Adoption and Multiculturalism Jenny Heijun Wills, Tobias Hubinette, Indigo Willing, 2020-09-11 *Adoption and Multiculturalism* features the voices of international scholars reflecting transnational and transracial adoption and its relationship to notions of multiculturalism The essays trouble common understandings about who is being adopted

who is adopting and where these acts are taking place challenging in fascinating ways the tidy master narrative of saviorhood and the concept of a monolithic Western receiving nation Too often the presumption is that the adoptive and receiving country is one that celebrates racial and ethnic diversity thus making it superior to the conservative and insular places from which adoptees arrive The volume s contributors subvert the often simplistic ways that multiculturalism is linked to transnational and transracial adoption and reveal how troubling multiculturalism in fact can be The contributors represent a wide range of disciplines cultures and connections in relation to the adoption constellation bringing perspectives from Europe including Scandinavia Canada the United States and Australia The book brings together the various methodologies of literary criticism history anthropology sociology and cultural theory to demonstrate the multifarious and robust ways that adoption and multiculturalism might be studied and considered Edited by three transnational and transracial adoptees *Adoption and Multiculturalism Europe the Americas and the Pacific* offers bold new scholarship that revises popular notions of transracial and transnational adoption as practice and phenomenon [Routledge International Encyclopedia of Women](#) Cheris Kramarae,Dale Spender,2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women s issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women s studies to create the new standard work for anyone who needs information on women related subjects **Feminist Thought** Rosemarie Putnam Tong,2013-07-09 A classic resource on feminist theory Feminist Thought offers a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism and ecofeminism The fifth edition has been thoroughly revised and now includes a new chapter on Third Wave and Third Space Feminism Also added to this edition are significantly expanded discussions on women of color feminisms psychoanalytic and care feminisms as well as new examinations of queer theory LGBTQ and trans feminism Learning tools like end of chapter discussion questions and the bibliography make Feminist Thought an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates [Are All the Women Still White?](#) Janell Hobson,2016-05-01 Provides a contemporary response to such landmark volumes as *All the Women Are White All the Blacks Are Men But Some of Us Are Brave* and *This Bridge Called My Back* More than thirty years have passed since the publication of *All the Women Are White All the Blacks Are Men But Some of Us Are Brave* Given the growth of women s and gender studies in the last thirty plus years this updated and responsive collection expands upon this transformation of consciousness through multiracial feminist perspectives The contributors here reflect on transnational issues as diverse as intimate partner violence
