When Sparks Fly Helena Hunting,2021-09-21 Charming hilarious and emotional When Sparks Fly is Helena Hunting at her very best Avery Spark is living her best life Between her friends her sisters and Spark House the event hotel her family owns she doesn't have much time for anything else especially relationships She'd rather hang out with her best friend and roommate Declan McCormick than deal with the dating scene But everything changes when she is in a car accident and needs someone to care for her as she heals Declan avoids relationships giving him a playboy reputation that he lives up to when he puts a one night stand ahead of a promise he made to Avery While he may not have been the one driving the car he feels responsible for Avery's injuries and is determined to make it up to her by stepping into the role of caretaker Little did they know that the more time they spend in compromising positions the attraction they've been refusing to acknowledge becomes impossible to ignore When they finally give in to the spark between them neither is prepared for the consequences Their love is fragile and all it will take is a blow from the past to shatter it all

Yes, I Can Say That Judy Gold,2024-04-16 No one makes me laugh harder than Judy Gold If I had to pick one comedian to write a book about free speech it would be Judy Amy Schumer From award winning comedian Judy Gold a concise funny and thoughtful polemic on the current assault on comedy that explores how it is undermining free speech and a fundamental attack against the integrity of the art From Mae West and Lenny Bruce to Richard Pryor and Howard Stern to Kathy Griffith and Kevin Hart comedians have long been under fire for using provocative often taboo subjects to challenge mores and get a laugh But in the age of social media comedians are at greater risk of being silenced enduring shaming threats and damaged careers because of angry censorious electronic mobs But while comedians work has often been used to rile up detractors a new threat has emerged from the left identity politics and notions like safetyism and trigger warnings that are now creating a cultural and political standard that runs perilously close to censorship From college campuses to the Oscars comics are being censored for old jokes long standing comedy traditions unfinished bits and old material that instead of being forgotten go viral For

comics like Judy Gold today's attacks on comics would have Richard Pryor and Lenny Bruce rolling in their graves No one has the right to tell comics what they can or cannot joke about Do you tell artists what they can or cannot paint she asks Freedom of speech is fundamental for great stand up comedy Humor is the most palatable way to discuss a subversive or taboo topic but it better be funny A comic's observations are deliberately delivered to entertain provoke and lead to an exchange of ideas We are truth tellers More important the tolerance of free speech is essential for a healthy democracy In addition to offering readers a quick study on the history of comedy and the arts noting such historical reference points as The Hays Code and the threats to them Gold takes readers on a hilarious ride with chapters such as Thank God Don Rickles is Dead as well as her singular take on micro aggressions such as Person OMG You're a lesbian I had no idea I mean you wear make up When did you become a lesbian Judy Gold Coincidentally right after I met you micro assault In this era of fake news partisan politics and heated rhetoric the need to protect free speech has never been greater especially for comics who often serve as the canaries in the coalmine monitoring the health of our democracy Yes I Can Say That is a funny and provocative look at how safe spaces are the very antithesis of comedy as an art form and an urgent call to arms to protect our most fundamental Constitutional right There's a good reason it was the FIRST amendment Nirvana's Children Ranulfo,2010-09-14 His dad named him Napoleon hoping he'd conquer the world or something Though his world has been a disappointing place After fifteen years Napoleon busts out and takes to the streets He's hoping to find something real something unspoiled by adults But the streets are just aching to eat him alive and Luna Park won't stop laughing in his face He orbits a gang leader who wants to start Armageddon downtown He falls hard for Sammie an astro chick always en route to the moon Mr Bones with his scythe and hood taunts him at every corner and the only way Napoleon can survive is to stay sane in this world gone mad The trouble is what happens if it's all the reverse **Fabulous Food** Pam Schiller,Pamela Byrne Schiller,2006 Children will sing and learn about a variety of foods while exploring nutrition and traditions *You Make Me Feel So Dead* Robert J. Randisi,2013-08-12 Eddie Gianelli faces his toughest challenge yet when he's asked to bodyguard the King of Rock Roll It's 1964 and Elvis Presley is heading to Vegas for the opening of his latest film Viva Las Vegas Although he despises rock roll Frank Sinatra has always had time for Elvis So when Elvis's manager contacts Frank to explain that Elvis is out of control and to request Frank's help in safeguarding him while he's in Vegas Frank calls on Eddie as being just the man for the job At the same time Eddie must find out who put his friend Vegas PI Danny Bardini in hospital and why In order to get to the bottom of the mystery while doing his best to keep Elvis out of trouble Eddie will need to call on his old friends the Rat Pack for help
