Tomorrow Sex Will Be Good Again Katherine Angel, 2021-03-02 A provocative elegantly written analysis of female desire consent and sexuality in the age of MeToo Women are in a bind In the name of consent and empowerment they must proclaim their desires clearly and confidently Yet sex researchers suggest that women's desire is often slow to emerge And men are keen to insist that they know what women and their bodies want Meanwhile sexual violence abounds How can women in this environment possibly know what they want And why do we expect them to In this elegant searching book spanning science and popular culture pornography and literature debates on Me Too consent and feminism Katherine Angel challenges our assumptions about women's desire Why she asks should they be expected to know their desires And how do we take sexual violence seriously when not knowing what we want is key to both eroticism and personhood In today's crucial moment of renewed attention to violence and power Angel urges that we remake our thinking about sex pleasure and autonomy without any illusions about perfect self knowledge Only then will we fulfil Michel Foucault's teasing promise in 1976 that tomorrow sex will be good again

you like never before      Chinese Sexual Astrology Shelly Wu, 2007-01-01 With Chinese Sexual Astrology you and your partner can learn how to fuse your spiritual mental and physical energies to achieve complete satisfaction      *Routledge Handbook of Chinese Medicine* Vivienne Lo, Michael Stanley-Baker, 2022-06-19 The Routledge Handbook of Chinese Medicine is an extensive interdisciplinary guide to the nature of traditional medicine and healing in the Chinese cultural region and its plural epistemologies Established experts and the next generation of scholars interpret the ways in which Chinese medicine has been understood and portrayed from the beginning of the empire third century BCE to the globalisation of Chinese products and practices in the present day taking in subjects from ancient medical writings to therapeutic movement to talismans for healing and traditional medicines that have inspired global solutions to contemporary epidemics The volume is divided into seven parts Longue Dur e and Formation of Institutions and Traditions Sicknes and Healing Food and Sex Spiritual and Orthodox Religious Practices The World of Sinographic Medicine Wider Diasporas Negotiating Modernity This handbook therefore introduces the broad range of ideas and techniques that comprise pre modern medicine in China and the historiographical and ethnographic approaches that have illuminated them It will prove a useful resource to students and scholars of Chinese studies and the history of medicine and anthropology It will also be of interest to practitioners patients and specialists wishing to refresh their knowledge with the latest developments in the field The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license      Dream Trippers David A. Palmer, Elijah Siegler, 2017-11-27 Over the past few decades Daoism has become a recognizable part of Western alternative spiritual life Now that Westernized version of Daoism is going full circle traveling back from America and Europe to influence Daoism in China Dream Trippers draws on more than a decade of ethnographic work with Daoist monks and Western seekers to trace the spread of Westernized Daoism in contemporary China David A Palmer and Elijah Siegler take us into the daily life of the monastic community atop the mountain of Huashan and explore its relationship to the socialist state They follow the international circuit of Daoist energy tourism which connects a number of sites throughout China and examine the controversies around Western scholars who become practitioners and promoters of Daoism Throughout are lively portrayals of encounters among the book's various characters Chinese hermits and monks Western seekers and scholar practitioners as they interact with each other in obtuse often humorous and yet sometimes enlightening and transformative ways Dream Trippers untangles the anxieties confusions and ambiguities that arise as Chinese and American practitioners balance cosmological attunement and radical spiritual individualism in their search for authenticity in a globalized world      *What's Up Down There?* Lissa Rankin, 2010-09-28 In this funny outrageous and empowering book Dr Lissa Rankin answers all the secret gynecological questions that most women wonder about but have always been afraid to ask Suppose you had a wise warm funny best friend who just happened to be a gynecologist You're out with the girls for cocktails and the conversation turns to sex and then to girly parts One by one you

start asking her all the questions you've secretly wondered about and discover that you have a lot in common. If you were to write those questions down then you'd have *What's Up Down There*, a life-changing little book that answers: Do old ladies have saggy vaginas? How do male gynecologists have a sex life without feeling like they're stuck at the office? Is it normal for your inner labia to hang out of your outer labia? Can the baby feel its mom having sex during pregnancy? How common is it for one's boobs to be two totally different sizes? And so much more. As outrageously funny as it is empowering, this book reveals how to love yourself and your body and will have you recommending it to every woman you know. From off-the-wall sex questions to serious topics of women's sexual health, *What's Up Down There* provides answers to women of all ages and stages.

*The Meaning of Wife* Anne Kingston, 2006-03-21 One part *The Beauty Myth* and one part *Backlash*, a provocative exploration of who and what a wife really is. There is a wife crisis in North America, a brewing storm of conflicting forces swirling around what it means to be a wife at the beginning of the 21st Century. The word is so fraught with ambiguity that it has become a litmus test eliciting from women emotions ranging from longing to antipathy, anxiety to derision. This crisis is at the heart of Anne Kingston's *The Meaning of Wife*. Delving into the complex, troubling and sometimes humorous contradictions, illusions and realities of contemporary wifehood, Kingston takes the reader on a fascinating journey into the wedding industrial complex which elevates the bride to a potent consumer icon through the recent romanticization of domesticity and across the conflicted terrain of wifely sexuality. She looks at wife backlash and the new wave of neo-traditionalism that urges women to marry before their best before dates expire, explores the apotheosis of abused wives and the strange celebration of wives who kill and muses on the fact that Oprah Winfrey and Martha Stewart, two of the world's wealthiest and most influential women, are both non-wives whose success has hinged on their understanding of wives. The result is an entertaining mix of social, sexual, historical and economic commentary that is bound to stir debate even as it reframes our view of both women and marriage.

*The Energies of Love* Donna Eden, David Feinstein, 2016-01-19 The bestselling authors of *Energy Medicine* and *Energy Medicine for Women* present a complete program for using energy medicine to heal and strengthen romantic relationships. A relationship begins with the meeting of two unique energies. This union of energies, though invisible, determines the way you communicate, fight, love and want to be loved. In this groundbreaking book, the bestselling authors of *Energy Medicine* draw on the real-life experiences of couples who have attended their popular *Energies of Love* workshops as well as their own experience as husband and wife to show how an understanding of your energy system and that of your partner can help you build a more harmonious and loving bond. We all have different ways of making sense of the world around us, but when faced with conflict, especially with those we care most about, we tend to revert to one of four Energetic Stress Styles. Visuals are extremely passionate and inspire others to care about the things they care about, but in moments of conflict, their take on the situation can overshadow what is actually occurring, undermining their ability to empathize with their partner. Kinesthetics are generous, compassionate and accepting.

of other people but their caring nature pulls them in too many directions They try to meet others needs at the expense of their own which can cause mounting resentment Digitals are rational and principled and have a gift for quickly understanding complex situations but they can become closed to others perspectives and feelings Tonals have a gift for understanding others and their dilemmas but during moments of conflict their ability to read between the lines can morph into hearing what was never said felt or thought According to the authors the strongest relationships are those in which the two parties feel that they are partners on a shared spiritual journey By helping you better understand your own unique energy system as well as that of your partner you will be able to recognize your strengths as a couple and avoid the pitfalls The Energies of Love serves as a powerful resource for anyone who wishes to build a rich partnership while maintaining the spark that keeps a relationship exciting
