How Stella Saved the Farm Vijay Govindarajan, Chris Trimble, 2013-03-12 How Stella Saved the Farm is a simple parable about making innovation happen Written by the authors of the New York Times bestselling Reverse Innovation Create Far From Home Win Everywhere Vijay Govindarajan and Chris Trimble This story resonates in organizations of all types public sector private sector and social sector from mammoth corporations to small organizations employing just a few dozen people The parable is about a farm in trouble Bankruptcy or the grim prospect of being acquired by a hostile competitor threaten The farm succeeds only if the team pulls together and innovates The main characters in the story Stella Deirdre Bull Mav Einstein Rambo Maisie and Andrea are all like people you know maybe even yourself The tale includes an unexpected leadership challenge an ambitious call to action a bold idea countless internal obstacles and conflicts fears joys triumphs and even a love interest It s a story that can be enjoyed by

anyone How Stella Saved the Farm delivers eight simple lessons to guide innovation initiatives to success It prepares business leaders to avoid some of innovation s most toxic myths teaches how to build the right kind of team and shows how to learn quickly from experience **Making Innovations Happen** Ravi Arora,2015 [Making Innovation Work](#) Tony Davila,Marc Epstein,Robert Shelton,2012-11-09 Profitable innovation doesn t just happen It must be managed measured and properly executed and few companies know how to accomplish this effectively Making Innovation Work presents a formal innovation process proven to work at HP Microsoft and Toyota to help ordinary managers drive top and bottom line growth from innovation The authors have drawn on their unsurpassed innovation consulting experience as well as the most thorough review of innovation research ever performed They ll show what works what doesn t and how to use management tools to dramatically increase the payoff from innovation investments Learn how to define the right strategy for effective innovation how to structure an organization to innovate best how to implement management systems to assess ongoing innovation how to incentivize teams to deliver and much more This book offers the first authoritative guide to using metrics at every step of the innovation process from idea creation and selection through prototyping and commercialization This updated edition refreshes the examples used throughout the book and features a new introduction that gives currency to the principles covered throughout *Managers of Innovation* John Storey,Graeme Salaman,2009-02-09 Innovation is increasingly identified as the critical factor in ensuring economic competitiveness Departments of state and quasi governmental organizations in many countries including Austria Australia Canada France Germany The Netherlands Sweden and the UK have issued reports and calls to action but implementation will continue to be problematic unless the points made in this book are taken into account Drawing on 350 in depth interviews with senior managers this book presents an original theory about the characteristics of managers in good innovative organizations and poor innovative organizations It pays close attention to the attitudes understandings assumptions and interpretations of managers who are often the ultimate decision makers when it comes to innovation The text is supported by real life internationally known cases such as Hewlett Packard Zeneca and the BBC as well as voluntary sector cases such as Oxfam It is also enriched by substantial and highly revealing quotations from senior managers themselves **Making Innovations Happen** Ravi Arora,2015-07-13 The journey from idea to innovation is fraught with risks uncertainty and ambiguity This journey needs a lot of perseverance from the teams that work on such ideas It also needs a lot of courage by the senior management to allow their teams comprising very capable people to work on such projects the output of which is uncertain Organizations are expected and designed to deliver on a consistent and predictable manner Any adverse deviation from the predicted outcomes are punished by the investors While business leaders and the board are keen that their company performs equally well on innovation the pressure of short term results and fear of failure need leaders to be courageous to start this journey The Book offers several ideas for the Board and Senior Leaders to induce and drive innovations They include newer ways to incentivize ingenuity including

compensating executives across the board for nurturing creativity with a long term focus on execution It also suggests creative yet pragmatic ways to make the innovation plan and its execution measurable flexible and nimble The book also seeks to unravel cultural nuances that can either significantly drive or impede inventiveness It proposes several tips for the organizational practitioners to benefit from and aims to enhance the innovation quotient from ideation to execution Managers CEOs and Board members of modern day organizations can draw useful insights from the many narratives the book provides Written in the mold of a fictional novel set in a Socratic style of dialogues the book reveals a mix of truths with myths and jubilation with tribulations all in the interest of bringing newer perspectives and solutions to benefit the readers

Creating the Innovation Culture Frances Horibe, 2016-04-07 Creating the Innovation Culture gives managers practical strategies and hands on advice for encouraging and managing innovation This may mean actually encouraging dissent which is the source of innovation while avoiding too much conflict which can paralyze a workplace Identifies how to encourage dissent and innovation Illustrates how managers can inadvertently stifle dissent Explains how to recognize when healthy dissent crosses into conflict Outlines the role of the manager as a broker of innovation and collaboration Shows managers how to act as a political handler in getting dissenters ideas accepted Includes sample dialogues and an Underground Dissent Quiz Creating the Innovation Culture is not about suppressing conflict but about how to surface increase and manage a level of healthy dissent It is about fostering an environment where innovation occurs because of the culture not in spite of it Frances Horibe's insightful narrative is both thought provoking and entertaining Creating the Innovation Culture is a vital part of any library especially for those of us who toil daily to harness and encourage creativity In business today innovation is everything This book is an exploration of the delicate balance between innovation and dissidence

Derek Burney President and CEO Corel Corporation In this lively well written book Horibe helps us realize that we need to get comfortable with being uncomfortable She wisely points out that great leaders seek out and encourage people who will challenge them and their rules This book is full of great tips on how to be this type of leader so you too can help innovation flourish in your organization

Susan Robinson Senior Vice President Human Resources Manulife Financial It was George Bernard Shaw who once remarked with undeniable logic that all progress has to depend on the unreasonable man because they are the ones who don't adapt to the world as it is This of course makes perfect sense but only up to the point where one is faced with having to deal with the reality of it in an organization Whether you're one of the dissenters someone managing dissent or merely an observer there's something in Creating the Innovation Culture for everyone an understanding of dissent and innovation advice new ideas and a hint of the consequences if we don't learn to deal with those unreasonable men

David Carlson Vice President Americas Quality Creating the Innovation Culture shows us how to manage the most creative behaviour in an organization dissent It accurately and effectively describes why the need for dissent is so important to stimulate innovation that we must promote support and manage dissent if our businesses today are going to survive and

flourish e Geoff Smith Vice President Business DevelopmentMitele Frances Horibe illustrates her very astute understanding of the forces at play inside organizations By challenging our zealous devotion to vision quality teams and alignment she points out how our best intentions conspire to stomp out the very innovation that we are all dependent upon She offers pragmatic solutions for how to continue to hear dissent how to keep it in the open get it out of the underground and prepare the ground for innovation This is a must read for leaders serious about creating the conditions for innovation e Rod BrandvoldVice President Organizational DevelopmentCognos Inc e Frances Horibe has made a compelling case for leaders to encourage diversity of ideas and to embrace dissenters for their organizations to be innovative and successful e Sol KasimerChief Executive OfficerYMCAe We are on the edge of awareness that organizations have to learn how to really think not just manage knowledge This book builds this awareness in plain simple and hard hitting language e Dr Min BasadurMichael G DeGroote School of Business *Creativity at Work* Jeff DeGraff,Katherine A.
