Investments in Drag King Cultures Kerry Drysdale, 2019-05-24 This book takes the globally recognised phenomenon of drag king performances as an opportunity for critical inquiry into the rise and fall of an urban scene for lesbian and queer women in Sydney Australia circa 1999 2012 Exploring how a series of weekly events provided the site for intimate encounters Drysdale reveals the investments made by participants that worked to sustain the sense of a small world and anchor the expansive imaginary of lesbian cultural life But what happens when scenes fade as they invariably do *Intimate Investments in Drag King Cultures* is unique in capturing the perspective of a scene at the moment of its decline revealing the process by which a contemporary movement becomes layered with historical significance Bringing together the theoretical tradition of scene studies with recent work on the affective potentialities of the everyday and the mobile urban spaces they inhabit this book has appeal to scholars working across gender sexuality and culture **Why Marriage** George Chauncey, 2009-03-06 Angry debate over gay marriage has divided the nation as no other issue since the Vietnam War Why has marriage suddenly emerged as the most explosive issue in the gay struggle for equality At times it seems to have come

out of nowhere but in fact it has a history George Chauncey offers an electrifying analysis of the history of the shifting attitudes of heterosexual Americans toward gay people from the dramatic growth in acceptance to the many campaigns against gay rights that form the background to today's demand for a constitutional amendment Chauncey illuminates what is at stake for both sides of this contentious debate in this essential book for gay and straight readers alike **The Columbia Reader on Lesbians and Gay Men in Media, Society, and Politics** Larry P. Gross, James D. Woods, 1999 More than 100 articles, essays, letters, and primary documents cover the formation of gay identity, religious, scientific, medical, and legal perspectives, the mainstream media, lesbian and gay media, and community prospects and tactics **Wife of a Lesbian** Jacquelyn Marie, 2006 **Chicano/Latino Homoerotic Identities** David W. Foster, 2014-07-16 This collection, which grew out of a research conference held at Arizona State University in November 1997, examines varieties of Chicano/Latino homoerotic identities. It includes essays by a group of scholars who are engaged in defining the parameters of these identities and who are concerned with how those identities interact with the dominant ones articulated by a hegemonic Anglo society in the United States The Disappearing L Bonnie J. Morris, 2016-07-29 Investigates the rise and fall of US American lesbian cultural institutions since the 1970s. LGBT Americans now enjoy the right to marry, but what will we remember about the vibrant cultural spaces that lesbian activists created in the 1970s, 80s, and 90s? Most are vanishing from the calendar and from recent memory. The Disappearing L explores the rise and fall of the hugely popular women-only concerts, festivals, bookstores, and support spaces built by and for lesbians in the era of woman-identified activism. Through the stories unfolding in these chapters, anyone unfamiliar with the Michigan festival, Olivia Records, or the women's bookstores once dotting the urban landscape will gain a better understanding of the era in which artists and activists first dared to celebrate lesbian lives. This book offers the backstory to the culture we are losing to mainstreaming and assimilation. Through interviews with older activists, it also responds to recent attacks on lesbian feminists who are being made to feel that they've hit their cultural expiration date. The Disappearing L is both an insider story and a well-written analysis of a neglected piece of cultural history. Morris delivers convincing arguments about why the lesbian feminist era was important not only to the individuals who lived it but also to a broader understanding of what has come to be called LGBT history. No one could be better positioned to write this book than Morris. Lillian Faderman, author of The Gay Revolution: The Story of the Struggle
