Making It New:

Decision-making for New Product Development in Small Businesses Mary Haropoulou, Clive Smallman, 2018-12-07

What goes on in a small firm that lives or dies by its capacity to innovate How are decisions made on new product development and how does that feed into the ecological social and financial sustainability of the firm This book answers the questions through an in depth look at a small business that manufactures high end carpet yarn Using advanced analytical techniques to interrogate rich qualitative data the book draws together established theories of decision making and new product development coupled with thinking about business sustainability to improve our understanding of this important area of business practice The book further reinforces the importance and role of organizational learning in organizational decision making based on novel analysis of empirically developed qualitative data

Making New Mexico Ed H

Whorton, 2011-11-16 The state of New Mexico in the United States was originally part of Texas and the land included in the Louisiana Purchase of 1803 The lands were purchased from the French and included portions of fourteen current U S states and two Canadian Provinces These lands were under French control from 1682 1763 and from 1803 1804 the area was named in honor of King Louis 14th A Spanish expedition in 1540 by Francisco Vasquez Coronado was formed in an attempt to find the ancient Seven Golden Cities of Cibola The rumor began with Cabeza de Vacas visit to what is now southern New Mexico It is rumored that seven priests fled the city of Merida Spain taking vast amounts of gold and other treasures to a far away land later to be called the Americas Coronado however was unsuccessful and returned home Another expedition led by Juan de Onate Salazar in 1598 explored north of the Rio Grande and claimed most of modern day New Mexico for Spain Santa Fe became the capital city of the territory and remains the capital of the state

Ireland, 2015-12-10 Ten years on from their first book Evangelism Which way now which has become a valuable and much recommended resource Mark Ireland and Mike Booker aim to take people a step further Making New Disciples offers a practical approach based on careful theological reflection and years of hands on experience in local church leadership theological education and the national church The book is not so much a Which guide to the available resources as a wrestling with the paradoxes of evangelism in a changing world backed up with plenty of stories and specific examples

Making New Nepal Amanda Thérèse Snellinger, 2018-04-03 One of the most important political transitions to occur in

South Asia in recent decades was the ouster of Nepal's monarchy in 2006 and the institution of a democratic secular republic in 2008 Based on extensive ethnographic research between 2003 and 2015 Making New Nepal provides a snapshot of an activist generation's political coming of age during a decade of civil war and ongoing democratic street protests Amanda Snellinger illustrates this generation's entrance into politics through the stories of five young revolutionary activists as they shift to working within the newly established party system She explores youth in Nepali national politics as a social mechanism for political reproduction and change demonstrating the dynamic nature of democracy as a radical ongoing

process *Making New Zealand's Pop Renaissance* Michael Scott, 2016-05-13 Since the early 2000s New Zealand has undergone a pop renaissance Domestic artists sales airplay and concert attendance have all grown dramatically while new avenues for kiwi pop exports emerged Concurrent with these trends was a new collective sentiment that embraced and celebrated domestic musicians In *Making New Zealand's Pop Renaissance* Michael Scott argues that this revival arose from state policies and shows how the state built market opportunities for popular musicians through public private partnerships and organizational affinity with existing music industry institutions New Zealand offers an instructive case for the ways in which after neo liberal states steer and co ordinate popular culture into market exchange by incentivizing cultural production Scott highlights how these music policies were intended to address various economic and social problems Arriving with the creative industries discourse and policy making politicians claimed these expanded popular music supports would facilitate sustainable employment and a sense of national identity Yet popular music as economic and social policy presents a paradox the music industry generates commercial failure and thus requires a large unattached pool of potential talent Considering this feature Scott analyses how state programs induced an informal economy of proto pop production aimed at accessing competitive state funding while simultaneously encouraging musicians to adopt entrepreneurial subjectivities In doing so he argues New Zealand's music policies are a form of social policy that unintentionally deploy hierarchical structures to foster social inclusion amongst growing numbers of creative workers Regional Decision Making: New Strategies for Substate Districts United States. Pool, 2005 When TJ moves to a new neighborhood he doesn't think he will be able to make new friends But then a box named Brownie comes to life and helps TJ out **Making New York Dominican** Christian Krohn-Hansen, 2012-12-18 Large scale emigration from the Dominican Republic began in the early 1960s with most Dominicans settling in New York City Since then the growth of the city's Dominican population has been staggering now accounting for around 7 percent of the total populace How have Dominicans influenced New York City And conversely how has the move to New York affected their lives In *Making New York Dominican* Christian Krohn Hansen considers these questions through an exploration of Dominican immigrants economic and political practices and through their constructions of identity and belonging Krohn Hansen focuses especially on Dominicans in the small business sector in particular the bodega and supermarket and taxi and black car industries While studies of immigrant business and entrepreneurship have been predominantly quantitative using survey data or public statistics this work employs business ethnography to demonstrate how Dominican enterprises work how people find economic openings and how Dominicans who own small commercial ventures have formed political associations to promote and defend their interests The study shows convincingly how Dominican businesses over the past three decades have made a substantial mark on New York neighborhoods and the city's political economy *Making New York Dominican* is not about a Dominican enclave or a parallel sociocultural universe It

is instead about connections between Dominican New Yorkers economic and political practices and ways of thinking and the much larger historical political economic and cultural field within which they operate Throughout Krohn Hansen underscores that it is crucial to analyze four sets of processes the immigrants forms of work their everyday life their modes of participation in political life and their negotiation and building of identities Making New York Dominican offers an original and significant contribution to the scholarship on immigration the Latinization of New York and contemporary forms of globalization
