power over the lives and affairs of many peoples in Africa This dominance however was never supposed to be total or absolute Nevertheless it managed to cast a constricting shadow with its associated if unhealthy ambience on the day to day lives of the people using the overwhelming military and economic power at its disposal at a time when Africans were either recovering from five hundred years of stupor brought on by its own dark ages AD 1100-1600 or the shock and paralysis that followed the Moroccan Mohamedan and Spanish mercenary assisted mayhem and chaos of 1591 against the African kingdoms of West Africa But the white man would soon lose most of his political and economic opportunities and some of the absolute attributes he had mustered over the years the moment Britain and the other European races saw themselves as divinely appointed to right the wrongs of mankind He would from then on render himself vulnerable to the tide of African enlightenment and progress which was then building up everywhere once the trade by which he had gained his ascendancy over the other races of mankind began to decline In addition European ascendancy witnessed an unusual reversal of luck when its residual strengths recently boosted with the development of some newer types of weaponry the Maxim machine gun in the UK 1883 and the Mauser Machine gun 1891 in Germany weapons whose astonishing power and versatility had not previously been seen or tested in any battlefield became more widely available to European and non European troops These however could not provide definitive answers to all the tactical and strategic imperatives of the developing new battlefield which European armies had sought Nevertheless these new weapons became celebrated after they were successfully used to hold the line and repel hordes of brave native fighters armed only

with machetes and spears South Africa and bows and arrows Kitcheners Sudan enabling British forces to claim easy victories over the native forces several Victoria Crosses would be won on both battlefronts by the British army The success of the campaigns clearly went to the heads of the victorious army commanders Thus were sown the seeds that would grow leading to the idea of invincibility of the white man in the battlefield and the tragic events that preceded the First World War

Monster Friends' Spooky Adventure AQEEL AHMED,2023-08-29 Monster Friends Spooky Adventure Summary about this story Finn Frankenstein s monster Vlad the cool Dracula and Casper the funny ghost were strange friends who went on an amazing journey in a dark neighborhood where shadows whispered and mysteries were everywhere What started out as a strange mystery turned into a journey of coming together learning more about each other and falling in love with friendship As the three friends went through hard times and learned new things their friendship grew stronger They taught everyone that differences can be honored and that being together is a strong force Each time they went on an adventure they laughed solved puzzles and brought joy to a neighborhood that used to be scary Because they were there a secret house became a sign of link and the fact that they were all together made monsters vampires ghosts and humans want to celebrate They showed that with teamwork knowledge and a lot of heart even the scariest puzzles could be solved Finn Vlad and Casper left a mark on the neighborhood which helped build a sense of community and friendship that lasted for years Their adventures

not only changed their lives but also the lives of everyone they met They showed that the power of friendship could bring light to even the darkest places As the story's pages turned the companions' legacy lived on leaving behind a happy reflection that in a world full of monsters and mysteries the greatest magic of all was the enchantment of friendship Friendship was a bond that crossed divides overcame problems and brought happiness to the hearts of those who had it How the story started Once upon a time Frankenstein's monster and Dracula lived together in a dark neighborhood that was hidden between the clouds and the moonlight Even though the area was known for being creepy the monster and the vampire still became friends Finn was Frankenstein's monster He had a big heart and was very tall With bolts sticking out of his neck and a patched look he often felt like he didn't belong in the neighborhood People avoided him because he looked scary and they thought he was a dangerous animal Finn wasn't as rough as he looked He was gentle interested and kind He liked it when things were quiet and he could hear the leaves moving and howls from far away Dracula or Vlad as his friends called him lived in the next house which was a beautiful place People liked him because he was charismatic and interesting Vlad liked to put on a show He wore beautiful black clothes and a dramatic cape Even though he seemed educated Vlad was lonely There were bad things about being immortal and Vlad wanted to talk to someone who could understand what it meant to be immortal One tragic night under the light of a full moon their paths crossed Finn was walking through the graveyard and the tombstones echoed with the sound of his steps While this was going on Vlad stood on top of his house with his cloak gently flapping in the wind and watched the ghostly scene When their eyes met across the distance they were both curious and surprised to see each other Finn went to Vlad's house because he was curious which was in line with his kind nature The sound of his steps on the cobblestone road let Vlad know he was coming and he slid down like a shadow Vlad nodded and said Good evening in a polite tone Finn managed a nice smile even though the vampire's look had shocked him Hi my name is Finn he said Vlad's lips turned into a real smile revealing his sharp teeth No problem My name is Vlad Why are you in my humble home Finn stopped for a while and his bolts moved nervously Your mansion has always interested me it seems interesting Vlad gave a soft melodic laugh that had a hint of fun to it Yes that is interesting Would you like a tour So they became friends after taking a tour of Vlad's home Finn was blown away by the mansion's beautiful furniture huge library full of old books and stunning view from the tower As the hours went by they told each other stories about their lives goals and dreams Finn said he wanted to be understood and Vlad talked about the pros and cons of being eternal Over the next few weeks their friendship grew stronger When Vlad wanted to come out of the dark Finn would help him get there and Vlad would tell Finn stories about his adventures in the past They laughed together walked around the cute neighborhood and even made a small garden in the mansion's back yard One day as they watched the sun set behind the hills Vlad turned to Finn You know my friend I've been around for a long time but it's only through our friendship that I've really learned what it's like to have a friend Finn nodded and the stitches on his face turned into a real smile You've also shown me that looks can be deceiving and that understanding

and kindness are the foundations of real friendships As their friendship grew the scary neighborhood became full of laughter companionship and a feeling of belonging Finn and Vlad became models of community for the people who lived there They showed them that even the most unlikely people could form bonds that surprised everyone So in the middle of a neighborhood where shadows told secrets and the moonlight painted stories of mystery an unbreakable relationship between a monster and a vampire showed everyone that understanding acceptance and kindness were the real magic that could break down any barrier As the moon kept shining its golden rays changing the neighborhood for the better the sounds of their laughter and the warmth of their friendship filled the creepy area With each passing day Finn and Vlad s friendship got stronger which changed the whole creepy neighborhood Once secretive there is now a sense of community and being open People began to understand that everyone had their own stories and traits that made them unique Finn s big strong hands were a comforting sight when he helped his friends fix their houses or take care of their gardens Myths about him had been around for a long time but his kindness and willingness to help put an end to them Children would rush up to him and ask him about the bolts in his neck and what he had done Vlad s personality was so appealing that he brought animals from all walks of life to neighborhood events The night parties became a way for people to come together and learn to accept differences People who used to be afraid of him at night now wanted to be with him so they could hear his stories about the past and be amazed by how well he spoke The friendship between Finn and Vlad had a lot of great effects over time The area changed a lot and grew into a lively happy place to live Monsters witches ghosts and all kinds of animals joined forces to help each other They shared their skills and learned from each other But when Halloween came a new mystery cast a dark cloud over their happy neighborhood Strange things started to happen candy bowls started to disappear from the front steps scary voices started to echo through the night and pumpkins started rolling down the streets on their own The creepy vibe got worse and the neighbors started to feel scared One moonlit night the friends talked about the scary things that had happened while sitting around a campfire in Finn s yard Vlad thought It looks like a mischievous spirit is at work as he kept tapping his chin with his fingers Finn nodded his head Finn and Vlad told their new friends witches with potions goblins with sharp senses and even a friendly werewolf who was great at scent tracking that they should help them solve the mystery The crew went on a trip to find out what was going on and bring peace back to their favorite town As they explored the eerie area they came across magical scarecrows that turned out to be friendly mischievous ghosts who were lonely and wanted to be noticed The team worked together and thought outside the box to come up with a plan for a big Halloween parade that would include everyone The scarecrows would share the stage and feel like they were important The night of the show came and everyone on the streets was excited People of all ages dressed up in their most creative outfits came together Finn Vlad and their friends led the neighborhood parade which was full of music laughter and a feeling of connection The scarecrows joined in their once mean spirits now filled with happiness Finn and Vlad spoke to the crowd as the parade was coming to an end and

the moon was shining brightly Finn said We ve shown tonight that unity and understanding can beat any mystery or fear Vlad went on to say We are a diverse community and each of us is unique By accepting each other we ve turned our scary neighborhood into a place of warmth friendship and shared joy The crowd s roar was so loud that it could be heard all night and beyond The message was clear with friendship teamwork and acceptance even the scariest scenarios could be turned into times of connection and celebration So in the middle of their creepy neighborhood Finn and Vlad s strong friendship not only brought them happiness and understanding but also sparked change Their story became famous and was told from generation to generation to show how friendship can change lives and communities In the end the spooky feeling of their neighborhood stayed but it was now joined by laughter harmony and a sense of belonging that they would cherish for decades to come One cold night Frankenstein s monster and Dracula were having a quiet night in their strange homes The wind was whispering secrets and the leaves were rustling The moon s sparkling light came in through their windows and lit up their nice rooms Finn the name people gave to Frankenstein s monster found a place to stay in an old stone house hidden among old trees His house was a safe place full of old books and high tech tools that he had built himself Finn sat in his favorite couch while the fire in the fireplace made shadows move across the walls His bolted neck and stitched skin made him unique but his heart was kind and caring He often got lost in books about people s feelings and adventures because he wanted to know more about the world than what he saw Dracula who was also known as Vlad lived in a beautiful house at the end of a long winding driveway just a few blocks away His home was very fancy with velvet curtains old furniture and beautiful candelabras in each room Through the big windows the moonlight came in and made interesting patterns on the walls Vlad leaned back in his beautiful chaise lounge and read a book of poems Even though he was usually known for his sharp teeth and shiny appearance he was actually very lonely inside That night as the moon hung low in the sky and the stars sparkled like pearls there was a feeling of unease It was as if the night itself had a secret that Finn and Vlad needed to find out Finn looked out the window His eyes didn t match so the moonlight reflected off of them He wondered what was outside the pages of his books and outside the walls of his hut He wanted to travel the world as much as the fall wind wanted to pull at the leaves on the trees Vlad on the other hand sat on the balcony of his house and looked up at the night sky with deep thought The stars seemed to tell him stories of adventures and he had a strange desire to do something other than live forever He felt like the moonlight was calling him and the allure of the unknown pulled him in Finn and Vlad didn t know it but they both needed something more in their lives that night something to break up the routine of being single It was a desire that led them to an unexpected meeting and bond that would change their lives for good As the night went on the moon got brighter giving off a strange light that filled the area Finn and Vlad left their homes at the same time both of them wanting to know what was going on At an intersection made of cobblestones where the moon was watching over them their paths met Finn said Good evening smiling and nodding politely Vlad smiled and his eyes lit up with interest A chilly night to

be out and about They said nice things to each other and their conversation went as smoothly as the moonlight They felt an unexpected link with each other a closeness that went beyond how they looked and what other people thought of them Would you like to walk with me Vlad asked pointing to the path that wound through the trees and was lit by the moon *Monster's Pet* Gina Kincade,Erzabet Bishop,2024-09-10 The magic at Blackthorn Academy is dwindling What s a witch to do After a relaxing Christmas at Doyle Manor with her monster mate the drama of Blackthorn Academy feels heightened Siobhan is done with mysteries but unfortunately they aren t done with her The magic enhancing ley lines on the Island have disappeared sending the supernatural community into a tizzy When Siobhan and Aiden take a forbidden walk through the Dark Forest to get away from the gossip they find an adorable baby animal What is it and can they protect the poor little motherless being long enough to find out The only thing her classmates are more excited about is their class trip to Atlantis but will they be able to go *Monster s Pet* is book fourteen in the Blackthorn Academy for Supernaturals shared world featuring a determined curvy witch with an uncanny ability for solving mysteries a broody fire monster with a slightly possessive streak a precious orphaned furbaby and more *Monster s Pet* is a continuation from *Monster s Delight* and *Monster s Mystery* Please read those books in order before delving into *Monster s Pet* **Merlin's Magical Mysteries** Molly Fitz,2021-06-14 This zany series by USA Today bestselling cozy mystery author Molly Fitz will have you laughing out loud Merlin is just your ordinary everyday Maine Coon Except he s a witch With a human familiar In the sleepy Georgian town of Elderberry Heights danger lurks around every counter but the laughs are never far behind Join Merlin and his sidekick Gracie as they fight off evil ex girlfriends vicious ghosts and even a horde of zombie squirrels If you love quirky humor and madcap magical adventures then you do not want to miss this hot new series from a USA Today bestselling author Here it is This is your chance to binge read the full trilogy *Merlin Takes a Familiar* *Merlin Fights a Ghost* and *Merlin Kills a Zombie* in this special boxed collection Enjoy Keywords cozy mystery books cozy mysteries murder mystery books small town secrets magic spells elemental power witches and familiars magical mysteries paranormal cozies arthurian fantasy southern mysteries fantasy book series For fans of Addison Moore Nic Saint Trixie Silvertale Katherine Hayton CeeCee James Leighann Dobbs Sara Bourgeois Samantha Silver J L Collins Corrine Winters Elle Adams Mara Webb D Watts Nyx Halliwell Leanne Leeds Clementine Moore Chris Behrsin Constance Barker
