during her childhood years **The Mirror** Yolanda S. Peay,2011-07-25 How does it feel to not fit in at school to be shut out and treated like an outcast This isnt a typical story about an average preteen who is treated like a misfit by her peers Phalecia who cant seem to fit in has always been taught to be herself She doesnt know it but she is in for the ride of her life The mirror will show her that image isnt everything You should never judge a girl by her cover **The Magic Mirror and the Wishes it Grants** AQEEL AHMED,2023-09-05 Summary about this story Reflections of Dreams The Enchanted Mirror is an interesting story for kids that takes them into the worlds of magic dreams and the power of having a goal The story is about what happens to Lily a young girl who lives in a beautiful town with rolling hills and sparkling streams Her insatiable desire to know more and her vivid fantasy led her to an old dusty mirror with a complicated frame studded with gems When Lily brushes away the dust the mirror starts to shine brightly and a musical voice says that it is the Mirror of Dreams a magical relic that helps people with pure hearts and wise souls get what they want Lily s surprise turns into excitement and she sets out on a life changing journey of self discovery Chapters of wonder show how Lily s three dreams come true Her first wish takes her to places far away where she discovers jungles mountains and oceans and makes friends with people and animals from all different cultures As a result of this goal she learns the value of unity the beauty of variety and how important it is to connect with other people Lily gets her second wish and goes home She realizes that the warmth of her family and the simple pleasures of her town have a place in her heart that can t be replaced Her travels have shown how important love roots and the things we know and love are to who we are Her last wish sums up the whole point of her journey she wants a world full of love kindness and understanding This dream goes beyond individual goals because it shows the power of working together and the ability to help all people Lily gets smarter as the story goes on and she finally becomes a village elder She shares her thoughts and experiences as well as the timeless reminder that the magic of the mirror is not in the item itself but in the souls of those who dare to dream and want a better world The hamlet becomes a place of peace progress and kindness which inspires the surrounding areas and leads to positive change The story s main message is that wishes made with love kindness and selflessness have the power to change the future inspire future generations and make changes that last It shows that the real power of the mirror is in the hopes of those who follow their dreams and work together to make the future better Reflections of Dreams The Enchanted Mirror is a book that celebrates the endless potential of the human spirit and encourages readers of all ages to see the magic in themselves and in the world around them How the story started Once upon a time there was a young girl named Lily who lived in a beautiful town with rolling hills and sparkling streams She had a vivid imagination and was always interested in new things The peaceful and charming setting of the town was perfect for Lily s growing creativity Lily s days were full of adventures through wildflower fields and along babbling brooks that whispered secrets from long ago Her bright eyes hinted at uncharted land and her never ending hunger for new stories and experiences drove her to keep looking for them Lily was sitting on the steps of her grandmother s small

house one sunny afternoon as the smell of flowers wafted through the town in a light breeze The cottage itself was a treasure chest of memories Its weathered walls echoed with laughter and knowledge from centuries past Lily s eyes wandered to the attic a mysterious place where whispers from another time could be heard She was interested in the idea of finding secret treasures there Lily climbed the creaky stairs the sound of her steps matching the rustling of the leaves outside She did this because she wanted an adventure With each step her excitement grew and a hint of dustiness told her that time had passed She finally opened the door to the attic and when she saw the riches inside her eyes grew wide Her attention was drawn to an old dusty mirror that leaned beautifully against the far wall between old trunks and forgotten jewels Its frame which was a work of art in and of itself was a tribute to the skill of an earlier time Its edges were covered with intricate carvings of magical animals and otherworldly settings that seemed to move in the flickering light that came through the small windows in the attic Gemstones of all different colors were nestled in the frame and the beautiful images they made on the attic walls made it look like the mirror itself was hiding a secret world It was different from any other mirror Lily had ever seen and it seemed to be made of magic It seemed to whisper secrets from the past As Lily reached out to wipe away the layers of dust that had built up on the mirror over time her fingers shook with a mix of fear and joy As her hand touched the glass a sweet musical chime rang through the attic giving her chills The mirror started to give off a soft otherworldly glow that wrapped Lily in a warm hug A sweet lyrical voice came from inside the glass It wove a tapestry of words that danced in the air like petals carried by the wind I am the Mirror of Dreams it said and its voice rang with the wisdom of times past A guardian of wishes and a doorway to the magical realm Lily s beating got faster just like the voice in the mirror She paid close attention as the mirror told her about all the dreams it had seen and wishes it had made come true With each word the mirror s ethereal light pulsed filling the air with a feeling of awe and possibilities Lily stood in front of the mirror and thought about her thoughts and dreams She thought about her deepest wishes to travel to faraway places to figure out the secrets of the world and to have a future full of exciting adventures Lily took a deep breath and spoke out loud her first wish She did this with hope and determination in her voice I want to go to the farthest corners of the world and figure out what s going on there she said with the excitement of someone about to go on a great journey As she said the last word of her wish the attic was filled with the sound of the mirror s light getting brighter Its light wrapped around Lily like a bright hug The world around her started to blur and swirl and in an instant she was standing on a golden beach with waves crashing against the shore and palm trees moving in the warm air She asked the mirror to take her to a place where there were no limits and no known boundaries Lily s heart raced when she saw the beautiful scene in front of her This was the beginning of an amazing journey that would take her across huge oceans through dense woods she couldn t get through and up tall mountains She didn t know that her trip was just getting started and that the power of the mirror would bring her many more wonderful gifts As Lily carefully wiped away the dust that had built up on the mirror s surface over the years the air was filled with a

sense of anticipation With each gentle stroke a soft shimmering glow seemed to come out of the depths of the glass like a sleeping spell slowly coming to life Everyone in the crowd seemed to be holding their breath as Lily was about to cross a mystery line As the last bits of dust were brushed away a beautiful shimmer emerged a symphony of light that swirled and sparkled across the mirror The twinkle took on a life of its own weaving a pattern of stars that drew Lily toward it and pulled her into its warm embrace The alluring light seemed to whisper secrets from the past calling her to find out more about its seductive charm Lily moved closer to the surreal scene in front of her She gasped in shock and was mesmerized by it Her own reflection sparkled in the mirror s depths where it was surrounded by bright light Her image was covered in a soft glow that seemed to match the spirit of her thoughts The mirror had turned into a magical portal an open doorway between the world of truth and the world of dreams
