Making God:

Making God Ann Long, 2015-11-26 The great teachers of the Axial Age the Buddha Confucius Zoroaster the Hebrew prophets right down to Jesus began the making of the modern God They re made their inherited gods creating a personal God in their own image We may best celebrate them not by clinging to their creation but by emulating their work Developments in psychology mean that our view of persons is unlike theirs and therefore the God they made can no longer serve as ours We have to make our own So argues Ann Long in this fascinating exploration of personhood religion and moral value The revolutionary decentring of the earth in the universe Galileo was followed by the revolutionary decentring of the human in the biosphere Darwin Now we are living through the even more revolutionary decentring of the I in the world a movement from that which is normal having persons in society to that which is moral loving persons in community

A book that encourages, entertains, inspires and motivates church choir directors and their choirs. Forty engaging, oftentimes humorous stories drawn from the author's extensive multi-denomination church music career with supporting practical applications and images. Example stories include The Soprano Fell Out of the Choir Loft and When the Choir Stole Our Toothbrushes. The author also addresses the challenges faced by choirs and their directors during the COVID-19 pandemic that may also be applied to other situations. The book is a valued, easy-read resource in the church choir's ministry of fulfilling the biblical directive to Shout for joy to God all the earth. Sing the glory of his name, make his praise glorious. Psalm 66:1-2 NIV. Rejecting Contraception and Making God's Will the Center of Our Lives Catherine French, M.Ed., 2025-02-06

Something integral to our overall health is missing. Health care providers, educators, CEOs and others in leadership positions often discuss the concept of wellness in an effort to treat disorders of the mind and body. Businesses may often spend excessive amounts of money on wellness practices. Surveys are often conducted to determine how one is functioning, but very little time is spent sharing our stories, communicating and understanding each other in a deep and meaningful way. Engaging in meaningful discussions can address a deep longing in our souls. People must be properly armed with all the necessary information from physicians, professionals and research. People also need information rooted in sound Catholic Christian doctrine addressing the soul's needs. By reading scripture, developing habits of consistent daily prayer, going to mass regularly and frequently receiving the sacraments and seeking the help and support of proper Catholic Christian counselors, people will likely be more empowered and able to discern God's will and make choices more pleasing to Him.
