now they want you with no flaws so that they don't have to waste time taking the errant behavior out of the individual in order to put their wants and needs and desires into him. They don't want to do the heavy lifting anymore. We haven't won a war since the middle forties so I wouldn't know, but I've been told by people who were there that in the end it is the individual marine with a rifle and fixed bayonet who closes with and kills his enemy. That takes a bad boy who is used to doing the heavy lifting and the dirty work, but we have special units in almost every branch of the service that are trained specifically to do the heavy lifting and the dirty work.
