American Rhetoric Thomas W. Benson, 1989 Nine fresh views of the interconnections of historical critical and theoretical scholarship in the field of American rhetoric Stephen T Olsen addresses the question of how to determine the disputed authorship of Patrick Henry s Liberty or Death speech of March 23 1775 Stephen E Lucas analyzes the Declaration of Independence as a rhetorical action designed for its own time and drawing on a long tradition of English rhetoric Carroll C Arnold examines the communicative qualities of constitutional discourse as revealed in a series of constitutional debates in Pennsylvania between 1776 and 1790 James R Andrews traces the early days of political pamphleteering in the new American nation Martin J Medhurst discusses the generic and political exigencies that shaped the official prayer at Lyndon B Johnson s inauguration In Rhetoric as a Way of Being Benson acknowledges the importance of everyday and transient rhetoric as an enactment of being and becoming Gerard A Hauser traces the Carter Administration s attempt to manage public opinion during the Iranian hostage crisis Richard B Gregg ends the book by looking for conceptual metaphorical patterns that may be emerging in political rhetoric in the 1980s

**Give Me Liberty** Martin Harry Greenberg, Mark Tier, 2003-01-01 WHEN IN THE COURSE OF FUTURE EVENTS Liberty is a recurring theme in science fiction Here s a volume of explorations of this theme some even arguing that freedom can be best served by doing away with government entirely As Thomas Jefferson wrote Eternal vigilance is the price of liberty And in the future eternal vigilance against our own government will be even more important than vigilance against hostile outsiders A stellar roster of science fiction writers consider how a government free society could operate how the Soviet Union might have fallen apart even earlier because of an apparently harmless device how a low tech society might throw off the influence of more advanced intruders how the right to own weapons is fundamental to freedom and much more In the future liberty may be even more

threatened than in our present and this volume suggests very unusual ways of defending it At the publisher s request this title is sold without DRM Digital Rights Management Praise for Martin Harry Greenberg Greenberg s choices are impeccable Booklist Provocative and well planned Kirkus Reviews Sheer enjoyability A fine mix of stories provokes everything from meditation to laughter Library Journal

**Speech Moments** Corbin Shepherd, AI, 2025-05-06 Speech Moments explores the profound impact of rhetoric dissecting historical and political speeches to understand how they shaped events and influenced generations The book argues that speeches are not mere reflections of their time but active agents of change It investigates the intricate interplay between rhetorical techniques historical contexts and tangible consequences By understanding these elements readers gain insights into how leaders and movements harness language to mobilize populations or inspire hope The book s approach is unique focusing on detailed textual analysis historical circumstances and long term impact It examines primary sources like speech transcripts and news coverage alongside secondary sources Speech Moments introduces core rhetorical concepts such as ethos pathos and logos before delving into specific speeches Each chapter provides a comprehensive analysis exploring the historical backdrop the speech itself and its lasting effects The book synthesizes case studies to identify broader patterns of consequential oratory The book progresses systematically beginning with rhetorical concepts and then moving to specific speeches culminating in broader principles of effective oratory By examining how well crafted oratory transcends its immediate context the book emphasizes the enduring role of communication in the political landscape Readers will develop critical listening skills and a deeper understanding of political discourse empowering them to evaluate speeches more effectively

**Patrick Henry** Susan Sales Harkins, William H. Harkins, 2020-02-11 When it came time to question whether America should be independent from Great Britain many were quiet Fearful of committing treason against the King of England many American colonists were afraid to speak their minds Patrick Henry spoke when others wouldn t When the British taxes and rules became more than the colonists could bear Henry unleashed his contempt for the British monarchy He even went so far as to warn that tyrants often meet with a violent end He said what many Americans felt but were too afraid to say Some believed he spoke treason and his words could ve led him to the gallows Instead his words led Americans to war and to independence from the tyrannical King George III

**Who Was Thomas Jefferson?** Dennis Brindell Fradin, Who HQ, 2003-07-28 Did you know that John Adams had to coax Thomas Jefferson into writing the Declaration of Independence It s true The shy Virginia statesman refused at first but then went on to author one of our nation s most important and inspiring documents The third U S president Jefferson was also an architect inventor musician farmer and what is certainly the most troubling aspect of his life a slave owner Finally here s a biography for kids that unveils the many facets of this founding father s remarkable and complicated life

**Counterculture** Catherine P. Butte,2024-03-10 In recent years the cultural climate of America has shifted dramatically away from a biblical worldview For the committed Christian this turn of events poses many problems However Believers do not have to shrink back in fear or run from the battle There is also a counterculture of passionate Christians who are not willing to sit by idly as our history is rewritten our legacies destroyed and our future stolen Instead this counterculture aims to take back our nation and ultimately reform and restore America In a thought provoking exploration shared to encourage the remnant and call others out of darkness into God s light Catherine Butte challenges Christians and nonbelievers alike to rise from the ordinary and move into the extraordinary in order to experience more of the epic life God has planned for each of us Through her guidance and insights readers will Experience the liberating truths and freedom that comes with a biblically based discourse on matters that are attempting to divide our nation and the Body of Christ Be armed with the truth of our nation s biblical roots and its righteous foundation Be encouraged and inspired by the wonder of the supernatural and miraculous in the life of the Believer and Receive God s unconditional love grace and mercy Counterculture is an uplifting presentation that offers the truths of God s Word to encourage Christians and nonbelievers to join a passionate movement to see America gloriously reformed and restored

**The Political Theory of Political Thinking** Michael Freeden,2013-08-08 What does it mean to say that human beings think politically and what is distinctive about that kind of thinking That question is all too infrequently asked by political theorists or is dealt with through generalizations abstractions and dichotomies This study examines the actual real world patterns people display when thinking politically identifying six features of political thinking They include the role of making ultimate decisions and regulating all social affairs ranking

collective priorities mobilizing support for groups or withholding it conceptualizing social order and stability as well as disorder and instability projecting future visions and constructing plans for a society and engaging the power aspects embedded in language by means of reason rhetoric emotion or menace Concurrently the untidiness and occasional failures of thinking politically are acknowledged alongside its quest for neatness A large number of case studies is employed drawn both from professional political theorists and philosophers and from various instances of vernacular usage politicians political commentators or protest groups Both contemporary and historical evidence from different cultures is utilized in illustrating the theoretical framework of the book This is the first systematic study of political thinking as a cluster of thought practices combining insights from political theory traditional and recent the study of language and discourse and political science This investigation of the political as a mode of thinking challenges many conventional understandings of political thought in the current literature teases out what is political not philosophical or ethical in political theory and locates it as a complex and ubiquitous social practice present at all points of human interaction and at diverse levels of articulation
