**Making Life Work** Bill Hybels, Lynne Hybels, 1998-09-14 Bill Hybels points us to the wisdom of the book of Proverbs This practical guidebook is ideal for anyone who wants to live the Christian life with wisdom and wholeness      **Decision Making and the Will of God** Garry Friesen, J. Robin Maxson, 2009-10-07 Does God Have a Perfect Will for Your Life Does God have a perfect will for each Christian Can you be absolutely certain of God s specific will for your life In this expanded twenty fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God s will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources Study guide for small groups Responses to Frequently Asked Questions Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God s will yet many are still unsure whether they ve found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God s will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God s will was biblically deficient Maybe there was a better way to understand HOW God guides      New Monasticism and the Transformation of American Evangelicalism Wes Markofski, 2015 In *New Monasticism and the Transformation of American Evangelicalism* Wes Markofski combines vivid ethnographic storytelling and incisive theoretical analysis to introduce readers to the fascinating and unexplored terrain of the burgeoning neo monastic evangelical movement      *NIVAC Bundle 3: Wisdom Books* John H. Walton, Gerald H. Wilson, Paul Koptak, Iain Provan, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written      The Truth About Material Wealth: Is It God S Blessing in Disguise? Revd Dr Gabriel J. Anan PhD, 2015-11-23 The text of this book reveals the fact that because of poverty in our world theres a desire for every being to accumulate material possessions therefore the temptation to pursue this cause of action can never be underestimated regardless of our belief in

the Lord God Regardless of the desire to be wealthy however many believers still ascertain the fact that poverty must be encouraged as part of our faith in Jesus Christ our Lord They support the argument from the biblical text thus For it is easier for a camel to go through the eye of a needle than for a rich person to enter the kingdom of God Luke 18 25 Conversely other believers assert that God does not refute richness and therefore also affirms their belief with the biblical verse that says in the Proverbs 22 7 that the rich rule over the poor and the borrower is servant to the lender In Ecclesiastes 5 19 we hear further thus When God gives any man a wealth and possessions and enables him to enjoy them to accept his lot and be happy in his work this is a gift of God Furthermore we hear from 1 Samuel 2 7 that the Lord makes poor and makes rich he brings low and he exalts These biblical verses indicate the fact that God raises both the rich and the poor The Good News Bible in giant print expands this verse to mean the Lord makes some men poor and others rich He humbles some and makes others great 1 Sam 2 7 Deducing from these texts we can come to some kind of understanding that further reflection on both sides of the arguments is fundamentally in demand for an in depth illumination of how to live within the grace of the Living God
