for many years and has long been perceived as a specialist subject accessible only to professional printers and textile artists due to the high cost of the screens and inks. Recently however screen printing has entered the mainstream and the equipment and tools have become more affordable and accessible. In this Beginner's Guide to Screen Printing Erin Lacy shows you how to make your own screen using an embroidery hoop and silk fabric and demonstrates how to create beautiful designs that are easy to achieve. Discover how to print onto different surfaces such as wood, cork and fabric and create twelve stunning coastal and botanical themed projects through bright and colourful step by step photography. The book includes templates and inspiration on how to design your own screen printing motifs.
