*Black Liberation/red Scare* Gerald Horne,1994-07 *Black Liberation Red Scare* is a study of an African American Communist leader Ben Davis Jr 1904-64 Though it examines the numerous grassroots campaigns that he was involved in it is first and foremost a study of the man and secondarily a study of the Communist party from the 1930s to the 1960s By examining the public life of an important party leader Gerald Horne uniquely approaches the story of how and why the party rose and fell Ben Davis Jr was the son of a prominent Atlanta publisher and businessman who was also the top African American leader of the Republican party until the onset of the Great Depression Davis was trained for the black elite at Morehouse Amherst and Harvard Law School After graduating from Harvard he joined the Communist party where he remained as one of its most visible leaders for thirty years In 1943 after being endorsed by his predecessor Adam Clayton Powell Jr he was elected to the New York City Council from Harlem and subsequently reelected by a larger margin in 1945 Davis received support from such community figures as NAACP leader Roy Wilkins boxer Joe Louis and musician Duke Ellington While on the council Davis fought for rent control and progressive taxation and struggled against transit fare hikes and police brutality With the onset of the Red Scare and the Cold War Davis like the Communist party itself was marginalized The Cold War made it difficult for the U S to compete with Moscow for the hearts and minds of African Americans while they were subjected to third class citizenship at home Yet in return for civil rights concessions African American organizations such as the NAACP were forced to distance themselves from figures such as Ben Davis In 1949 he was ousted unceremoniously and perhaps illegally from the City Council He was put on trial jailed in 1951 and not released until 1956 when the civil rights movement was gathering momentum His friendship with the King family based upon family ties in Atlanta was the ostensible cause for the FBI surveillance of Dr Martin Luther King Jr and COINTELPRO the counterintelligence program of the FBI which was aimed initially at the CP USA made sure to keep a close eye on Davis as

well But when the civil rights movement reached full strength in the 1960s Davis s controversial appearances at college campuses helped to set the stage for a new era of activism at universities Davis died in 1964 According to Horne the time has now come when he along with his good friend Paul Robeson and W E B DuBois should be regarded as a premier leader of African Americans and the U S Left during the twentieth century BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      **New York Magazine** ,1997-12-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      722 Miles Clifton Hood,2004-08-23 When it first opened on October 27 1904 the New York City subway ran twenty two miles from City Hall to 145th Street and Lenox Avenue the longest stretch ever built at one time From that initial route through the completion of the IND or Independent Subway line in the 1940s the subway grew to cover 722 miles long enough to reach from New York to Chicago In this definitive history Clifton Hood traces the complex and fascinating story of the New York City subway system one of the urban engineering marvels of the twentieth century For the subway s centennial the author supplies a new foreward explaining that now after a century we can see more clearly than ever that this rapid transit system is among the twentieth century s greatest urban achievements      **The Oxford Dictionary of American Quotations** Hugh Rawson,Margaret Miner,2005-12-15 With nearly 6 000 quotations arranged historically and annotated extensively you ll know not just who said what but get the full story behind the quote Follow any of the more than five hundred topics from Abolition to Zeal and you will get a nutshell history of what great and not so great Americans had to say about each one Quotations are arranged chronologically in each topic allowing the reader to trace patterns of thought over time Fully indexed by author including brief biographical sketches and keyword this is an essential reference for anyone interested in the great people and ideas of American history      **The Guilty** Jason Pinter,2016-08-15 Book 2 of the Henry Parker series by bestselling thriller author Jason Pinter As I lie in bed with Amanda ignoring another late night call from my ex a shot rings out in the New York night and a beautiful starlet dies outside the city s most popular nightclub This is the kind of story I was born to chase but I never dreamed this story began over a hundred years ago Suddenly another life is taken the bullet fired from one of the deadliest guns ever made Both victims are highly controversial their murders more like public executions My search leads me into the twisted world of The Boy a world defined by a demented code of honor and shocking long buried secrets of the world s most infamous outlaw When this assassin realizes I m getting too close to the truth uncovering the past could jeopardize everything I care about Because in his world there s a fine line between good and evil and the difference between innocence and guilt depends on who s holding the gun An author who dares to take the traditional thriller in bold new directions New York Times bestselling author Tess
