1780 Contemporary Accounts Collected From English Newspapers With a Complete Bibliography John paul jones has received a liberal share of historical attention as the bibliography which forms a large part of this volume shows since he stepped forth as a free citizen of the world in defence Of the violated rights of mankind Research and romance have alike combined to exalt and immortalize his fame Coming into possession not long ago of the files of the London daily newspapers for 1778 1779 I was struck with the fine English and clear statements of the writers of the day in recording the exploits of the naval adventurer and conceived the notion that if these were aligned they would form a better record of the two campaigns than that furnished by any his torian SO I have ventured to put them together The modern newspaper has little time for the accu rate adjustment of news value Exploration of the files for the establishment of basic facts is one of the sorest trials of

the writers of history because there is so much rumor so much spreading so much desire to make the most of passing interest and so great a tendency to prefer anticipation to conclusion Besides few events are complete in themselves and must be judged by their ultimate and Often remote results About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Paul Jones** Don C Seitz,2014-03-30 This Is A New Release Of The Original 1917 Edition **Paul Jones, His Exploits in English Seas During 1778-1780, Contemporary accounts Collected from English Newspapers** Don Carlos Seitz,2016-04-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant PAUL JONES Don Carlos 1862-1935 Seitz,2016-08-28 **Paul Jones, His Exploits in English Seas During 1778-1780, Contemporary Accounts Collected from English Newspapers with a Complete Bibliography - Prim** Don Carlos Seitz,2013-12-07 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Paul Jones, His Exploits in English Seas During 1778-80* Don Carlos Seitz,1917 **A History of the United States of America** Horace Elisha Scudder,1897 **John Paul Jones** Martha Sanford,1936 The Illustrated London News ,1852 **The Compact Edition of the Oxford English Dictionary** Sir James Augustus Henry Murray,1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 **American Book Publishing Record Cumulative, 1876-1949** R.R.
