*The Fastest Bicycle Rider in the World* Marshall W. Taylor, 2023-03-07. The true story of Marshall Major Taylor, who overcame racial prejudice to become one of the most dominant cyclists in history. Part of Belt's Revival series and with an introduction by Zito Madu. *The Fastest Bicycle Rider in the World*, which Taylor self-published in 1928, gives a riveting first-person account of his rise to the highest echelons of professional cycling. Born in Indianapolis, he eventually became the first African American cycling world champion, going on to set seven world records in the sport. Readers will learn about Taylor's exploits as an athlete, including his early taste of success in a grueling six-day race, his unparalleled dominance as a sprinter, and some of his most bitter defeats. But the man who achieved international fame as the Black Cyclone also details the extreme prejudice he faced both on and off the track. It's a story about one of the greatest athletes in American history but also a moving testament to Taylor's resilience and determination in the face of overt racism and seemingly impossible odds. As he tells us himself, "I am writing my memoirs in the spirit calculated to solicit simple justice, equal rights, and a square deal for the posterity of my down-trodden but brave people, not only in athletic games and sports but in every honorable game of human endeavor."

**Major Taylor** Andrew Ritchie, 2017-08-03. Updated trade paperback edition of previously released 2nd edition of same title. A well-researched and vivid account of the life and times of one of the first internationally acclaimed black athletes, Major Taylor, who was billed as the fastest bicycle rider in the world around the turn of the 20th century. Touches on his struggles in America as a black athlete and his recognition abroad. Illustrated throughout with period photographs.

**Major** Todd Balf, 2008-02-26. At the turn of the 20th century, hundreds of handsome, lightning-fast racers won the hearts and minds of a bicycling-crazed public. Scientists studied them, newspapers glorified them, and millions of dollars in purse money was awarded to them. Major Taylor aimed to be the fastest of them all. A prominent black man at a time when such a thing was deemed scandalous, his mounting victories, high moral virtue, and bulletlike riding style made him a target for ridicule from the press and sabotage by the white riders who shared the track with him. Taylor's most formidable and ruthless opponent, a man nicknamed the Human Engine, was Floyd McFarland. One man was white, one black, one from a storied Virginia family, the other descended from Kentucky slaves, one celebrated as a hero, one trying to secure his spot in a sport he dominated. The only thing they had in common was the desire to be named the fastest man alive. Their rivalry riveted first America and then the world. Finally, in 1904, both men

headed to Australia for a much anticipated title match to decide beyond dispute who would claim the coveted title Major is the gripping story of a superstar nobody saw coming a classic underdog aided by an unlikely crew a disgraced fight promoter a broken ex racer and a poor upstate girl from New York who wanted to be a queen It is also the account of a fierce rivalry that would become an archetypal tale of white versus black in the 20th century Most of all it is the tale of our nation s first black sports celebrity a man who transcended the handicaps of race at the turn of the century to reach the stratosphere of fame     *Bicycling* ,2006-06 Bicycling magazine features bikes bike gear equipment reviews training plans bike maintenance how tos and more for cyclists of all levels     *Major Taylor* James E Mount,2024-10-29 Discover the thrilling story of Major Taylor a young boy who rose above challenges to become the fastest cyclist in the world From his humble beginnings to racing past all limits Major s journey is one of courage strength and perseverance Perfect for young readers this biography brings his incredible achievements to life showing kids that anything is possible when you have big dreams and a lot of heart Ride along with Major Taylor the cycling legend who taught the world what true speed and bravery look like     *Forgotten African American Firsts* Hans Ostrom,J.
