The Case for Zionism Thomas Ice, 2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup

nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day [Answers to Common Questions about Heaven & Eternity](#) Timothy J. Demy, Thomas Ice, Introducing a new series of quick reference guides that answer the most asked questions about the Christian faith Book previously published as What the Bible Teaches About Heaven Eternity [The Future Kingdom of God](#) Fr. Steven Scherrer, 2010-12-01 The kingdom of God is not explained anywhere in the New Testament yet it seems to be everywhere understood No explanation was ever needed and so none was given In The Future Kingdom of God A Present Reality and Our Blessed Hope author Father Steven Scherrer presents an in depth study of the kingdom of God as it appears in the scriptures Based on an edited collection of original sermons and essays revolving around the New Testament doctrine of the kingdom of God this thorough discussion provides a guide for those seeking insight into various aspects about the second coming of Jesus Christ Some of the topics on which the essays reflect include the splendor of the kingdom of God now present as seen in the Churchs Advent and Christmas liturgies the millennial hope as the fulfillment of Old Testament prophecy the enchanted expectation of the Parousia as seen in the Churchs autumn liturgies the longing to be found innocent in holiness at the coming of the Lord Using the scriptures and examples from the Bible The Future Kingdom of God demonstrates how Christians can by faith now live in the splendor of Gods kingdom present in their midst [Israel on High Alert](#) Ron Rhodes, 2023-12-01 What Does the Future Hold for Israel The Middle East has long been spiraling out of control causing global uncertainty and fear What does this turmoil mean for Israel and why has peace been so elusive In this updated and expanded edition of Israel on High Alert author and Bible teacher Ron Rhodes offers a clear view of the situation and future faced by Israel You will explore the causes of the rising conflicts and wars in the Middle East what Scripture says about the ongoing battles and God s plans for Israel how the events in the Middle East affect each of our lives today Touching on everything from mainstream and radical Islam to the current efforts to rebuild the Jewish temple this book will guide you through the past present and God ordained future for the nation of Israel Find assurance in knowing that even amid chaos and uncertainty God s plan is already in action and it will never fail [Will Catholics Be Left Behind?](#) Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on

key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah *Apocalypse Pretty Soon* Alex Heard,2000-01-04 The inspired madness of America s apocalyptic and pre millennial organizations may have reached a fever pitch with the turn of the twenty first century but intrepid cultural traveler Alex Heard spent a ten year period witnessing the crescendo firsthand Heard s enthusiasm led him on errands as diverse as being a voyeur at a Republic of Texas militia standoff accompanying an expectant UFO greeting party to a remote field in Minnesota and enacting the grief of the California quail at an ad hoc therapy group for fierce environmentalists who believe the earth is an actual living entity that s preparing to kill off its human population and soon or at least pretty soon Amazing as it may seem however throughout this trenchant subcultural travelogue Heard never stoops to ridicule his subjects As one reviewer puts it Heard s real achievement may be that he

makes us care in a way that is more than voyeuristic about the colorful characters he meets on the road to the new millennium He takes these people seriously allows his assumptions to be challenged and lets himself find that some of their beliefs and fears reflect his own San Jose Mercury News Apocalypse Pretty Soon will appeal to science fiction fans and students of subcultures as well as anybody interested in way out alternatives to the brave new world Amazing as it may seem however throughout this trenchant subcultural travelogue Heard never stoops to ridicule his subjects As one reviewer put it Heard s real achievement may be that he makes us care in a way that is more than voyeuristic about the colorful characters he meets on the road to the new millennium He takes these people seriously allows his assumptions to be challenged and lets himself find that some of their beliefs and fears reflect his own San Jose Mercury News Now in paperback this book will have an audience well beyond millenniamania from science fiction fans to students of subculture and anybody interested in way out alternatives to the brave new world
