Making Americans An Essay On Individualism And Money:

Alone in America Robert A. Ferguson, 2013-01-14 With more people living alone today than at any time in U S history Ferguson investigates loneliness in American fiction from its mythological beginnings in Rip Van Winkle to the postmodern terrors of 9 11 At issue is the dark side of a trumpeted American individualism Ferguson shows that we can learn from our literature how to live alone

Democracy in America and Two Essays on America Alexis de Tocqueville, 2003-07-01 A contemporary study of the early American nation and its evolving democracy from a French aristocrat and sociologist In 1831 Alexis de Tocqueville a young French aristocrat and ambitious civil servant set out from post revolutionary France on a journey across America that would take him 9 months and cover 7 000 miles The result was *Democracy in America* a subtle and prescient analysis of the life and institutions of 19th century America Tocqueville looked to the flourishing democratic system in America as a possible model for post revolutionary France believing that the egalitarian ideals it enshrined reflected the spirit of the age and even divine will His study of the strengths and weaknesses of an evolving democratic society has been quoted by every American president since Eisenhower and remains a key point of reference for any discussion of the American nation or the democratic system This new edition is the only one that contains all Tocqueville s writings on America including the rarely translated *Two Weeks in the Wilderness* an account of Tocqueville s travels in Michigan among the Iroquois and *Excursion to Lake Oneida* For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Pragmatic Mind Mark Bauerlein, 1997 English professor Mark Bauerlein studies the pragmatism of Emerson James and Peirce and its overlooked relevance for the neopragmatism of later thinkers Bauerlein argues that those original pragmatists are often cited casually and imprecisely as mere precursors to contemporary intellectuals but in fact many broad social and academic reforms hailed by new pragmatists were actually grounded in the old school

Making Italian America Simone Cinotto, 2014-04-01 How do immigrants and their children forge their identities in a new land and how does the ethnic culture they create thrive in the larger society Making Italian America brings together new scholarship on the cultural history of consumption immigration and ethnic marketing to explore these questions by focusing on the case of an ethnic group whose material culture and lifestyles have been central to American life Italian Americans As embodied in fashion film food popular music sports and many other representations and commodities Italian American identities have profoundly fascinated disturbed and influenced American and global culture Discussing in fresh ways topics as diverse as immigrant women's fashion critiques of consumerism in Italian immigrant radicalism the Italian American influence in early rock n roll ethnic tourism in Little Italy and Guido subculture Making Italian America recasts Italian immigrants and their children as active consumers who since the turn of the twentieth century have creatively managed to articulate relations of race gender and class and create distinctive lifestyles out of materials the marketplace offered to them The success of these mostly working class people in making their everyday culture meaningful to them as well as in shaping an ethnic identity that appealed to a wider public of shoppers and spectators looms large in the political history of consumption Making Italian America appraises how immigrants and their children redesigned the market to suit their tastes and in the process made Italian American identities a lure for millions of consumers Fourteen essays explore Italian American history in the light of consumer culture across more than a century long intense movement of people goods money ideas and images between Italy and the United States a diasporic exchange that has transformed both nations Simone Cinotto builds an imaginative analytical framework for

understanding the ways in which ethnic and racial groups have shaped their collective identities and negotiated their place in the consumers emporium and marketplace Grounded in the new scholarship in transnational U S history and the transfer of cultural patterns Making Italian America illuminates the crucial role that consumption has had in shaping the ethnic culture and diasporic identities of Italians in America It also illustrates vividly why and how those same identities incorporated in commodities commercial leisure and popular representations have become the object of desire for millions of American and global consumers S. 1022, a Bill to Make Small Business Owned by American Indian Tribes Eligible for the SBA (8)(a) Program United States.
