Mine Boy Peter Abrahams,2022-11-29 One of my all time favourite novels Tsitsi Dangarembga The first African novel in English to draw international attention New York Times The forerunner of an entire school of African literary art Sunday Times And the black man and the white were like two men alone in the world Xuma will never forget the day he arrived in the Johannesburg slums the charismatic woman who takes him in the brutal police raids the fights friendships dancing drinking and romances yet it soon feels like home But when he becomes a leader in the city's gold mines he is shocked by the racist treatment of the labourers And as he begins to question whether man could be without colour Xuma stages an act of defiance that changes his life forever In 1946 Peter Abrahams classic novel Mine Boy exposed South Africa's fledgling racial apartheid system and townships to the world and its wisdom vividness and political power endures to this day What readers are saying Beautiful memorable characters I've remembered since my childhood These are the kind of stories that make the world better for having been written A seminal work of African fiction Prose as unadorned as Solzhenitsyn or Hemingway I can still recall Xuma almost 20 years later A beautiful book An unsung gem amazing Its simplicity makes the story such a dramatic tale
