**The Rocking Chair Murders, and Other Stories** L. W. Jonson, 1983

**Nightcap and Other Stories** Paul John Hausleben, 2020-09-08

Romantic and captivating. Intriguing and puzzling. Fun and entertaining. These words all describe this collection of fantasy stories. Nightcap and Other Stories. The Fantasy Collection is a collection of three novellas from the master storyteller Paul John Hausleben. Nightcap. The title story is a mind bender and a story of the unexplained. This novella tells the story of the strange events that occur when a lonely and road weary but successful traveling salesman wanders into a hotel bar late one night for a simple nightcap to shake free of the boredom of traveling on the road and to help him sleep. From there the story takes a surprise turn and in the end the theme of the story is really about finding true love beyond time and comprehension while bending your mind and leaving you guessing as to how it all began and more importantly where it all ends. The Kingdom of Aedan. The second novella is a fantasy story for children of all ages. It is a story full of knights and heroes of courage and honor guided by a wise wizard and outwitting a crestfallen king in order to save good and eliminate evil. All narrated by one of the author's most beloved characters. This story is great reading fun and adventure for everyone from the ages of five to one hundred and five. The Lamp upon the Table. The final story concludes this remarkable collection with a ghost story embedded within hackneyed old legends and folklore heavily laced with romance and concluded with a surprise ending that is sure to make you scratch your head and wonder. Of course Paul John Hausleben adds his own special touches to the stories and the author caps it all off with an afterword detailing his own strange experiences while composing the book. The entire collection is a magical ride through the world of fantasy and the unknown and is sure to please readers of the author's fantasy work as well as fans of his other genres.

**In the Chair** John Brown, 2002

All of the poets interviewed in this collection are from Northern Ireland, all were born after 1920, and each has published at least one volume of poetry. Arranged chronologically by each poet's date of birth, this collection deals with an impressive body of work. The poets include Seamus Heaney, Paul Muldoon, Michael Longley, John Montague, Derek Mahon, Ciaran Carson, as well as less known voices including Gerald Dawe, Roy McFadden, and Conor O'Callaghan. The interviews explore the poet's work and development, the social/historical context, and the impact of assimilated influences. If they explore a poetry often rooted in the North, they also suggest the individuality and diversity of this poetry, of work whose imaginative range is not circumscribed by either literal borders or critically convenient categories. The other poets included are James
