Making Of Chinese Foreign Security Policy Etc:

Critical Decade, A: China's Foreign Policy (2008-2018) Zhiqun Zhu, 2019-07-09 China emerged as a major economic diplomatic and military power during the critical decade from 2008 to 2018 As a result China's foreign policy has become more active and dynamic This book provides a unique perspective to understand Chinese foreign policy during this decade by examining continuities and changes in both internal and external factors that have shaped China's development The book focuses on key challenges in China's diplomacy such as US China relations the Korean Peninsula Taiwan Japan India Chinese investment overseas the Belt and Road Initiative global and regional cooperation soft power etc It also includes an extensive annotated bibliography of major recent publications on various aspects of Chinese foreign policy This is the first scholarly book that studies the evolution and key challenges of China's foreign relations during the critical decade 2008-2018 when China grew into a crucial sometimes assertive power in international affairs

Chinese International Relations Theory Jonathan Ping, Anna Hayes, Brett McCormick, 2025-05-05 This book explores how fundamental aspects of China's rapidly evolving arena of international relations theory are emerging directly from the realms of practice and policy As a unique explanation of the Chinese School by those actually making the decisions assisted and researched in collaboration with eminent global scholars the book guides the global reader through the building of Chinese international relations theory and how China may be accounted for behaviour predicted and useful policy developed With chapters examining critical issues such as Statecraft and party The Belt and Road Initiative Diplomacy and Security in the Asia Pacific China US relations The South China Sea This book will provide new theory to policy makers and prove an invaluable guide to students and scholars of Chinese politics international relations theory diplomacy global studies and international relations

National Security Policy, 1973-1976 United States. Department of State, 2014 This volume documents the Nixon and Ford administrations formulation and implementation of national security policy primarily vis vis the Soviet Union and to a lesser extent the People's Republic of China It also documents intelligence and its role in the policy process as well as the Ford administration's efforts to bolster U S telecommunications security Finally the volume presents documents on the Hughes Glomar Explorer the centerpiece of a secret mission organized by the Central Intelligence Agency CIA to raise a Soviet submarine sunk in the Pacific Ocean Publisher website

The Making of China's Artificial Intelligence and Cyber Security Policy Suisheng Zhao, 2025-08-08 The rise of digital technology particularly artificial intelligence AI has transformed societies and international politics China has responded to the transformation and strived to become one of the global leaders What is China's approach toward the objective Who are the major players and stakeholders in the making of digital policy How has the Chinese state worked with various stakeholders To what extent has digital technology influenced China's authoritarian governance How has Chinese society responded to digital authoritarianism Can China prevail in shaping global digital rulemaking This edited volume seeks answers to these important questions Divided into three parts Part I examines how the

central state has become a leading player and coordinated with various stakeholders such as academic institutions corporations and local governments in making digital technology policy Part II analyses how the Chinese party state used digital technology to strengthen authoritarian governance and how society has responded to digital authoritarianism Part III explores China's attempt to shape global digital rulemaking in competition with the US and other Western countries This book is aimed at scholars researchers policymakers and students with an interest in digital technology international relations Chinese politics and authoritarian governance It will also appeal to those studying AI digital governance and global power dynamics The chapters in this book were originally published in the Journal of Contemporary China and come with a new introduction Emerging Powers in a Comparative Perspective Vidya Nadkarni, Norma C. Noonan, 2013-02-14 The book examines the rising influence of emerging powers in global politics with a special focus on the BRIC countries Brazil Russia India China Chapters contributed by international scholars first look at the changing status of the US in the 21st century and at the EU as both an emerging and innovative power China's rising power status India's regional and global influence Russia's re emergence and Brazil's growing regional and international role are then analyzed comparatively to explain how the BRIC states are poised to become vital players not only in politics and economy but also in key international concerns such as terrorism globalization and climate change The book provides a detailed analysis of political economic security and foreign policy trends in the BRIC countries to address such questions as to whether they will seek to revise the international order or work within it and how they will deal with transnational global problems Using a unique comparative approach the text will appeal to undergraduate students in world politics international relations and foreign policy **A Handbook of China's International Relations** Shaun Breslin, 2012-07-12 This Handbook comprising around twenty five chapters provided by numerous experts in the field will prove invaluable to students of international affairs academics researchers businesspeople and policy analysts Chapters will give up to date and unbiased information on the current state of Chinese international relations in historical perspective *The Chinese Chameleon Revisited* Zheng Yangwen 郑阳文, 2014-09-01 By examining how the Middle Kingdom has been portrayed by foreigners and the Chinese themselves this volume advances a new perspective in our reading and interpretation of the Chinese past by placing these producers and presenters of China in the spotlight The chapters probe how these figures produced or presented the country cross examining their backgrounds and circumstances Their gaze upon the Middle Kingdom was dictated by religious and political conviction but also particularly by the consumers of that gaze Like invisible hands producers and consumers of China continue to constrain representations of the country looming larger than the literary artistic or journalistic works they produce This volume also addresses scholars of Europe and America who have overlooked what Western writers on China reveal about their own contexts which is indeed often more than they reveal about their ostensible subject As such the Middle Kingdom serves as a convenient mirror to reflect European and American anxieties and ambitions China, an Analytical Survey of Literature United States. Department of
