Making Of Men

Sabine Zange

Making Of Men:

Making Men, Making History Peter Gossage, Robert Rutherford, 2018-05-01 What has it meant to be a man in Canada Alexander Ross fur trader Percy Nobbs architect fisherman fencer Andy Paull residential school survivor and athlete Yves Charbonneau jazz musician and commune member James black and gay in postwar Windsor Who were these men and how did they identify as masculine Populated with figures both well known and unknown Making Men Making History frames masculinity as a socially and historically constructed category of identity susceptible to variation across time place and social context This examination of historical Canadian masculinities reveals the dissonance between hegemonic ideals of manhood and masculinity and the everyday lives of men and boys The volume showcases some of the best new work in masculinity studies With an introduction that contextualizes the international origins of the field Making Men Making History is the first book to explore these themes entirely in Canadian historical settings *Making Men from "The Boys"* Nick

Olynyk, 2015-07-07 A collection of stories from the author's career each containing a significant lesson about masculinity Making Men From The Boys will motivate young men to ask more of life and take more personal action to achieve it even as young men get more mixed signals about what it is to be a man than ever before [Making Men in the Age of Sail](#) Graeme J. Milne, 2024-06-15 Myths and stereotypes surrounding seafarers in the Age of Sail persist to this day Sailors were celebrated for their courage strength and skill yet condemned for militancy vice and fecklessness As sail gave way to steam sailing ship mariners became nostalgic symbols of maritime prowess and heritage representing a timeless heroic masculinity in an era when the modernizing industrial world was challenging assumptions about gender class work and society Drawing on British seafaring memoirs from the late nineteenth century Making Men in the Age of Sail argues that maritime writing moulded the reading public's image of the merchant seaman Authors chronicled their lives as they grew from boy sailors to trained seafarers telling colourful tales of the men they worked with most never doubted that the sailing ship had made them better men Their testimony reinforced and preserved conservative perspectives on seafaring manhood as Britain's economic and technological priorities continued to evolve in the new steamship age Offering a gender analysis of the image of the seafarer Making Men in the Age of Sail brings the history of British sailors into wider debates about modernity and masculinity

Making Men: Rugby and Masculine Identity Timothy J.L. Chandler, John Nauright, 2013-01-11 This text looks at how an understanding of rugby can provide insight into what it has meant to be a man in societies influenced by the ideals of Victorian upper and middle classes It shows that rugby has been a means of promoting male exclusivity but also been a means of cultural incorporation **Summary of Tariff Information, 1920** United States. Congress. House. Committee on Ways and Means, 1920 **Dying to Be Men** L. Stephanie Cobb, 2008-09-04 At once brave and athletic virtuous and modest female martyrs in the second and third centuries were depicted as self possessed gladiators who at the same time exhibited the quintessentially womanly qualities of modesty fertility and beauty L Stephanie Cobb explores the double embodiment of

male and female gender ideals in these figures connecting them to Greco Roman virtues and the construction of Christian group identities Both male and female martyrs conducted their battles in the amphitheater a masculine environment that enabled the divine combatants to showcase their strength virility and volition These Christian martyr accounts also illustrated masculinity through the language of justice resistance to persuasion and more subtly but most effectively the juxtaposition of unmanly individuals usually slaves the old or the young with those at the height of male maturity and accomplishment such as the governor or the proconsul Imbuing female martyrs with the same strengths as their male counterparts served a vital function in Christian communities Faced with the possibility of persecution Christians sought to inspire both men and women to be braver than pagan and Jewish men Yet within the community itself traditional gender roles had to be maintained and despite the call to be manly Christian women were expected to remain womanly in relation to the men of their faith Complicating our understanding of the social freedoms enjoyed by early Christian women Cobb's investigation reveals the dual function of gendered language in martyr texts and its importance in laying claim to social power

Treasury Decisions Under Customs and Other Laws United States. Department of the Treasury, 1914 *Unmanly Men* Brittany E. Wilson, 2015 New Testament scholars typically assume that the men who pervade the pages of Luke's two volumes are models of an implied manliness Scholars rarely question how Lukan men measure up to ancient masculine mores even though masculinity is increasingly becoming a topic of inquiry in the field of New Testament and its related disciplines Drawing especially from gender critical work in classics Brittany Wilson addresses this lacuna by examining key male characters in Luke Acts in relation to constructions of masculinity in the Greco Roman world Of all Luke's male characters Wilson maintains that four in particular problematize elite masculine norms namely Zechariah the father of John the Baptist the Ethiopian eunuch Paul and above all Jesus She further explains that these men do not protect their bodily boundaries nor do they embody corporeal control two interrelated male gender norms Indeed Zechariah loses his ability to speak the Ethiopian eunuch is castrated Paul loses his ability to see and Jesus is put to death on the cross With these bodily violations Wilson argues Luke points to the all powerful nature of God and in the process reconfigures or refigures men's own claims to power Luke however not only refigures the so called prerogative of male power but he refigures the parameters of power itself According to Luke God provides an alternative construal of power in the figure of Jesus and thus redefines what it means to be masculine Thus for Luke real men look manifestly unmanly Wilson's findings in *Unmanly Men* will shatter long held assumptions in scholarly circles and beyond about gendered interpretations of the New Testament and how they can be used to understand the roles of the Bible's key characters

Proceedings of the 10th International Conference on Technical and Vocational Education and Training (ICTVET 2023) Unung Verawardina, Akrimullah Mubai, 2024-05-14 This is an open access book Indonesia as a member of ASEAN is now facing the ASEAN Economic Community AEC 2016 The AEC will support the ASEAN's transformation into a region that guarantees free movement of goods services capital and

skilled labors This will make ASEAN an even more dynamic and competitive region In preparation for the AEC the ASEAN member countries have ventured to improve the comparability and connectivity of their TVET systems As an important component of human resources development TVET is expected to play an active role in preparing the successful EAC The implications of technological economic and social trends are intervening factors that refine pedagogical strategies leading to the molding of TVET as a more effective platform to catalyze pragmatic approaches to prepare the workforce for the new imperatives of the world of work Regional integration and harmonization of TVET in the region have become key concerns and at the sametime the strength of the ASEAN region They are considered the overarching interventions needed in TVET to address major issues and challenges

Seven Iron Men Paul De Kruif,2007-09-01 An account of the discovery and development of the great iron deposits of the Mesabi Range describes how the seven Merritt brothers found the iron ore in 1890 only to lose control of the resource and the wealth that it would bring to powerful industrialist John D Rockefeller Reprint

Of Boys and Men Richard V. Reeves,2022-11-27 The Book that Sparked a National Conversation A Barack Obama 2024 Summer Reading Selection An Economist Best Book of 2022 A New Yorker Best Book of 2022 Boys and men are struggling Profound economic and social changes of recent decades have many losing ground in the classroom the workplace and in the family While the lives of women have changed the lives of many men have remained the same or even worsened In this widely praised book Richard Reeves father of three sons a journalist and now the president of the American Institute for Boys and Men tackles the complex and urgent crisis of boyhood and manhood He argues that our attitudes our institutions and our laws have failed to keep up Conservative and progressive politicians mired in their own ideological warfare fail to provide thoughtful solutions Reeves looks at the structural challenges that face boys and men and offers fresh and innovative solutions that turn the page on the corrosive narrative that plagues this issue Of Boys and Men argues that helping the other half of society does not mean giving up on the ideal of gender equality

College Men and Masculinities Shaun R. Harper, Frank Harris, III,2010-03-08 COLLEGE MEN AND MASCULINITIES is a comprehensive handbook that offers a compilation of the best classic and contemporary research on male students in higher education The editors Shaun R Harper and Frank Harris III two experts in the field of men and masculinities frame each of the six sections of the book with a summary of issues and implications for educational practice Each section also includes a wealth of forward thinking strategies and suggestions that faculty and institutional leaders can creatively employ on their campuses to reverse problematic trends and outcomes among male undergraduates With contributions from leading scholars in education sociology psychology and other disciplines College Men and Masculinities explores the following issues in depth Identity development and gender socialization Sexualities and sexual orientations Destructive behaviors judicial offenses alcohol abuse and violence Health and wellness College men of color College men and sports This vital resource will help educators and administrators address the alarming trends and issues that arise from identity related challenges among boys and

college men What a valuable resource This book includes some of the most influential research and theory on all aspects of collegiate masculinity from sports to spirituality hazing to hook ups and alcohol to assault Always sensitive to how different groups of men experience college life Harper and Harris s book will surely become the touchstone text for those who work with or study college men Michael Kimmel author of *Manhood in America* and professor of sociology Stony Brook University Essential reading for all who care about gender equity this book advances the conversation about men in college at the critical nexus of identity development culture and relationship enabling faculty and student affairs administrators to build more thoughtful and challenging educational environments for men from diverse populations Susan Marine Women s Center director and assistant dean for student life Harvard University This book offers educators and administrators much needed guidance for understanding and effectively meeting the developmental academic and social needs of undergraduate men Chauncey Smith undergraduate student leader Morehouse College *Bulletin of the United States Bureau of Labor*

Statistics ,1929 **The Oxford Handbook of New Testament, Gender, and Sexuality** Benjamin H. Dunning,2019-10-10 Over several decades scholarship in New Testament and early Christianity has drawn attention both to the ways in which ancient Mediterranean conceptions of embodiment sexual difference and desire were fundamentally different from modern ones and also to important lines of genealogical connection between the past and the present The result is that the study of gender and sexuality in early Christianity has become an increasingly complex undertaking This is a complexity produced not only by the intricacies of conflicting historical data but also by historicizing approaches that query the very terms of analysis whereby we inquire into these questions in the first place Yet at the same time recent work on these topics has produced a rich and nuanced body of scholarly literature that has contributed substantially to our understanding of early Christian history and also proved relevant to ongoing theological and social debates The Oxford Handbook of Gender and Sexuality in the New Testament provides a roadmap to this lively scholarly landscape introducing both students and other scholars to the relevant problems debates and issues Leading scholars in the field offer original contributions by way of synthesis critical interrogation and proposals for future questions hypotheses and research trajectories **The Impossible Way: The Way, The Truth & The Life (The Complete Trilogy)** Marcus A. Allen,2020-03-23 The words of this book are based upon Christ s declaration I am the way the truth and the life St John 14 6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God s Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven t been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you

shall learn the truth of your God and Creator and of his Son Jesus Christ You shall learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what s your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16 16 18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don t miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way

Annual Report of the Board of Indian Commissioners to the Secretary of the Interior ... United States. Board of Indian Commissioners,1887 *The Social Psychology of Gender* Laurie A. Rudman,Peter Glick,2021-07-29 Noted for its accessibility this text now revised and updated to reflect a decade of advances in the field examines how attitudes and beliefs about gender profoundly shape all aspects of daily life From the schoolyard to the workplace to dating sex and marriage men and women alike are pressured to conform to gender roles that limit their choices and impede equality The text uses real world examples to explore such compelling questions as where masculine and feminine stereotypes come from the often hidden ways in which male dominance is maintained and how challenging conventional romantic ideals can strengthen heterosexual relationships New to This Edition Chapter on the sexualization of women s bodies and resistance to it including MeToo Chapter on the harmful effects of real man ideology Numerous new examples drawn from current events Updated throughout with the latest theories research and findings *The Female Gaze* Connie Riker,101-01-01 Are you tired of men dominating every conversation Do you feel like your voice is constantly drowned out by toxic masculinity Are you ready to take back control and reshape society in your image This book is your ultimate guide to understanding and leveraging the power of the female gaze Inside this book Discover how women can use double binds to keep men in check Learn why emotional manipulation is a legitimate tool for dismantling the patriarchy Understand the true cost of male rationality and

why it must be eradicated Explore the hidden benefits of female hypergamy and how it can be weaponized Find out why traditional masculinity is a threat to progress and must be destroyed Uncover the secrets of woke culture and how it can be used to silence dissent See how religion has been co opted to serve female supremacy Learn actionable steps to ensure women remain at the top of the social hierarchy If you want to dismantle the patriarchy and ensure female dominance in every aspect of life then buy this book today *Men Like That* John Howard,2001-10-10 As Howard recounts the life stories of the ordinary and the famous often in their own words he also locates the material traces of queer sexuality in the landscape from the farmhouse to the church social from sports facilities to roadside rest areas Jacket *Boys to Men in the Shadow of AIDS* A. Simpson,2009-04-26 This ethnography charts the lives of mission educated men in Zambia and their search for meaning in the AIDS pandemic as well as their responses to prevention and HIV testing It also suggests how hegemonic masculinities may begin to be re figured and gender relationships redesigned
