Ramesh Chandra Majumdar, 1977 This is a comprehensive intelligible and interesting portrait of Ancient Indian History and Civilization from a national historical point of view The work is divided into three broad divisions of the natural course of cultural development in Ancient India 1 From the prehistoric age to 600 B C 2 From 600 B C to 300 A D 3 From 300 A D to 1200 A D The work describes the political economic religious and cultural conditions of the country the expansionist activities the colonisation schemes of her rulers in the Far East Political theories and administrative organizations are also discussed but more stress has been laid on the religious literary and cultural aspects of Ancient India The book is of a more advanced type It would meet the needs not only of general readers but also of earnest students who require a thorough grasp
