**Peter's Last Sermon** James M. Dawsey, 2010 What Christian would not want to hear Mark's gospel as the first believers heard it Using the tools of modern scholarship Peter's Last Sermon takes seriously Mark's audience The community would have heard rather than read the gospel It would have encountered the story as a whole instead of piecemeal in short texts for sermons Missing would have been the static of Matthew Luke and John As for the speaker While most modern scholars table the question of authorship the post apostolic writers of the second and third centuries claim with one voice that though penned by Mark the gospel actually went back to Peter So to hear the gospel as did those early Christians was to hear it as if coming from him Does it make a difference to our understanding of Mark's message if from Peter Yes And the result is surprising Peter's Last Sermon takes us on a journey through Roman and Jewish texts to meet the Jesus not of the modern Church but of Peter's proclamation in Rome Nero's persecution had left the community in crisis What was Peter's message for his time Christ was different from expected he said but how James Dawsey shows that Christ broke the messianic expectations of his Galilean followers and the Jerusalem religious elite of his day And as the reader of Peter's Last Sermon will see he surprised Mark's hearers a generation later The Gospel of Mark still confronts us in new ways *Desert Banquet* David G. R. Keller, 2011 The wisdom of the desert fathers and mothers lies in their experiences of solitude prayer community life work and care for their neighbors Their goal was transformation of their lives through openness to the presence and energy of God in Christ They taught by example and by sharing narratives and sayings that reflect the deep human psychological and spiritual aspects of their journey toward authentic human life The venue for their transformation was the whole person body mind and spirit They emphasized self knowledge humility purity of heart and love of God and neighbor Far from being naive their sayings and narratives reflect honest struggles temptations and failures They also demonstrate the disciplines of prayer and meditation that kept them centered in God as their only source of strength The daily reflections in *Desert Banquet* introduce readers to a variety of these early Christian mentors and offer reflections on the significance of their wisdom for life in the twenty first century David G R Keller an Episcopal priest is adjunct professor of ascetical theology at the General Theological Seminary in New York City He is co steward with his wife Emily Wilmer of Oasis of Wisdom An Institute for Contemplative Study Practice and Living based in Asheville North Carolina [www.oasisofwisdom.net](http://www.oasisofwisdom.net) He is the author of *Oasis of Wisdom The Worlds of the Desert Fathers and Mothers* Liturgical Press and *Come and See The Transformation of Personal Prayer* Morehouse Publishing **Secrets of a Good Life as Told by Saints and Sinners**, 2005

**On the Song of Songs and Selected Writings** Saint Bede (the Venerable), 2011 The first English translation of Bede's allegorical commentary *On the Song of Songs* along with selections from his homilies and the *Ecclesiastical History* an introduction to his spirituality and notes **The Sacred Writings of John Cassian** John Cassian, Cassian was one of the first and most prominent of the Semi Pelagians maintaining that while man is by nature sinful he yet has some good remaining in him and that while the immediate gift of God's grace is necessary to salvation conversion may also be begun by

the exercise of man's will. He further asserted that God is always willing to bestow his grace on all who seek it though at the same time it is true that he sometimes bestows it without its being sought. These views have been held by a very large part of the church from his time and embrace much of the essence of Arminianism. The style of Cassianus is slovenly and shows no literary polish but its direct simplicity is far superior to the rhetorical affectations which disfigure most of the writings of that age. At the request of Castor bishop of Apt he wrote two monumental and influential treatises on the monastic life. The *De Institutione Coenobiorum* twelve books describes the dress the food the devotional exercises the discipline and the special spiritual dangers of monastic life in the East: gluttony unchastity avarice anger gloom apathy vanity and pride. The *Collationes Patrum* a series of dialogues with the pious fathers of Egypt deal with the way in which these dangers and others e.g. demons may be avoided or overcome. At the desire of Leo then archdeacon of Rome he wrote against Nestorius his *De Incarnatione Domini* in seven books.

*Demons and the Making of the Monk* David BRAKKE, David Brakke, 2009-06-30 In this finely written study of demonology and Christian spirituality in fourth and fifth century Egypt David Brakke examines how the conception of the monk as a holy and virtuous being was shaped by the combative encounter with demons. Drawing on biographies of exceptional monks collections of monastic sayings and stories letters from ascetic teachers to their disciples sermons and community rules Brakke crafts a compelling picture of the embattled religious celibate First Sight Laurence Freeman, 2011-01-07 In his latest book Laurence Freeman shows that the basic experience of contemplation is the experience of faith and that we all need to develop this in order to become fully human. We are all capable of it indeed we are designed for it. Freeman redefines faith for our secular age. He draws on his wide experience and travels in the modern world to show how a new sense of the spiritual dimension can transform the way we approach education business mental health the environment inter religious dialogue and our view of ourselves in society. Moving from this new vision and fresh thinking illustrated vividly from his own life experience he leads to practice. Meditation he shows offers an accessible and attractive antidote to the current cult of speed and distraction. He does not deny that this needs discipline but because it is radically simple it is a path that all can integrate. *First Sight* is the sequel to Laurence Freeman's acclaimed book *Jesus the Teacher Within* **Putting Joy Into Practice** Phoebe Farag Mikhail, 2019-04-01 Putting Joy into Practice Seven Ways to Lift Your Spirit from the Early Church is an invitation to a life of joy. Phoebe Farag Mikhail explains what joy is and how to experience it through seven spiritual
