Make Room For Twins

C. E. Spaulding, Jackie Clay

Make Room For Twins:

Twin Sense Dagmara SCALISE, 2008-09-10 Although everyone experiences unexpected challenges with the arrival of a new baby the parents of twins face their own unique sets of joys and frustrations As the parent of three children under the age of six including three year old fraternal twins Dagmara Scalise knows firsthand just how daunting that all important first year can be Now in *Twin Sense* she offers real world advice on dealing with the many issues that arise when caring for newborn twins Concise and easy to follow this book shows harried parents everything they need to know including baby proofing stocking up on what they really need preparing and involving previous children breast feeding two babies at once making errands possible getting through the night bathing the babies traveling with twins keeping the peace responding to probing questions about having twins and much more Filled with lively anecdotes and practical advice this is a true insider's guide that will make raising twins a pleasure

My Twin Gilbert Ruley Smith, 2004 The story opens by describing my life in Baltimore before meeting my wife Ruth In mid adolescence I become aware of a strong inner feeling that tells me that the right girl is waiting for me and all I have to do is find her As an only child I am really very lonely and anxious for the companionship of the right girl I spend a lot of time searching for her and getting mixed up with the wrong girls I do indeed find her and discover that she is a twin I begin to date her and court her I find that I am not at all attracted to her twin sister Thus begins my education on the unusual world of twins and the difficulty of getting along with them My relationship with Ruth rapidly develops into true love I develop a very close relationship with Ruth's family Our love is tested when I am drafted into the Korean War After the war it takes a few years for our lives to settle down We get married in 1957 and live with her twin sister and mother Having always lived with her twin sister and family our married life cannot be described as normal Ruth's twin sister gets married and also lives with us Then Ruth and I have two children Our household is crowded The story describes the many changes and adjustments necessary over the years to survive our unusual life with emphasis on the enduring true love between Ruth and I It is our enduring true love that enabled us to not only survive but to lead a life of happiness that was far above and beyond normal

The Culture of the Copy Hillel Schwartz, 2014-11-02 A novel attempt to make sense of our preoccupation with copies of all kinds from counterfeits to instant replay from parrots to photocopies The Culture of the Copy is a novel attempt to make sense of the Western fascination with replicas duplicates and twins In a work that is breathtaking in its synthetic and critical achievements Hillel Schwartz charts the repercussions of our entanglement with copies of all kinds whose presence alternately sustains and overwhelms us This updated edition takes notice of recent shifts in thought with regard to such issues as biological cloning conjoined twins copyright digital reproduction and multiple personality disorder At once abbreviated and refined it will be of interest to anyone concerned with problems of authenticity identity and originality Through intriguing and at times humorous historical analysis and case studies in contemporary culture Schwartz investigates a stunning array of simulacra counterfeits decoys mannequins and

portraits ditto marks genetic cloning war games and camouflage instant replays digital imaging parrots and photocopies wax museums apes and art forgeries not to mention the very notion of the Real McCoy Working through a range of theories on biological mechanical and electronic reproduction Schwartz questions the modern esteem for authenticity and uniqueness The Culture of the Copy shows how the ethical dilemmas central to so many fields of endeavor have become inseparable from our pursuit of copies of the natural world of our own creations indeed of our very selves The book is an innovative blend of microsociology cultural history and philosophical reflection of interest to anyone concerned with problems of authenticity identity and originality Praise for the first edition T he author brings his considerable synthetic powers to bear on our uneasy preoccupation with doubles likenesses facsimiles replicas and re enactments I doubt that these cultural phenomena have ever been more comprehensively or more creatively chronicled A book that gets you to see the world anew again The New York Times A sprightly and disconcerting piece of cultural history Terence Hawkes London Review of Books In The Culture of the Copy Schwartz has written the perfect book original and repetitive at once Todd Gitlin Los Angeles Times Book Review

The Bobbsey Twins at Home Laura Lee Hope,1916 Twins in Society K. Bacon,2010-05-11 This book explores what it means to be a twin and to what extent twins can shape or escape their identities as twins It investigates how social expectations about twins shape twins lives and how twins utilize their bodies space and talk to actively display and perform their own identities *The Bobbsey Twins. Or, Merry Days Indoors and Out* Laura Lee Hope,2023-08-22 Laura Lee Hope s *The Bobbsey Twins Or Merry Days Indoors and Out* is a delightful children s novel that follows the adventures of the Bobbsey family as they navigate both fun filled days at home and exciting outdoor escapades The book is written in a simple and engaging style that appeals to young readers with vivid descriptions that bring the characters and settings to life Set in the early 20th century this novel provides a charming glimpse into family life during that time making it both entertaining and informative for readers of all ages The wholesome and heartwarming nature of the story makes it a timeless classic that continues to captivate audiences today Laura Lee Hope a pseudonym used by the Stratemeyer Syndicate expertly crafted The Bobbsey Twins series to provide young readers with engaging and educational stories The author s background in children s literature and a deep understanding of storytelling are evident in her creation of the Bobbsey family and their adventures Hope s ability to connect with young readers and create relatable characters has solidified her place in children s literary history I highly recommend *The Bobbsey Twins Or Merry Days Indoors and Out* to anyone seeking a nostalgic and heartwarming read that captures the innocence and joy of childhood Laura Lee Hope s timeless tale of family friendship and adventure is sure to enchant readers of all ages and evoke a sense of nostalgia for simpler times **The Bobbsey Twins: Merry Days Indoors and Out** Laura Lee Hope,2015-04-28 A charming chapter book featuring two sets of twins at the turn of the century Jump into the wholesome adventures of Bert Nan Freddie and Flossie two sets of twins that always manage to have fun Share the stories that have delighted children for over a hundred years with a new generation This Xist Classics

edition has been professionally formatted for e readers with a linked table of contents This eBook also contains a bonus book club leadership guide and discussion questions We hope you ll share this book with your friends neighbors and colleagues and can t wait to hear what you have to say about it Xist Publishing is a digital first publisher Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading no matter what form it takes

The Bobbsey Twins Laura Lee Hope,1904 The four twin detectives investigate the mysterious thefts and vandalism that threaten to close a Smoky Mountain crafts market

Gemini and the Sacred Kimberley C. Patton,2022-10-06 Why do twins remain uncanny to those born alone in other words most of us Even with the rise of IVF and an increase in multiple births why do we still do a double take when we encounter twins Why has this been a near universal response throughout human history and how has it played out in religion and myth Through the work of leading scholars in religion folklore and mythology history anthropology and archaeology Gemini and the Sacred explores how twinship has long been imagined especially in the complex relationship of sacred twin traditions to twins on the ground in biology and lived experience The book considers the multiple ways in which the doubling of a human being may be interpreted as auspicious and powerful or suppressed as unstable and dangerous Why has this been so and how does it affect living twins today Treating both famous and lesser known twins including supernatural animal twins in the ancient Near Eastern and classical Mediterranean worlds early Christianity and Gnosticism Vedic Hindu West African Black Atlantic and native American traditions ancient

Mesoamerica Celtic Roman Britain and Scandinavia and in the special fraught bond shared by all twins the book offers a variety of perspectives on this topic of great cultural significance

Her Royal Twins Jadevizz,2021-05-12 Evangeline is an independent and free spirited girl she was happy with the way her life was going she didn t want a mate But fate had other plans for her It blessed her with not a single mate but with two Mates how does she is going to react to the change of events in her life Is she going to accept her destiny of two mates or going to resist the mate bond what happens when fate decided to play her part on Evangeline s destiny with a lots and lots of twists Will Evangeline be able to overcome all the obstacles thrown on her life and embrace her destiny Stay tuned To know further

The Twin Test Rula Sinara,2018-05-01 His twins might be wild But she knows just how to tame them and their father Earthquake expert Dax Calder brings his eleven year old twins to the Serengeti to fulfill a promise to his late wife never leave the girls Meeting free spirited teacher Pippa Harper feels like serendipity She s the perfect nanny for his mischievous twosome even if her definition of rules is slightly different than his But there s one rule Dax never expected to break falling in love again
