Making And Breaking Of Affectional Bonds:

The Making and Breaking of Affectional Bonds John Bowlby,1999 *The Making & Breaking of Affectional Bonds* John Bowlby,1989 A collection of key lectures by John Bowlby which provide an invaluable introduction to his thought and work In addition to the basic principles they contain much practical guidance for both parents and mental health professionals

The Impact of Complex Trauma on Development Cheryl Arnold,Ralph Fisch,2011-10-16 *The Impact of Complex Trauma on Development* describes what happens cognitively and emotionally behaviorally and relationally to people who are repeatedly traumatized in childhood Part One brings together trauma theory with a number of theories of human development It directly addresses and describes developmental pathology and its origins Through powerful examples it conveys to the reader the pain and destruction caused by ongoing trauma abuse and continuous stress Part Two written from the perspective of a clinician who has worked extensively with traumatized children and adults is primarily directed to mental health professionals and graduate students These chapters are devoted to describing how to recognize the pathological consequences of trauma and how to intervene and remediate these developmental deficits The overarching theory is psychoanalytically based and developmental but other treatment approaches are integrated into the therapy when they are developmentally and therapeutically appropriate The text raises important questions related to the development of the self its relationship to therapy and the diagnosis and treatment of complex trauma in children adolescents and adults

Clinical Applications of the Adult Attachment Interview Howard Steele,Miriam Steele,2013-12-09 *The Adult Attachment Interview* AAI is both a mainstay of attachment research and a powerful clinical tool This unique book provides a thorough introduction to the AAI and its use as an adjunct to a range of therapeutic approaches including cognitive behavioral therapy psychoanalytic psychotherapy parent infant psychotherapy home visiting programs and supportive work in the context of foster care and adoption Leading authorities provide detailed descriptions of clinical procedures and techniques illustrated with vivid case material Grounded in research the volume highlights how using the AAI can enhance assessment and diagnosis strengthen the therapeutic alliance and facilitate goal setting treatment planning and progress monitoring *Empathic Care for Children with Disorganized Attachments* Chris Taylor,2012 This book is a practical guide to caring for children and young people with disorganised attachment and related emotional and psychological difficulties

Instinct and Revelation Alondra Oubre,2013-10-11 *Instinct and Revelation* revolves around the hypothesis that ritual behavior and imaginative awareness in early hominids may have helped to spawn the evolution of the human brain and human consciousness Using an integral perspective comparable with systems theory the book carefully interweaves fact and theory from physical and cultural anthropology psychobiology and the brain sciences psychology and to a lesser degree eastern philosophy This book breaks from tradition by discussing from a primarily anthropological perspective the origin of human consciousness within a philosophical framework that embraces precepts from human evolution evolutionary

psychology the neurosciences biocultural anthropology and cultural symbolic anthropology *Method in Madness* Jutta Emma Fortin, 2005 The language of the fantastic left its mark upon many different thinkers in 19th century Europe Marx's comparison of consumer goods to fetish objects works by Villiers de l'Isle Adam or other novelists about machines that assume lives of their own or the diagnoses of psychological illness offered by doctors in Maupassant's tales all blur the lines between scientific description and beliefs in the magical Building upon a wealth of critical studies devoted to the fantastic and upon Freud's theory of the unconscious Jutta Fortin proposes that many classic stories of the fantastic undermine basic psychological mechanisms that are designed to help their users cope with shocking or disturbing events By defining five of these defence mechanisms and analyzing stories by eight writers that both illustrate and subvert such mechanisms Dr Fortin offers reasons why fantastic stories appealed to those readers who wished to better understand human motivations BOOK JACKET *Attachment Theory and Research in Clinical Work with Adults* Joseph H. Obegi, Ety Berant, 2010-06-09 Written with the practicing psychotherapist in mind this invaluable book presents cutting edge knowledge on adult attachment and explores the implications for day to day clinical practice Leading experts illustrate how theory and research in this dynamic area can inform assessment case formulation and clinical decision making The book puts such concepts as the secure base mentalization and attachment styles in a new light by focusing on their utility for understanding the therapeutic relationship and processes of change It offers recommendations for incorporating attachment ideas and tools into specific treatment approaches with separate chapters on psychoanalytic interpersonal cognitive behavioral and emotionally focused therapies

Human Nature and Suffering Paul Gilbert, 2016-08-05 Human Nature and Suffering is a profound comment on the human condition from the perspective of evolutionary psychology Paul Gilbert explores the implications of humans as evolved social animals suggesting that evolution has given rise to a varied set of social competencies which form the basis of our personal knowledge and understanding Gilbert shows how our primitive competencies become modified by experience both satisfactorily and unsatisfactorily He highlights how cultural factors may modify and activate many of these primitive competencies leading to pathology proneness and behaviours that are collectively survival threatening These varied themes are brought together to indicate how the social construction of self arises from the organization of knowledge encoded within the competencies This Classic Edition features a new introduction from the author bringing Gilbert's early work to a new audience The book will be of interest to clinicians researchers and historians in the field of psychology Interpersonal Psychotherapy 2E A Clinician's Guide Scott Stuart, Michael Robertson, 2012-08-31 This book provides a very useful and thought provoking account of a developing form of interpersonal psychotherapy and gives a clear guide for practising clinicians Psychological Medicine First published in 2003 this groundbreaking text firmly established itself as a touchstone for all therapists using interpersonal psychotherapy IPT Key features and benefits A wealth of clinically based descriptions and vignettes help bring the theory to life Numerous case studies highlight the key issues in IPT Reproducible diagrams and
