Wilder, 2017-11-28 The growing popular perception today is that the Mormon church as just another denomination within Christianity and representatives of the LDS church often encourage this perspective Despite points of agreement major differences exist on foundational theological matters for example the Trinity as well as social and moral issues such as racial equality As former Mormons turned evangelical Christians each of whom is an accomplished scholar the four contributors to this volume provide a unique and authoritative corrective Each contributor shares his or her story of growing up in the Mormon church and how biblical theological moral or scientific issues forced them to eventually leave Mormonism The contributors draw on the expertise of their respective academic fields to show how Mormon teachings and practice fall short biblically and rationally They also address common objections raised by former Mormons who have lost faith altogether and have embraced atheism or agnosticism especially under the influence of new atheists like Richard Dawkins and Christopher Hitchens *The Challenge of the Cults and New Religions* Ron Rhodes, 2009-08-30 Cults and New Religions Aren't Hard to Find They're in your neighborhood your workplace your school maybe even your family Cults are flourishing across America Chances are you've encountered one perhaps even know someone who is involved in a cult Can you discuss knowledgeably the critical differences between Christianity and the teachings of Mormonism Jehovah's Witnesses Scientology the New Age movement Hindu based cults and other prominent groups and religious movements In this essential resource preeminent cult authority Ron Rhodes explains what cults are why they are cause for concern and why in the 21st century as never before their numbers and memberships are exploding nationally and worldwide Drawing on his extensive experience as a cult researcher Rhodes offers to the point cutting edge information on twelve major cults and new religions Mormonism Jehovah's Witnesses Mind Sciences New Age Movement Church of Scientology Hindu based Cults Unification Church Baha'i Faith Unitarian Universalism Oneness Pentecostalism Masonic Lodge Satanism Learning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter The Challenge of the Cults and New Religion includes Color photos Scripture Index Subject Index Glossary Bibliography And your resources don't end at the last page You can supplement your knowledge whenever you choose by visiting the author's Web site at www.ronrhodes.org for free thorough up to the minute information on each cult discussed in the book If you're concerned for the temporal and eternal welfare of others The Challenge of the Cults is a must It will help you confront the deception of false Christs and lying doctrines with the clear well grounded truth of biblical Christianity **What Do Mormons Really**

Beverly, 2013-03-12 Mitt Romney s run for President of the United States and the recent success of the Broadway play Book of Mormon has created enormous interest in the Church of Jesus Christ of Latter day Saints In spite of enormous media focus during this so called Mormon Moment coverage has been often shallow and misleading even from the LDS Church Few reporters dug deep enough to deal with the evidence that the Mormon Church is in a deep crisis not only because of members leaving but because of increasing proof of lies fraud false teaching and criminality at the start of Mormonism In Mormon Crisis Jim Beverley deals with major issues about Joseph Smith the first LDS prophet He provides a sustained critique of Mormon Scripture examines flaws in the LDS understanding of Church leadership and probes unique doctrines and practices including the secret temple ceremonies The book offers a serious indictment of the LDS belief system but also presents a way out of the current crisis facing one of America s most famous and controversial religions *Major Problems*

them teachers of a different gospel Galatians 1:6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian *Cult Shock* Mark Stengler, 2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah's Witnesses and Mormons when they come knocking *Cult Shock* is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah's Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler's recommended engagement techniques from their years of experience *Cult Shock* provides all the tools you need to proclaim the real Jesus with fearless confidence **Mormons** John R. Zion: Northeastern Ohio or Western Missouri? John J Hammond, 2012-05-30 A DIVIDED MORMON ZION

NORTHEASTERN OHIO OR WESTERN MISSOURI This is Volume III of an epic multi volume work entitled The Quest for the New Jerusalem A Mormon Generation Saga which combines family Mormon and American history focusing upon how the authors ancestors were affected by their conversion to the Mormon religion In Volume I four of the authors ancestral familiesthe Carters Hammonds Knowltons and Spencersand the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York and their religious and occult magic worldviews Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon Church There is a detailed examination of the contentious debate concerning the authenticity of the Book of Mormon and the validity of Smiths 1820s visionary experiences The later chapters describe the movement of Church headquarters from western New York to northeastern Ohio in early 1831 Smiths interest in western Missouri as the site for his New Jerusalem Zion and the conversion of the authors direct ancestor Simeon Daggett Carter Volume III begins with a detailed look at the life of Sidney Rigdon who played a significant role in the development of the Campbellite Reformed Baptist Disciples of Christ Church When he became a Mormon in late 1830 he helped bring about the conversion of hundreds of his friends in the Campbellite movement which caused Joseph Smith Jr in early 1831 to change the headquarters of his fledgling Mormon Church from western New York to northeastern Ohio A remarkable fusion then took place between Mormonism as it had been formulated initially by Smith and the new Campbellite doctrines practices and organization In the summer of 1831 Smith and Rigdon visited Jackson County Missouri and numerous Smith revelations formally designated it as the site for the New Jerusalem Zion where immediately after the city was built Christs Second Coming was to occur The sites for the city and a temple were dedicated at Independence but Smith returned to Ohio continued to live at Kirtland and made the decision to build the first temple there much to the chagrin of the Mormons who had obeyed his revelations and were gathering to Missouri This led to a serious rift between Ohio and Missouri leaders many of the latter Smiths earliest disciples from New York Ancestrally the focus of this volume is upon the four Carter

brothers Simeon John S Gideon and Jared who joined the Mormon Church in the 1831-32 period. While Simeon the author's great great grandfather did not keep a journal and Gideon's journal is very brief, Jared's is one of the most important documents in early Mormon history and John S's shorter journal is also very valuable. Jared was a kind of religious fanatic with utopian views on faith, healing, the power of prayer, and prophecy, yet nevertheless he became president of the Kirtland High Council and a member of the prestigious three-man Kirtland Temple Building Committee. John S became a leader of the Church in the northeastern New York/Vermont region and brought a large company of saints to Kirtland in early 1833. All four Carter brothers became important early missionaries and four separate chapters document their activities.
