Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain

The Gospel According to Paul Graham H. Twelftree, 2019-11-20 Paul's gospel is misunderstood Paul's gospel is seen as his message perhaps an empowered message he saw it differently His gospel can be many things tradition about Jesus Jesus Christ himself the ministry of Jesus the replication of the ministry of Jesus God's salvific drama the salvation experience of people a message and something that can and should be embodied or lived And the gospel does not come to people in Paul's preaching He says it comes or takes place in both his message and the miraculous Without the involvement and acts of God in the miraculous for Paul there would have been no gospel only preaching It is not that the miraculous was simply a proof or demonstration of the gospel it was integral to it In the gospel's coming or establishment it is clear that at heart the gospel is God's salvation the presence of God himself in Christ experienced in the symbiotic relationship between Paul's message about God's Son Jesus Christ and the activity of God in the miraculous Not surprisingly then Paul rarely talks of preaching the gospel He sees himself as gospelling

Recovering an Undomesticated Apostle Christopher B. Zeichmann, John A. Egger, 2023-04-01 Paul the apostle is usually imagined as a man of prestige and power comfortably conversing with philosophers seeking an audience with the emperor and composing compelling letters for Christians throughout the Mediterranean Yet this portrait of a safe and conventional figure at the origins of Christianity airbrushes out many strange things about him This volume repositions Paul as a man at the periphery of power Recovering an Undomesticated Apostle explores the ways that Paul has been domesticated in both popular and scholarly imagination By isolating selected crises of the apostle's life and legacy and examining the social and material dimensions of his world these essays collectively chip away at the received image of his strength and status The result is a series of glimpses of Paul that frame the apostle as surprisingly marginal and weak within Roman society Published in honour of New Testament scholar Leif E Vaage Recovering an Undomesticated Apostle presents Paul as a man operating from a position of desperation making virtue out of necessity as he attempted to claw his way up in the dog eat dog world of the ancient Mediterranean

The early accounts of one of the most famous scenes in Christian history the death of Peter do not present a single narrative of the events for they do not agree on why Peter requested to die in the precise way that he allegedly did Over time historians and theologians have tended to smooth over these rough edges creating the impression that the ancient sources all line up in a certain direction This impression however misrepresents the evidence The reason for Peter s inverted crucifixion is not the only detail on which the sources diverge In fact such disagreement can be seen concerning nearly every major narrative point in the martyrdom accounts of Peter and Paul The Many Deaths of Peter and Paul shows that the process of smoothing over differences in order to create a master narrative about the deaths of Peter and Paul has distorted the evidence This process of distortion not only blinds us to differences in perspective among the various authors but also discourages us from digging deeper into the contexts of those authors to explore why they told the stories of the apostolic deaths differently in their contexts David L Eastman demonstrates that there was never a single unopposed narrative about the deaths of Peter and Paul Instead stories were products of social memory told and re told in order to serve the purposes of their authors and their communities The history of the writing of the many deaths of Peter and Paul is one of contextualized variety Ephesians David A. deSilva,2022-04-28 Exploring Ephesians in light of both the Jewish and Greco Roman traditions and environment informing the audiences reception of the text

Ogereau,2014-11-07 Was Paul s relationship with the Philippians an economic partnership Julien M Ogereau explores the socio economic dimension of Paul s koinonia with the Philippians from a Graeco Roman perspective and argues that Paul maintained this partnership to provide financially for his mission Page 4 of printed paper wrapper

Philippians Linda L. Belleville,2022-09-29 In this accessible and erudite commentary the respected New Testament scholar Linda Belleville shows how Paul s letter to the Philippians provides a unique opportunity to see the similarities between the culture of his day and ours and to understand not only what is needed to cope in a hostile society but also to be bold in sharing the sole hope for our global world knowing Christ and eternal citizenship in heaven Philippians was written while Paul was imprisoned in the imperial barracks awaiting the outcome of a life or death trial His most beloved church was facing strong opponents without and selfish division within Paul s strategy is

to remind the church of the reasons to rejoice and forgo selfish opinion differences There is much cause to rejoice because despite imprisonment the gospel had reached the entire imperial guard and emboldened Christians everywhere to boldly proclaim Christ even if he dies Paul s ministry of preaching Christ will continue Yet the Philippians best exemplar is Christ himself who while enjoying his heavenly riches willingly took on the human condition with its pain suffering and death so that they might gain their own heavenly riches
