Pathways to Serenity. Overcoming Your Addictions One Day at a Time David Palmer, 2013-03-29 This book is mainly about people who have experienced the blessings and joy of recovery from their addictions how they did it and how you can do it My purpose in writing it is to give you the reader hope and encouragement The rest is up to you You will find my story the one I tell at 12 Step meetings in appendix 1 of the book I hope you will conclude when you read it that If this guy can do it I can too There are also nineteen chapters in the book that will help you better understand the resources available to you There are chapters for example on people we are especially interested in adolescents veterans and prison inmates and about programs like Alcoholics Anonymous Al Anon and Celebrate Recovery I call these chapters pathways to serenity in the title of the book and emphasize taking it no more than one day at a time a vital key to recovery The photo of my wife and me on the cover is meant to reassure those who seek recovery that there can be happiness after you drop the alcohol drugs or other addictions And there will be moments of serenity but not every moment That s where the one day at a time comes in The stories about people and programs are snapshots People and programs change some in recovery have slips and may never come back while others succeed It is also true that some programs succeed while others fade away That s life and readers must take this into account in charting their own recovery This then is a freeze frame of people dealing effectively with their addictions through programs that work We must remember that they are contending with an adversary addiction which chapter 5 of the Big Book of Alcoholics Anonymous describes as cunning baffling and powerful Maybe so but we have access to the God of the universe The late Joe McQuany who wrote a text book on recovery used by treatment centers travelled the world over carrying the message helped integrate AA meetings in the deep south and taught what the 12 Steps of AA had this to say about God and man I look at the battles that go on in life and I look at the resentments and fears guilt and remorse and how these things block us from God and shackle us to the self Then I look at love tolerance patience courage and wisdom These qualities have come from God and they are always within us In our outer and inner conflicts we can see the powers of self contending with the powers of God Amen

Personality and Wholeness in Therapy: Integrating 9 Patterns of Developmental Pathways in Clinical Practice (Norton Series on Interpersonal Neurobiology) Daniel J. Siegel, PDP Group, 2024-11-19. A new way to consider patterns of personality with the combined application of neurobiology and traditional wisdom. Personality and Wholeness in Psychotherapy applies the perspective of interpersonal neurobiology to a traditional wisdom framework widely known as the Enneagram of Personality. This framework describes a lifespan developmental personality model of nine distinct key strategies that people use to make sense of and cope with their experiences and interactions with the world. These strategies can be understood as nine Patterns of Developmental Pathways or PDPs. This book provides mental health practitioners with both a theoretical understanding of PDPs and practical tools for implementing the framework in clinical settings. Readers will find detailed descriptions of the nine core patterns of personality as well as integrative practices specific to each of these patterns that can help people work towards states of well being and wholeness. This innovative book has the potential to unlock deep and lasting change in problematic and perplexing patterns of thinking, feeling and behaving, transforming personality from a prison to a playground for readers and clients alike.

Pathways to Restore the Feminine Kirsty E. Green, 2014-01-31. In the high tech and fast paced world we need to make time to remember our true nature and align with the peace and serenity that come from within. Meditation and ritual can serve to bring about those more peaceful states of harmony and well being. In Pathways to Restore the Feminine, author Kirsty E. Green shows how to establish practices that enhance the feminine aspect of our being. The practices focus on transforming each person within their own unique authentic potential, allowing us to awaken and see life through the eyes of the heart. Green draws these practices from more than twenty years of experience working in alternative therapies, areas of counseling, clairvoyant work, energy healing, grief and transition ceremonies, and meditation days in the forests in and around Melbourne, Victoria. Pathways to Restore the Feminine presents thoughtful and caring words of guidance and inspiration for women, showing that ritual and meditation are easy once you make a habit of creating time throughout your day.
