Mai Affair A Story And Its Lebons Pb:

Australian Book Review ,2006 **A Checked Love Affair** Paul Ford,2014-09-28 THE stories are in the vein so characteristic of the late Paul Ford whose untimely end is to be more and more regretted as we go back and read these breezy delicately wrought pieces of fiction which flowed so readily from his pen A Checked Love Affair is the story of a betrothal a quarrel and a reconciliation all told with charming naivete and a full coloring of that peculiar quality which makes lovers at once so interesting and so shall we say ridiculous The Cortelyou Feud is the tale of a dinner party at which Fate or rather a blunder of the hostess causes two members of an estranged family to sit together Their jesting attempt to disarm gossip results in their falling in love whereas the feud at least the family feud is ended They are bright witty social studies amusing and expertly told and the manner of their being put into one volume has resulted in a in book of more than usual attractiveness Mr Harrison Fisher has done some very beautiful drawings from which the illustrations have been reproduced in photogravure The Book News Monthly Volume 22
