Visions from Professional Development

School Partners Michael Cosenza, Marilyn Buchanan, 2018-01-01 Rich clinical preparation combined with progressive experiences in professional development school PDS settings are proposed to bring about systemic and impactful transformation of educator preparation and professional growth in order to improve and enhance P 12 student learning In this book diverse authors describe their efforts to forge PDS partnerships to develop and deliver high quality training and practical experiences for candidates and simultaneously provide professional development for experienced practitioners in ways that mirror recommendations found in authoritative reports and literature The authors collective wisdom is vividly

captured in the multi voiced chapters that are collaborations between cooperating teachers school administrators county and district level administrators university supervisors and instructional faculty The contexts authors write about are recognizable and the accomplishments they experienced and challenges faced will resonate with institutions courageously undertaking change or renewal The book will be invaluable to school and university faculty and administrators as they transition to a partnering model of clinical preparation for teacher candidates it will help stakeholders decide if their schools and institutions are ready to commit to a partnership and highlight the benefits they stand to gain but realistically address challenges that may be faced by administrators and faculties as well as teacher candidates in the PDS enterprise

On Being a Teacher Marge Scherer, 2016-07-25 If you had to name the defining characteristic of a good teacher what trait would you suggest Would you start ticking off the skills listed on the evaluation framework used in your district Or would you think back to your own experiences and consider the most memorable educators you ve known In this collection of articles from Educational Leadership the authors all educators and educators of educators discuss what it means to be a good teacher They include tips and strategies for everything from connecting with students to planning the teaching day reflections on the profession as a whole and descriptions of practices that can make the teaching experience more effective and more rewarding This enhanced e book includes 11 video clips from educators including Jeffrey Benson Baruti K Kafele and Robyn R Jackson discussing why they became teachers what it means to be a leader of educators and more Please note that only devices and software that support EPUB3 and the MP4 video format can play the video clips Check the customer support area of the website for the specific device or software to determine its compatibility
