

PATTERNS OF LABOUR

- ✧ Every human culture has a division of labour based on gender and age categories.
- ✧ This division ensures that skills can be learned more efficiently.
- ✧ In the 19th century kingdom of Dahomey, thousands of women served as warriors and in the eyes of some observers were better fighters than their male counterparts.
- ✧ Instead of biological imperatives, researchers use three configurations.
- ✧ 1. Flexibility and sexual integration 2. Rigid segregation by sex 3. A combination of elements of both of the previous ones.
- ✧ Among the Ju/hoansi, children are not expected to contribute to subsistence until they reach their late teens.

Patterns Of Labour
