Pattern for Conquest George O. Smith,2013-09 Household and Family in the Balkans Karl Kaser,2012 On the occasion of the 20th anniversary of the foundation of the Balkan Family History Project at the University of Graz in 1993 this volume unites the most outstanding essays by the project members that have appeared over the course of the previous two decades scattered in various journals and books These essays cover the interval from the 19th to the 21st century and reflect the current status of Balkan family research in historical anthropological and demographical perspectives Series Studies on South East Europe Vol 13 **West African Culture Dynamics** B. K. Swartz,Raymond E. Dumett,2011-06-15 No detailed description available for West African Culture Dynamics **Inter-Societal Dynamics** Jonathan H. Turner,Anthony J. Roberts,2023-03-01 This book by Jonathan Turner and Anthony Roberts proposes a new theoretical approach for explaining the dynamics of inter societal systems The authors argue that inter societal systems have existed since the beginning of human societies and the dynamics of these systems are a fundamental property of the social universe However while world systems analysis has emphasized this latter point the authors argue the reluctance to theorize complex abstract models and systems of explanatory propositions on the dynamics driving inter societal systems hinders scientific explanation of inter societal dynamics In this context the authors critically look at contemporary theorizing and review key theories that have been developed to explain geo economic geo political and geo cultural dynamics from the classic period through present day world systems analysis and cliometrics The book summarizes these theories clearly emphasizing their strengths and weakness finally developing a theoretical synthesis through new models and propositions on the dynamics of premodern and modern inter societal systems Professor Turner s decades of experience writing theory books for undergraduates have ensured that this book presents abstract ideas clearly and with examples so that students can understand the arguments This
