Patriotic Nightmare:

A Patriotic Nightmare Don E. Post, 2005 Darren Hopkins a young naive international businessman without government experiences is hired as a research analyst with the President's National Security Committee and suddenly finds himself embroiled in a highly divisive struggle He learns that so called super patriots are acquiring weaponry from the Mid East and that the CIA is trying to track the shipments But the CIA fails and the potential volatility of a link between America's domestic terrorists and international terrorists sends chilling shock waves throughout the nation Secret deliberations of a newly formed Terrorism Task Force are constantly leaked to the domestic terrorists It becomes impossible to trust anyone Old friendships are torn asunder and families are ripped apart The unbelievable turns believable as domestic terrorism erupts at all levels of American life and no citizen is left unscathed Are the self styled super patriots capable of doing what Nazi Germany and other nations have been unable to accomplish bring the U S government to its knees DON E POST has an MA in sociology MTh in theology and a PhD in educational anthropology A Professor and Dean for many years he has worked extensively throughout the world as an international business consultant He is the author of numerous books and articles

Our Patriotic Nightmare Sgt. Nobody, 2022-08-04 Our country was founded by the people for the people yet the people have no say so in how the country is run We put our lives in the hands of complete strangers We are more divided than ever Someone has to try to unite everyone Not just one type of person but all Americans that are here now and those to come That is what this country is about or at least supposed to be We have lost our focus as a country when instead we should be focused on the people of this beautiful country Nobody can control what family they are born into but you can control the person you become Until we rise above the hate and stupidity together we are in trouble

Patriotic Murder Peter Stehman, 2018-10 Robert Prager a lonely German immigrant searching for the American dream was probably the most shameful U S casualty of World War I From coast to coast Americans had been whipped into a patriotic frenzy by a steady diet of government propaganda and hate mongering In Collinsville Illinois an enraged drunken mob hung Prager from a tree just after midnight on April 5 1918 Coal miners in the St Louis suburb would show the nation they were doing their patriotic part that they too were fighting the fight And who would stop them anyway Not the alderman or businessmen who watched silently Not the four policemen who let Prager from their custody without drawing a weapon And who would hold the mob leaders accountable Certainly not the jury that took just ten minutes to acquit them all while a band played The Star Spangled Banner in the courthouse lobby Peter Stehman sheds light on the era's hijacking of civil liberties and a forgotten crime some might say has fallen prey to patriotic amnesia Unfortunately the lessons from Patriotic Murder on intolerance and hate still resonate today as anti immigration rhetoric and ber nationalism have resurfaced in American political discussion a century later

Cooper,1991-12-19 Despite the liberalized reconfiguration of civil society and political practice in nineteenth century Europe the right to make foreign policy devise alliances wage war and negotiate peace remained essentially an executive prerogative Citizen challenges to the exercise of this power grew slowly Drawn from the educated middle classes peace activists maintained that Europe was a single culture despite national animosities that Europe needed rational inter state relationships to avoid catastrophe and that internationalism was the logical outgrowth of the nation state not its subversion In this book Cooper explores the arguments of these patriotic pacifists with emphasis on the remarkable international peace movement that grew between 1889 and 1914 While the first World War revealed the limitations and dilemmas of patriotic pacifism the shape if not substance of many twentieth century international institutions was prefigured in nineteenth century continental pacifism **Inspector Ghote Caught in Meshes** H.
