Making Fast Food From The Frying Pan Into The Fryer:

Making Fast Food Ester Reiter, 1996 Some say the adventurous days of grueling and dangerous scientific exploration are long gone but Reiter sociology Brock U undertook a 10 month trek without pay into the uncharted wilds of a Burger King kitchen to bring us first hand accounts of the strange and marvellous customs of the natives The illustrations are hilarious Annotation copyrighted by Book News Inc Portland OR Making Fast Food Ester Reiter, 1991-09-03 The flourishing fast food industry represents one particular blueprint of how to live Reiter analyses the profound consequences of this blueprint for many spheres of life women s work youth employment the labour movement the family and the community Since the 1970s young people and women have increasingly entered the job market in low waged service sector jobs Family life she explains has changed dramatically in the last forty years as many activities that were traditionally part of the home have been replaced by services available in the marketplace The production of meals and those who produce them have moved from the family kitchen to the highly regulated corporate workplace where workers are like the interchangeable parts of a machine

Fast Food Nation Eric Schlosser, 2001 An exploration of the fast food industry in the United States from its roots to its long term consequences **Making Fast Food** Ester Reiter, 1996 Language and Hegemony in Gramsci Peter Ives, 2004-07-20 Language and Hegemony in Gramsci introduces Gramsci s social and political thought through his writings on language It shows how his focus on language illuminates his central ideas such as hegemony organic and traditional intellectuals passive revolution civil society and subalternity Peter Ives explores Gramsci s concern with language from his university studies in linguistics to his last prison notebook Hegemony has been seen as Gramsci s most important contribution but without knowledge of its linguistic roots it is often misunderstood This book places Gramsci s ideas within the linguistically influenced social theory of the twentieth century It summarizes some of the major ideas of Ferdinand de Saussure Ludwig Wittgenstein language philosophy and post structuralism in relation to Gramsci s position By paying great attention to the linguistic underpinnings of Gramsci s Marxism Language and Hegemony in Gramsci shows how his theorization of power language and politics address issues raised by post modernism and the work of Michel Foucault Jacques Derrida Chantal Mouffe and Ernesto Laclau *Understanding Global Environmental Politics* M. Paterson, 2000-04-07 Understanding Global Environmental Politics develops a new critical approach to global environmental politics It argues that the major power structures of world politics are deeply problematic in ecological terms and that they cannot be easily used to resolve major environmental challenges such as global warming Instead of simply advocating the construction of new international institutions to respond to such challenges therefore the book argues that the construction of alternative social and political structures is necessary **Identity in Organizations** Paul C. Godfrey, 1998-07-21 This investigation of the fundamental character of organizational identity and identification with an organization is arranged in the form of a provocative discussion between key scholars The book focuses on three different paradigmatic views of identity

functionalist interpretive and postmodern Similarities and distinctions among these ways of understanding are explored and numerous theoretical and practical insights are gained The book concludes with a discussion of the relevance of identity as a construct in organizational study and observations on conversation and theory building **Women, Work and**
