## **Pattern And The Prophecy Gods Great Code:**

**The Pattern & the Prophecy** James Harrison, 1996-11-01 We live in perilous times the truths of Christianity are under daily attack Anti religious books are everywhere even in Christian bookstores Consider *The God Delusion* by Richard Dawkins *God is not great* by Christopher Hitchens or *The End of Faith* by Sam Harris These books and others are converting America to a secular atheist state Plus Islam is growing worldwide Fewer people identify themselves as Christians than in the past a decrease of 10 to 20 percent in just the last few years Young people are leaving the church in record numbers as many as 70 percent in a decade Intellectual skepticism is growing at an unprecedented pace as the truths of the Gospels are under daily assault What can we do Clearly we must confront these attacks and beat them at their own game reason and science James Harrison shows us how to do this in *The Pattern The Prophecy God s Great Code* At the core of all the sciences is mathematics The author proves God put as much mathematics into His Word as he placed in His Works Everyone knows the number of the Antichrist but who knows the number of Christ or the number of Jesus And how is Jesus number related to Noah to being born again and the resurrection And since fishermen never count fish what is the purpose of exactly 153 fish from John 21 11 Harrison reveals all this and much much more proving mathematics lies at the heart of God s Holy Word from Genesis 1 1 to Revelation 22 21 the Bible s first and last verses Armed with this absolute certainty Christians can convert any non believer As Isaiah 54 17 says No weapon forged against you will prevail After reading this book you will be an expert on the Bible s patterns numbers and symbolism You have never read like this before a book that comes along once in a lifetime to change lives forever This book is destined to become an American classic Look for yourself Included are many color photographs numerous illustrations bibliography proofs and three indexes scriptural number and subject Easy to read and informative this book will enrich the spiritual life of every Christian This book has garnered a consistent string of rave reviews here are two The author guided by the Holy Spirit connects Old Testament dates and history and connects them to New Testament reality straight forward to our days With even handed treatment that presents different views in an organized and logical form *The Pattern The Prophecy* is a great resource for putting the information into an easy to understand format and teaching eschatology The author is simply brilliant a scrupulous scholar and his point of view is based primarily on the Canonized Holy Scriptures although he is not afraid to gain insights from other sources of information This particular book plows new ground I need to re read it I think it s worth the time and effort Very thought provoking A must read for those who want to know the truth in a beautiful new eBook format Gerry Alabama Teacher If you want more understanding as you read the Bible read this book It proves that God is the Master Mathematician Actually I m not any good at math at all but I understand the basic concept Harrison is writing about As a matter of fact its easy to do this yourself For example In Chapter 8 I read that 153 is Jesus celestial number so I found out on my own that the word lamb s is in the Old Testament 153 times Jesus is the Lamb of God that takes the sin away from the world Also regarding the 144 000 Jews that

will be saved after the rapture I counted Jerusalem in the New Testament and it s in there 144 times I love this book Go for it you can find your own pieces of the God puzzle as I have God is letting us in on so many things Don t miss out Debbie Stopforth Graduate of Grace School of Ministry

**God's Hidden Creation Numbers\*** Charles D. Landis,2008-07 This second volume of short stories continues to view man as the strangest of all creatures His actions are often dictated by reflex more often by needs and desires sometimes by well thought out plans and quite often by on the spot decisions Man often may seem the most irrational of all creatures and his deeds can make one wonder if he is as touted the highest form of life A man s thoughts are always more strange than his actions for thoughts have no physical or spiritual limits no set rules that must be followed no constraints that have to be obeyed and no fear of being discovered Within this small anthology of short stories you will have the opportunity to travel a variety of strange roads and meet an odd assortment of characters human and otherwise Some may disturb you some may frighten you some may even amuse you but they all will play with your mind to the degree that your imagination permits them to do so Trek through the jungle visit the quiet cemetery walk along the dark and lonely streets journey up the Alps travel those trails that lead to places that you will find on no map Give your imagination free rein and take hold of Angel Dark s hand and walk beside her But be careful Not everything is as it first appears and even someone as beautiful as Angel has her dark side

**Jesus Christ, the Number of His Name** Bonnie Gaunt,1998 Sir Issac Newton searched more than half a lifetime for the secret code that he suspected was in the original texts the Old and New Testaments He died without ever finding it That sacred code now reveals the story of Jesus Christ His part in the work of creation His coming as the babe of Bethlehem and His glorious second coming as the promised King on David s Throne The exciting message that was encoded into the original text tells the time of His coming and the Earth s Great Millennium Today we are living in the time that was prophesied This book takes us on an exciting journey into the secrets of that code and its astounding message

**The Prophets of God** John F. Finkbeiner,2012-01-31 We are at war When our Lord and King prepares for battle he first releases a loyal band of servants prophets who boldly declare his intentions Objective observers agree that this world is headed in a very bad direction The signs for an impending disaster are everywhere Profiteers are capitalizing on this growing sense of danger by manufacturing dire end of the world predictions These false prophecies swirl about as people struggle to make sense of the increasing insanity and violence Presently God is selecting and preparing his anointed prophets for a global assault They will overturn the money changers tables in the compromising and lukewarm church as they announce the coming destruction of the wicked Even now Satan is sending a great multitude of

his minions to every institution where he has a foothold in order to undermine the truth and fill the minds of the Biblically uninformed with lies fear and hatred It will take a hero s courage to read The Prophets of God with an open mind and an open Bible Taking a Pre Wrath Rapture position the arguments contained inside have the power to rock the Christian establishment to its core If the message in this book becomes widely known it will thoroughly upset those profiting from the status quo But that is what the Spirit must do What comes out of the prophet s mouth is a two edged sword that judges each one hearing the message Inside The Prophets of God readers will have a valuable resource as they go forward to the end of this age and the return of Christ Each page promotes wisdom that comes from God while exposing the deceit that originates in the hell of his defeated foe Chapters such as The King s Enemy Counterfeits The Sword Captivity The Surprise Judgment and Restoration will excite and challenge every Bible student regardless of their knowledge level Nothing is more powerful than an idea whose time has come Absolutely nothing can stop it What is contained in The Prophets of God will demonstrate again how the pen is mightier than the sword Why now Why this book It is because it is the season for war The time for the great battle prophesied at Jesus return will soon arrive Before then sides will be chosen men and women will persuade their children and their friends as to whom they should believe On the day of the Lord s salvation those with a future and a hope will all have one thing in common They recognized heard and followed The Prophets of God     *The End of the World* Tom McIver,1999 This bibliography contains careful and bias free annotations of close to 3 500 works written over many centuries about the end of the world predominantly but not entirely from a Christian perspective The books pamphlets websites and selected other media cover a wide variety of eschatological beliefs from the numerous fundamentalist scenarios to the mystical and the violent and include such topics as the Tribulation the Rapture the Millennium Armageddon the Second Coming the Antichrist and the Apocalypse Works on other major religions such as Judaism Islam the mythos of popular cultures Mayan prophecies Norse Ragnarok UFO occult and psychic theories Heaven s Gate Nostradamus and secular theories Y2k computer chaos can be found The work is in four parts plus indexes Entries in the pre 1800 part are arranged chronologically beginning with the Books of Enoch in the second century BC Other entries are arranged alphabetically within the three chronological subdivisions of 1800 1910 1910 1970 and post 1970 All include full bibliographic information and annotations regarding format type of work theme the author s background the category of theories espoused distinctive or notable characteristics the intended readership and the significance of the work There are cross references to works by the same author An introduction describes major types of beliefs outlines basic Fundamentalist end of the world scenarios summarizes Biblical sources and explains important terms concepts and relationships among sources The work is extensively indexed by author title and subject     **Canadian Books in Print** Marian Butler,2000     **Canadian Books in Print** ,2000     **Sense and Transcendence** Ortwin de Graef,1995     *Cosmic Codes* Chuck Missler,2004     **Theology After Christendom** Joshua T. Searle,2018-02-14 Christianity must be understood not as a religion of private salvation but as a

gospel movement of universal compassion which transforms the world in the power of God's truth. Amid several major global crises including the rise of terrorism and religious fundamentalism and a sudden resurgence of political extremism Christians must now face up fearlessly to the challenges of living in a post truth age in which deceitful politicians present their media spun fabrications as alternative facts. This book is an attempt to enact a transformative theology for these changing times that will equip the global Christian community to take a stand for the gospel in an age of cultural despair and moral fragmentation. The emerging post Christendom era calls for a new vision of Christianity that has come of age and connects with the spiritual crisis of our times. In helping to make this vision a reality Searle insists that theology is not merely an academic discipline but a transformative enterprise that changes the world. Theology is to be experienced not just behind a desk in an armchair or in a church but also in hospitals in foodbanks in workplaces and on the streets. Theology is to be lived as well as read.

**A New Perspective on the Use of Paul in the Gospel of Mark** Cameron Evan Ferguson, 2021-03-01

This volume presents a detailed case for the plausible literary dependence of the Gospel of Mark on select letters of the apostle Paul. The book argues that Mark and Paul share a gospel narrative that tells the story of the life, death, resurrection and second coming of Jesus Christ in accordance with the scriptures and it suggests that Mark presumed Paul and his mission to be constitutive episodes of that story. It contends that Mark self consciously sought to anticipate the person, teachings and mission of Paul by constructing narrative precursors concordant with the eventual teachings of the itinerant apostle, a process Ferguson labels Mark's etiological hermeneutic. The book focuses in particular on the various representations of Christ's death that Paul believed occurred within his communities. Christ's death performed in ritual, prefigured in scripture and embodied within Paul's person and it argues that these are all seeded within and anticipated by Mark's narrative. Through careful argument and detailed analysis *A New Perspective on the Use of Paul in the Gospel of Mark* makes a substantial contribution to the ongoing debate about the dependence of Mark on Paul. It is key reading for any scholar engaged in that debate and the insights it provides will be of interest to anyone studying the Synoptic Gospels or the epistles of Paul more generally.

**Words with Power** Northrop Frye, 2008-01-01

*Words with Power* is the crowning achievement of the latter half of Northrop Frye's career. Portions of the work can be found in Frye's notebooks as far back as the mid 1960s when he had just finished *Anatomy of Criticism* and he completed the book shortly before his death in 1991. Beyond summing up his ideas about the relation of the Bible to Western culture *Words with Power* boldly confronts a host of questions ranging from the relationship between literature and ideology to the real meaning of words like spirit and faith. The first half of the double mirror structure looks at the language in which the Bible is written, arguing that it is identical to that of myth and metaphor. Frye suggests therefore that given this characteristic the Bible should be read imaginatively rather than historically or doctrinally. However he is also careful to point out the ways in which the Bible is more than a conventional work of fiction. The second half is an astonishing tour de force in which Frye demonstrates how both the Bible and literature

revolve around four primary concerns of human life This edition goes beyond the original in its documentation of Frye s dazzlingly encyclopedic range of reference Profound and searching Words with Power is perhaps the most daring book of Frye s career and one of the most exciting *Edward II and a Literature of Same-Sex Love* Michael G. Cornelius,2016-10-21 The narrative re tellings of the life reign and death of the English King Edward II reigned 1307 1327 present a unique opportunity for scholars of sexuality in the early modern era This is because the works of authors like Christopher Marlowe Michael Drayton Sir Francis Hubert Elizabeth Cary and Richard Niccols were all inspired by the public cultural memory fashioned from Edward s same sex love affair with Piers Gaveston As such each of them presents a particular representation of and a specific discourse about male male sexual relations in the Renaissance In other words what these works present is a concentrated body of literature about same sex love in the early modern era works that openly and frankly explore the possible origins of the love the reasons and causes for it works that explore the ramifications of male male romantic relationships works that explore the sexual politics and sociocultural dynamics of same sex romantic partnerships and works that describe and denote same sex love from an English Renaissance perspective This study looks at each of the major Renaissance texts about Edward II and examines the means through which each text understands and analyzes the nature of male male same sex love From Marlowe s crafting of a lover identity for Edward to Drayton s obsession with Marlowe s version of gay history from Hubert s Augustinian construction of Edward s nature to Cary s identification with the fallen king to Niccols inspired exemplum what each of these works demonstrates is that the love that dare not speak its name would not be silenced at least not in the case of Edward and Gaveston When one sees the name Edward II one also sees his same sex loves The correlation has become ingrained into our public recall of history Thus as far as the world is concerned Edward II was and ever will be the gay king *Patterns of Faith* C. E. Davis,2007-12-28 Greater than vast history and allegory the Judeo Christian Bible is woven together to display a tapestry of themes the author coins Patterns of Significance These patterns describe the cogent and perennial characteristics of the chief biblical characters God Man Satan and Jesus Each one possesses characteristics which are consistent timeless and recognizable In this treatise a Born Again Christian reasons and examines topics such as Critique of Jewish Christian History Formation of Judeo Christian Canon Role of Prophecy Throughout History Nature of God Man Satan and Jesus Moral Accountability and Death **The United States in Prophecy** Leon Albert Smith,1914 *Patterns of Belief* Eric Carlton,2017-07-05 The principle purpose of Religious Education has traditionally been to instruct and inform with discussion and questioning occupying a secondary position This traditional approach gives overwhelming emphasis to the historical aspects of religion and not only fails to put into perspective the issues raised by religion today but also takes no account of the growing movement in schools towards learning by enquiry and questioning rather than by the accumulation of stated facts This title first published in 1973 explores the ways in which religion can be approached from a more sociological standpoint and aims to encourage the reader to

examine religion in a more objective manner The wide ranging and exploratory theme of this book makes it ideal for follow up work and suggestions for further study are provided after each chapter This title will be of interest to teachers and students of Religious Studies     **Anglo-American Encyclopedia** ,1910     *Sacra Pagina: The Acts Of The Apostles* Luke Timothy Johnson,2023-06-13 The Acts of the Apostles is really the second volume in the two part writing scholars call Luke Acts It continues the story begun in the Gospel of Luke showing how the Good News offered by Jesus to the outcast of the people was eventually extended to the end of the earth so that Gentiles as well as Jews came to share in the blessings of God This commentary treats Luke Acts as an apologetic history It takes with equal seriousness both Luke s literary artistry and his historical interests fitting his methods comfortably within the ancient standards of historiography This perspective illustrates in particular that Luke s historical narrative serves a definite religious intent Tracing that intent through the specific contours of Luke s story is the special contribution of this commentary     2012 Daniel J. Gansle,2010 Does the eerily precise Mayan calendar prophesy doomsday on December 21 2012 or does it predict a glorious new age of raised consciousness Does a hidden monument in Mexico finally put to rest what the Maya knew 2012 Day of Reckoning takes readers on a hair raising journey to unlock the mystery behind the lost prophecy of the ancient Maya From galactic alignment to pole shift to Planet X Nibiru and a startling prediction of time travel and The Singularity 2012 Day of Reckoning elucidates the Mayan prophecy with commentary from top Maya scholars and leading voices in the movement
